

JOSH GREEN, M.D.
GOVERNOR

YUUKO ARIKAWA-CROSS
DIRECTOR

STATE OF HAWAII
Executive Office on Early Learning
2759 South King Street, Room C6
HONOLULU, HAWAII 96826

January 2, 2025

The Honorable Chris Todd
Chair, House Committee on Finance
State Capitol Room 306

Aloha e Chair Todd:

In response to the memorandum dated November 14, 2025, enclosed are the Executive Office on Early Learning's budget briefing narrative and tables for the 2026 Legislative Session.

Please contact Jennifer Chow, Government Affairs Specialist, at (808) 784-5350 or jennifer.chow@eoel.hawaii.gov with any questions you have.

Thank you very much.

Sincerely,

A handwritten signature in blue ink, appearing to read "Yuuko Arikawa-Cross".

Yuuko Arikawa-Cross, Director
Executive Office on Early Learning

Attachments

c: Jon Kawamura - Budget Chief, House Committee on Finance

Overview

A. Provide your agency's mission statement, organizational chart, strategic objectives, goals, and performance metrics. How will the agency measure progress? What milestones will be tracked?

The Executive Office on Early Learning's vision is for every child in Hawai'i to have access to high-quality early childhood development and learning experiences, which lay the foundation for lifelong well-being. Our mission: Through collaboration and partnerships, we work to establish a system that ensures a solid foundation of early childhood development and learning for Hawaii's young children (prenatal to age five), meaningful engagement and supports for their families, and a stable, competent, and supported early childhood workforce.

We are guided by Chapter 302L and have two primary responsibilities. The first is to coordinate and improve the early learning system to ensure a spectrum of high-quality early learning opportunities for children throughout the State, from prenatal care until the time they enter kindergarten, with priority given to underserved or at-risk children. The early learning system shall: (1) Be widely accessible and voluntary for both those served and program and service providers; (2) Be a cohesive, comprehensive, and sustainable system in which: (A) All existing early learning programs and services, whether publicly- or privately-run, which consist of a variety of early learning approaches, service deliveries, and settings, including center-based programs, family child care programs, family-child interaction learning programs, and home-based instruction programs designed to promote early learning, are coordinated, improved, and expanded; (B) Public and private resources are maximized; and (C) The use of public facilities for either publicly- or privately-run early learning programs is maximized; (3) Provide high-quality early learning experiences with: (A) Standards-based content and curriculum, and accountability; and (B) Sufficient numbers of well-qualified educators and administrators who are fairly compensated and have access to continuing professional development; (4) Offer opportunities for family and community engagement and parent education and support; and (5) Be sensitive to family choice and cultural diversity.

We administer the Executive Office on Early Learning's (EOEL) public preK program and hold the Head Start Collaboration Office Director in our office.

Progress and milestones that EOEL is tracking include the total number of seats available to Hawai'i families, the number of children enrolled in the EOEL public PreK program, and, among those, the number who meet the priority categories. We actively monitor the qualifications, quantity, and quality of teacher-student interactions within the early childhood workforce in EOEL Public PreK classrooms. We are working on collecting and analyzing data on the broader early childhood workforce.

B. Discuss how current state-wide conditions have affected agency operations and the ability to meet goals. Identify and discuss notable performance measures, expected outcomes, and recent results.

EOEL Programs

- Through the support of the Legislature and the Lt. Governor, the number of EOEL PreK classrooms has expanded rapidly, growing from 37 classrooms in the 2022-23 school year to 117 classrooms in the current school year, with funding and positions authorized during the 2025 legislative session to add another 25 classrooms in the next school year. This expands access to high-quality early learning for Hawai'i families and advances progress toward the goals of Act 46, SLH 2020.
- EOEL and Charter Public PreK continue to meet 10 out of 10 quality benchmarks on the National Institute for Early Education Research (NIEER) State of Preschool report.
- Act 205, SLH 2025 - Brings the Early Learning Board into compliance with the Federal Head Start Act by adding Head Start representation and ensuring future representation of local providers of early childhood education and development services on the ELB.
- In partnership with UH Mānoa College of Education, awarded early childhood educator stipends to 162 participants and recorded 61 completers as of summer 2025.
- Selected for Harvard University Center for Education Policy Research Strategic Data Project Cohort 17 to make progress towards shared data governance in early childhood.
- As a part of a Hawai'i Dental Service grant, translated dental booklets into many languages for distribution at outreach events

Early Learning System - Recent Results

- UH Mānoa launched a new bachelor's degree for aspiring educators wishing to work with

children ages 0-8 (grade 3).

