Vision of a Hawai'i public school graduate

Presented to the Board of Education for approval

The Hawai'i State Department of Education, together with families and communities, envisions every graduate as a lifelong learner who is globally competitive and locally committed.

Graduates will:

- Apply academic knowledge and an innovative mindset to think critically, communicate effectively, and make impactful contributions in the pursuit of excellence.
- Be resilient and adaptable to an ever-changing world. Graduates will take initiative in charting their next steps to advance their life journey—such as in postsecondary education, career, enterprise, service or exploration.
- Cultivate well-being and compassion, care for self and others, and build deep roots in Hawai'i to fulfill their kuleana and strengthen their community.
