Please take some time to review them and I also encourage you to spend some time viewing my capitol website, which has an archive of my previous community reports and other updates. Please browse the link or scan the QR Code:

This past December, the late Darrell Young was honored for all of the great work that he did for the community of Waikele when the Waikele Community Park was re-named to the Darrell T. Young Waikele Community Park. Senators Brandon Elefante and Henry Aquino, Councilmembers Matt Weyer, Radiant Cordero, and Val Okimoto, along with his family and others, came out to acknowledge his legacy as the long time Waikele Community Association President and accomplished State and City administrator.