- The Hawai'i Teacher Standards Board and Chaminade University expanded the counseling license awarded by Chaminade University to include PreK.
- Completed the final year of the current Preschool Development Grant Birth-5 renewal grant.
 - Offered accreditation support to community-based providers
 - Supported the creation of the 2025 Early Childhood State Plan
 - Supported the PDGB-5 culminating grant symposium
 - Launched First 5 Hawai'i, a common eligibility portal for families
 - Funded and supported 45 individuals with the National Administrator's Credential through the National Early Childhood Program Accreditation agency
 - Offered workforce wage stabilization and compensation stipends for community-based early childhood educators
- Submitted an application for the SY 2025 Preschool Development Grant Birth-5 Systems Building Grant
- Through a partnership between EOEL and Early Childhood Action Strategy (ECAS), Hawai'i was selected by the Children's Funding Project to create a Hawai'i Fiscal Map project for children 0-24
- Many state agencies continue to refine early childhood transitions between IDEA Part C to IDEA Part B
- Child and Family Service opened a new Early Head Start Infant Toddler Classroom on Kaua'i

Federal Funds

C. Identify programs that have lost or are at risk of losing federal funds. Identify the source of these federal funds by federal award title and CFDA number. Discuss the impact to the public and your planned response, including efforts to supplant any federal fund reductions for the current year (FY26) and the upcoming fiscal year (FY27) with other funds.

EOEL receives federal funding for 1 FTE position, for the Head Start Collaboration Office Director - Award # 09CD004093-04-00. This role provides support to enhance strategic partnerships between Hawai'i's six local grant recipients and state and community partners, ensuring the Head Start voice is included in state-level planning, decision-making, and policy development.

The status of federal funding for the current fiscal year remains uncertain. Should there be a reduction of federal funds, there could be:

- Decreased or eliminated Head Start Collaboration Office Director
- Decreased funding for Early Head Start (6 weeks - 2 years) and Head Start (3-5)
- Decreased funding for Head Start Collaboration Office Director
- Decreased funding for Early Childhood Special Education Services
 - IDEA Part C Early Intervention (DOH)
 - IDEA Part B (DOE)
- Decreased or eliminated Family Child Interaction Learning programs

A possible response to the loss of federal funds for the Head Start Collaboration Office (HSCO) Director would be for EOEL to look for funding to support the HSCO Director position.

A possible response to the loss of federal funds for Head Start Programs could be EOEL preK because all Head Start children and families are within the threshold for EOEL's priority categories.

A possible response for the loss of Child Care Connections Subsidy (DHS) could be to utilize the Preschool Open Doors Subsidy.

A possible response to the loss of funds for Family Child Interaction Learning programs is increased state support.

Non-General Funds

D. Provide a web link (url) and PDF of the reports to the Legislature on non-general funds under your department pursuant to HRS 37-47.

https://hawaiipublicschools.org/wp-content/uploads/DOE_REPORT2026_Non-GeneralFundInformationReport.pdf

Budget Requests

E. Explain the process used to develop the agency's budget and prioritize requests for budget Changes.

EOEL's supplemental budget request prioritizes the resources needed to implement existing programs and reflects our focus on executing initiatives approved by the Legislature last session.

Thanks to the Legislature's FY 2026-27 appropriation for additional EOEL PreK classrooms authorized in the biennium budget, we are not requesting additional general funds for the expansion of EOEL Public PreK classrooms. As the EOEL works to open additional classrooms already authorized, we look for sites that have the space capacity to accommodate an EOEL room renovation, has supportive leadership, and has identified needs such as schools with early childhood special education rooms on campus and no general education rooms, English Language learners, children in foster care, children experiencing unstable housing, and families with incomes below 300% of the federal poverty level.

F. Identify and discuss significant adjustments contained in the budget request submitted to the Legislature. Explain and quantify how significant requests for additional funds are expected to affect outcomes.

This year, we are requesting three (3) permanent position counts with no additional funding.

We would like to secure two permanent, general-funded positions to continue the work initiated by the PDG B-5 grant and support the implementation of the updated Hawai'i Early Childhood State Plan. The first position is a Program Specialist IV who will lead family support, outreach, procurement of opportunities, and multilingual support, among other activities. The second position is a Program Specialist IV who will co-lead state plan support, coordinate cross-discipline teams, and communicate with County Coordinators, among other activities.

