**DEPARTMENT OF LAW ENFORCEMENT
BUDGET REQUESTS FOR THE FISCAL BIENNIUM 2023-2025**

Honorable Chair Yamashita, Vice Chair Kitagawa, and Members of the House Committee on Finance:

My name is Jordan Lowe and I am the Director of the Department of Law Enforcement. Thank you for the opportunity to discuss the Department's budget requests for the fiscal biennium 2023-2025.

OVERVIEW

The Department of Law Enforcement is a new Department that was created on July 8, 2022. House Bill 2171, House Draft 2, Senate Draft 1, Conference Draft 1, was signed by the Governor to establish the Department of Law Enforcement, under Act 278, Session Laws of Hawaii (SLH) 2022.

In the past, corrections and certain law enforcement functions and activities are placed within the Department of Public Safety (PSD). The goals and functions of corrections and law enforcement are different and distinct and separating the functions of corrections and law enforcement from PSD into two (2) departments would best accomplish the discrete goals and objectives of both functions.

The state law enforcement personnel and functions are currently spread across various departments. The Department of Public Safety, Department of Transportation, Department of Defense, and Department of the Attorney General all have independent law enforcement offices and different law enforcement duties. Because each department administers its own law enforcement duties, goals, and functions, training and operational

standards differ between each department. The reorganization of certain state law enforcement functions into a single entity would provide the highest level of law enforcement service for the public, state employees, and state properties. Consolidation of state law enforcement responsibilities into a single state department will centralize state law enforcement functions to increase public safety, improve decision making, promote accountability, streamline communication, decrease costs, reduce duplication of efforts, and provide uniform training and standards.

This reorganization is to establish a new department. The newly created Department of Law Enforcement (LAW) was given funding for the six (6) positions authorized under Act 278, SLH 2022. Subsequently, LAW will request approval to allot and expend funds authorized under Act 278, SLH 2022 that would not only fund the six (6) positions but would also be used for operating expenditures.

The six (6) positions, led by the Director of Law Enforcement shall provide a report to the legislature no later than twenty days prior to the convening of the regular session of 2023. The report will provide the progress made in preparing for the transfer of law enforcement functions effective January 1, 2024.

Also, in the plans starting on July 1, 2023, the Department of Law Enforcement will expand to include the sixty-four (64) new positions authorized under Section 56 of Act 278, SLH 2022. This will create the administrative structure of LAW. Operation positions will be transitioned from the following departments: PSD, Department of Transportation, Department of Defense, and the Department of the Attorney General effective January 1, 2024.

MISSION STATEMENT

The Hawaii State Department of Law Enforcement stands for safety with respect for all. We will engage in just, transparent, unbiased, and responsive law enforcement, do so with the spirit of Aloha with dignity and in collaboration with the community; maintain and build trust and respect as the guardian of constitutional and human rights.

- **RESPECT:** Treating everyone with Aloha, honoring the rights of all individuals
- **INTEGRITY:** As a law enforcement agency of character and principle we are guided by a moral compass in all our decisions
- **COLLABORATION:** Build strong partnerships with the community and first response agencies for addressing community-wide challenges that impact community welfare
- **DIVERSITY:** We embrace the strength of diversity in our employees and our communities
- All of LAW's efforts done in the Spirit of Aloha

STRATEGIC OBJECTIVES, GOALS AND PERFORMANCE METRICS

Integrate the functions, personnel and assets from the Department of Public Safety, Department of Transportation, Department of the Attorney General, and Department of Defense of the transferring to the Department of Law Enforcement, centralizing state law enforcement functions.

Increase public safety, improve decision making, promote accountability, streamline communication, decrease costs, reduce duplication of efforts, and provide uniform training and standards.

- (1) Establishing a partnership with the federal Joint Terrorism Task Force to protect the State from domestic and foreign threats
- (2) Eliminating the narcotics epidemic that plagues Hawaii's communities through its commitment of investigators in the federal High Intensity Drug Trafficking Area task forces
- (3) Expanding the narcotics canine program
- (4) Reducing gun violence and other violent criminal acts in island communities through participation in the federal Project Safe Neighborhoods program.
- (5) Invest in Next Generation law enforcement internet technology solutions that will allow DLE to prioritize innovation and staffing needs. IT enhancement will promote an open, interoperable, reliable, secure, data management systems and reliable communications infrastructure.
- (6) Identify facility space for a centralized headquarters for state law enforcement
- (7) Implementation of Body Worn Cameras

LAW503	SA	Pri#09- Did not fund any of the \$1.8m & \$550k. Reinstate Funds for Motor Vehicles Budget that was reduced by Act 88, SLH 2021 and increase total.	<p>Currently the Sheriff Division is forced to utilize a number of vehicles that are approaching, or have exceeded 120,000 miles of use for transport of custodies, and patrol, sometimes over long distances. Many of these vehicles are in a deplorable, and arguably unsafe, driving condition and have been repaired numerous times. Various law enforcement agencies nationally, and locally, to include the State Department of Accounting and General Services have rules preventing the use of vehicles with over 100,000 miles as they pose a safety risk during use. On various occasions, daily operations have been hampered by the non-availability of vehicles, either for patrol, or transport. This Vehicle Maintenance and Replacement program will provide a long term and sustainable solution to the Sheriff Division vehicle fleet state wide. This program will allow the Sheriff Division to replace the oldest and highest mileage vehicles in the fleet immediately and continue on an annual basis, which will reduce maintenance and fuel cost. According to the June, 2010 audit report 10-06, Audit of the Department of Public Safety, Sheriff Division, "Without proactive planning to replace its aging vehicles, it appears the Sheriff Division will continue to face increasing maintenance costs."</p>	G	0.00	0.00	(1,800,000)	0.00	0.00	(550,000)

LAW503	SA	Pri#13- Decreased of \$27,500 & \$27,500. Funds for Ballistic Protective Vest	The Sheriff Division is is mandated by collective bargaining agreements to purchase and issue bullet proof vests to all deputies regardless of assignment. This protective equipment is fundamental to the safety of the deputies as they respond to issues related to police emergencies. A deputy will never fully know the circumstances surrounding an offender as they make initial contact with an offender during a call for service. Those circumstances include what is the offender thinking, does the offender have control over a firearm, or has the offende rmade the decision to try and assault or kill the deputy in an attempt to escape arrest. Bullet proof vests must be replaced no later than every five years in accordance with manufacturers recommended lifespan of the protective material. The Sheriff Division has had a previous allotment provided by the legislature that consisted of 27,000.00 annually. When that sum of money was awarded, ballistic protection costed approximately 500.00 per unit. Since that period, the cost of ballistic protection has increased many times over and as of FY2023, the cost of the armor is now at 860.00 per unit on the NASPRO list. A replacement program has been implemented over the years but due to the increase in cost, the Sheriff Division has struggled to purchase this armor and meet the CBA requirements.