We are also requesting a new EO-07 Evaluation Specialist position. EOEL recognizes the importance of a person who is able to assist the early learning community by reviewing services, approaches, and activities, providing recommendations based on program objectives, effectiveness, methods, and techniques, analyze programs, identify problem areas, develop viable alternatives, and apply cost-effective cost-benefit measures, carryout evaluation-research projects and plans, arranges or conduct in-service training in evaluation research.

<u>Division</u>	<u>Description of Function</u>	<u>Activities</u>	<u>Prog ID(s)</u>	<u>Dept-Wide</u>	<u>Statutory Reference</u>
				<u>Priority</u>	
EOEL	Administer Executive Office on Early Learning Public Prekindergarten Program, serving 3-year-old and 4-year-old children, targeting at-risk and disadvantaged populations.	Administer the program through public pre-K classrooms on public school campuses throughout the state. Prepare children for school and active participation in society, and provide access to high-quality early childhood education.	EDN700	2	HRS §302L-7
EOEL	Coordinate development of the early learning system	Develop and implement methods to support our early care and education providers, teachers, and young children and their families. Increase access while maintaining high quality in early childhood development and learning programs. Assist providers in building continuity and coherence as children transition through early care and education programs and services. Coordinate efforts to develop a highly-qualified, stable, and diverse workforce (from HRS 302L-1.5(d)(8); State Plan BB4).	EDN700	1	HRS §302L-1.5; HRS §302L-2
EOEL	Administer the Hawaii early childhood educator stipend program.	Administer the Hawaii early childhood educator stipend program to address the shortage of early childhood educators who have coursework in early childhood education.	EDN700	3	HRS §302L-9
EOEL	Administer federal DHHS Head Start State Collaboration grant through implementation of the Hawaii Head Start State Collaboration Office (HHSSCO).	HHSCO serves as a liaison between the federal Office of Head Start (OHS) and the OHS Region 9 office with the State of Hawaii, and between state government and the local Head Start and Early Head Start grantees. HHSSCO links Head Start/Early Head Start agencies with State and community partners to increase access to comprehensive services for eligible children ages birth to five and their families. Establishes new and/or enhances existing partnerships for increased coordination and collaboration for service delivery as well as to support quality enhancement. Brings the Head Start voice to planning and policy conversations in the State, and serves as point person for questions and data requests around Head Start in Hawaii.	EDN700	4	HRS §302L-1.5 (e)

STATE OF HAWAII
DEPARTMENT OF EDUCATION
OFFICE OF THE SUPERINTENDENT
ORGANIZATION CHART

Report on Non-General Fund Information for Submittal to the 2026 Legislature

Department: EDN
 Program ID(s): EDN 700
 Name of Fund: Federal Funds - EDN 700
 Legal Authority: Head Start Act

Contact Name: Yuuko Arikawa-Cross
 Phone Number: 784-5350
 Fund Type (MOF): Federal (N)
 Appropriation Account Number: S-270-E

Intended Purpose:

The purpose of the Hawaii Head Start State Collaboration grant is to facilitate collaboration between Head Start agencies and entities that serve low-income children (birth to school entry) and their families.

Source of Revenues:

Office of Head Start, DHHS

Current Program Activities/Allowable Expenses:

To provide information, convene or attend meetings, and establish connections on behalf of the Head Start and Early Head Start grantees with State entities and child care partners.

Variances:

The Head Start State Collaboration Office is now fully staffed and at full capacity and we anticipate that revenue for FY 2026 will be the full \$125,000 of the grant award.

Note: The actual and estimated Negative Ending Cash Balances and Beginning Cash Balances are due to timing of final grant drawdowns occurring after the end of the FY.

Cash balance lapse to general fund? No
Statutory language: N/A

Report on Non-General Fund Information for Submittal to the 2026 Legislature

Department: EDN
 Program ID(s): EDN700
 Name of Fund: EARLY LEARNING SPECIAL FUND
 Legal Authority: Section 302L-5, HRS

Contact Name: Yuuko Arikawa-Cross
 Phone Number: 784-5350
 Fund Type (MOF): Special
 Appropriation Account Number: S-356-E

Intended Purpose:

Moneys in this fund shall be used for the early learning system, pursuant to 302L, HRS.

Source of Revenues:

Revenues include fees, grants, donations, appropriations from the Legislature, and revenues regardless of source.

Current Program Activities/Allowable Expenses:

Moneys will be used to support the early learning system.

Variances:

Revenue variance due to adjustment in estimated Early Childhood Educator Stipend repayments and there are no anticipated grants.

Cash balance lapse to general fund? No

Statutory language: N/A

Report on Non-General Fund Information for Submittal to the 2026 Legislature

Department: EDN
 Program ID(s): EDN 700
 Name of Fund: Early Learning Special Fund
 Legal Authority: Section 302L-5, HRS

Contact Name: Yuuko Arikawa-Cross
 Phone Number: 784-5350
 Fund Type (MOF): Special
 Appropriation Account Number: S-357-E

Intended Purpose:

To support the early learning system, pursuant to Act 46, Session Laws of Hawaii 2020.

Source of Revenues:

Revenues include fees, grants, donations, appropriations from the Legislature, and revenues regardless of source.

Current Program Activities/Allowable Expenses:

Moneys will be used for the early learning system.

Variances:

As of the end of FY 2025, Appropriation Account# S-357-E has been closed. Revenue was moved to S-356-E and S-356-E is now the sole Appropriation Account used for the Early Learning Special Fund, with Appropriation Ceiling of \$3,000,000.

Cash balance lapse to general fund? No

Report on Non-General Fund Information for Submittal to the 2026 Legislature

Department: EDN
 Program ID(s): EDN700
 Name of Fund: EARLY LEARNING - Preschool Development Grant Birth Through Five
 Legal Authority: Section 9212 of ESSA, Public Law 114-95

Contact Name: Yuuko Arikawa-Cross
 Phone Number: 784-5350
 Fund Type (MOF): Federal (P)
 Appropriation Account Number: S-870-E

Intended Purpose:

The Preschool Development Grant Birth Through Five (PDGB-5) Program is a competitive Federal grant designed to improve States' early learning childhood systems by building upon existing Federal, State, and Local early care and education investments. Subaward from University of Hawaii, P-20.

Source of Revenues:

DHHS Administration for Children and Families (ACF), Office of Early Childhood Development (OECD)

Current Program Activities/Allowable Expenses:

To coordinate and assist with the implementation of all activities relating to the Hawaii Early Childhood State Plan, community and family engagement.

Variances:

Revenue and Expenditure variances due to the amount of the awards and the timing of the grant cycle, 12/31/24-12/30/25, and the amount of activity changing from FY 2025 to FY 2026. NO DATA for FY 2027 and FY 2028 because 12/30/25 will be the end of the current award.

Department of Education**

Name of Fund: Federal Funds - EDN 700
 Appropriation Account Number: S-270-E
 Fund Type (MOF): Federal (N)
 Legal Authority: Head Start Act

Statement of Objectives

- 1) Strengthen Head Start (HS) /Early Head Start (EHS) access to needed services, cross-referrals, and improved transitions through MOUs with state and local partners.
- 2) Enhance opportunities for HS/EHS workforce development and professional learning through strategic partnerships.
- 3) Connect more vulnerable children (birth to five) to HS/EHS services statewide through public awareness activities and MOU development.
- 4) Enhance alignment of state planning and policy development to address the needs of HS/EHS grantees and their beneficiaries.

Fund Measures of Effectiveness

Executive Office on Early Learning

Supplemental Budget Request - FY 2027
RS 2026 Budget Briefings

<https://earlylearning.hawaii.gov/>

Vision

EVERY CHILD in Hawai'i has access to high-quality early childhood development and learning experiences which lay the foundation for lifelong well-being.

Mission

Through collaboration and partnerships, we work to establish a system that ensures a solid foundation of early childhood development and learning for Hawai'i's young children (prenatal to age five), meaningful engagement and support for their families, and a stable, competent, and supported early childhood workforce.

Our two main functions

- Coordinate and improve the early childhood system
 - *Host the Head Start Collaboration Office
- Work in partnership with HDOE to administer the EOEL Public PreK program

FY27 Base Budget - General Funds

Approved by Act 250, SLH 2025

FY27 Base Budget	
Personal Services	\$20,015,877
Other Current Expenses	\$3,712,949
Equipment	\$1,020,258

Supplemental Budget Requests - FY27

Budget Neutral

EOEL is requesting general fund position counts to support the growing workload and responsibilities of the office in coordinating the early learning system.

Program Specialist IV (2.0 FTE)

Sustain and advance statewide initiatives to support the early learning system, ensuring continuity of work and implementation of the Hawai'i Early Childhood State Plan.

Evaluation Specialist II (1.0 FTE)

Provide leadership, planning, and coordination in evaluating the effectiveness of programs and assessing the extent to which the objectives of the early learning system are being realized at the state level.

Hawai'i's Preschool Development Grant Birth Through Five (PDG B-5)

2022 (3 year)
Renewal Grant

\$19,911,123 (\$6,637,041/yr)

- Update comprehensive statewide B-5 needs assessment
- Update comprehensive statewide B-5 strategic plan
- Maximize parent and family engagement in B-5 system
- Support B-5 workforce and disseminate best practices
- Support program quality improvement
- Enhance quality and expand access to existing and new programs

First 5 Hawai'i

The development of the First 5 Hawai'i Common Eligibility Portal was a collaborative effort utilizing funding from the Preschool Development Grant, Birth to 5 (PDGB-5), and led by a team from the Hawai'i Children's Action Network (HCAN). Many different partners came together to help streamline access for our families through this common eligibility portal, including the Hawai'i Data Collaborative and the many departments and agencies that administer the 18 programs connected to the portal.

EOEL will assume responsibility for maintaining the site beginning in 2026.

ONE website. MANY services.
All for Hawai'i families.

Hawai'i Early Childhood State Plan

Hawai'i Early Childhood State Plan

Moving Forward Together: Many Partners, Many Efforts, One Purpose

2025–2030

BUILDING BLOCKS

The overarching structure of the State Plan is six **Building Blocks** that represent key focus areas across the **early childhood system** sectors of health, wellness, and **early care and learning**. Building upon the strengths of the 2020 State Plan, these six Building Blocks carry over from the five included in the 2020 State Plan, with the Foundations for Early Learning Building Block split into two areas of focus: Access to Early Care and Learning Opportunities and Keiki Learning and Development.

Building Block 1

Keiki and 'Ohana Health, Safety, and Well-Being

Ensuring that all families have equitable access to resources that promote optimal health, safety, and well-being is fundamental to supporting Hawai'i's keiki in reaching their fullest potential. A strong early childhood system depends on coordinated efforts that address the physical, emotional, and social needs of keiki and 'ohana. Goals for this Building Block focus on expanding access to comprehensive healthcare—including preventive screenings and community-level supports—while also emphasizing the importance of holistic, trauma-informed approaches to well-being.

Building Block 2

'Ohana Partnerships and Engagement

Strong partnerships with 'ohana are essential to ensuring that Hawai'i's keiki receive the coordinated care, learning opportunities, and support they need to thrive. When 'ohana are engaged as active partners, their voices help shape systems and services that are more equitable, responsive, and effective. Goals for this Building Block emphasize the importance of fostering ongoing, meaningful communication with families across communities and ensuring they have seamless access to comprehensive information and resources.

Building Block 3

Keiki Learning and Development

High-quality early care and learning experiences form the foundation for keiki to grow, learn, and thrive. Nurturing and inclusive learning environments that reflect Hawai'i's diverse culture and languages honor each child's identity while supporting their holistic development. Goals for this Building Block emphasize access to culturally, linguistically, and developmentally appropriate experiences that promote social, emotional, cognitive, and physical growth.

Building Block 4

Early Childhood Workforce

Foundational to quality care and learning for Hawai'i's keiki and 'ohana is a strong, stable, and well-supported early childhood workforce. Well-prepared, fairly compensated, and valued early childhood professionals are better equipped to create nurturing environments where keiki can thrive. Goals for this Building Block emphasize the importance of strengthening the early childhood workforce through equitable compensation, improved working conditions, and access to professional growth opportunities.

Building Block 5

Access to Early Care and Learning Opportunities

A robust and equitable **mixed-delivery system** ensures that every 'ohana can access early care and learning options that reflect their values, priorities, and unique circumstances. Meaningful choices among high-quality programs ensure 'ohana are able to support keiki development and learning in environments that feel familiar and responsive. Goals for this Building Block emphasize expanding access to affordable, high-quality opportunities across the mixed-delivery system while honoring the cultural and geographic diversity of Hawai'i's communities.

Building Block 6

Early Childhood Systems

Strong alignment across Hawai'i's early childhood health, wellness, and early care and learning systems is essential for providing keiki and 'ohana with comprehensive, accessible services and supports. Coordinated systems reduce duplication and utilize resources efficiently, providing 'ohana with seamless access to needed services. Goals for this Building Block emphasize increased communication and cohesion across early childhood programs, establishing shared definitions of quality, and enhancing data-sharing efforts to inform decision-making.

Fiscal Map Summary

Funding Stream Profile

Age Analysis

0-5 Age Analysis

State Budget Comparison

Methodology

In 2024, **The Executive Office on Early Learning and Early Childhood Action Strategy** joined Children's Funding Project's multi-state child and youth fiscal mapping cohort.

The **Hawai'i** children and youth fiscal map is a comprehensive analysis of public investments in children and youth in **Hawai'i**. It is an analysis of public funding for children and youth, ages 0-24, from 2019-2023. Leaders, advocates, policy makers, and public sector employees can use the fiscal map to better understand the current child and youth funding landscape and to inform strategic decisions within the state. In addition, nonprofits, residents, and community groups are encouraged to use the resource to better understand the state's investments in children and youth.

The fiscal map provides data about how **Hawai'i** funds target specific outcomes, services, age groups, and populations. This research analyzes state, federal, and federal relief funding for children and youth, ages 0-24, throughout fiscal years 2019, 2020, 2021, 2022, and 2023.

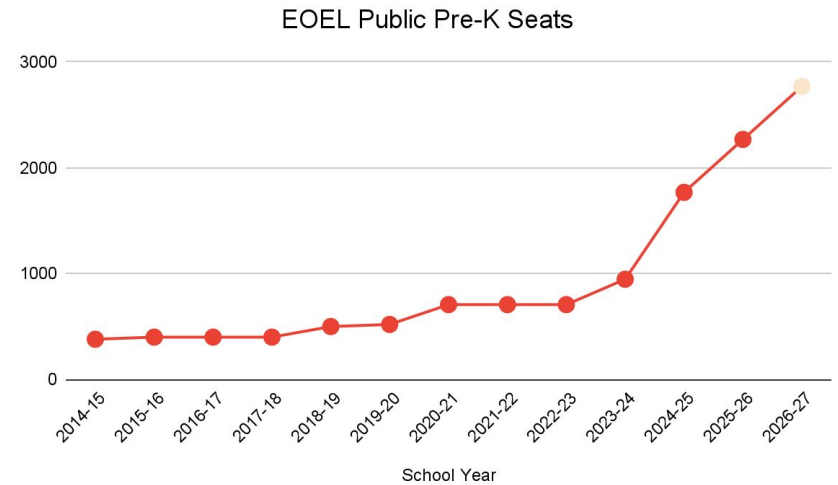

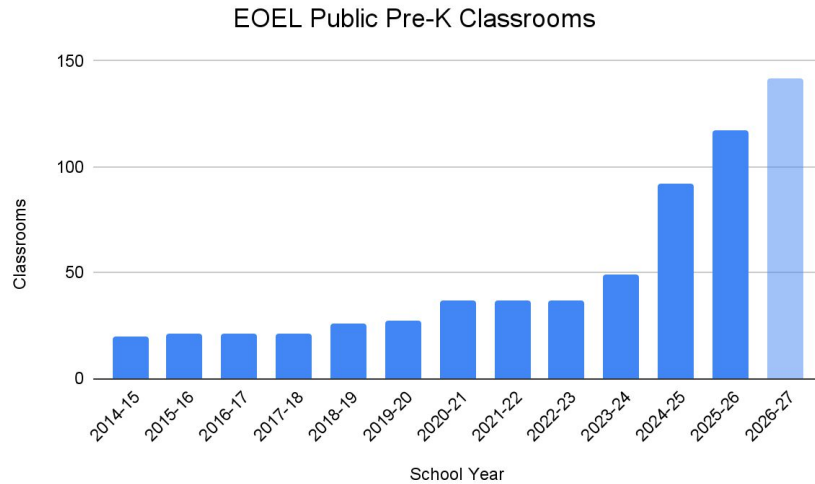

Click on any of the tabs to the left to view the fiscal map pages. Each page is interactive and designed to be a tool to spark further discussion, research, and action.

Act 46 progress

Population of 3- and 4-Year-Olds and Pre-K Seats, 2020–2032

Rough projection - provides a directional sense of progress and illustrates a range of potential outcomes.

Limitations of the data used to generate the figure

- Population based only on Department of Health Vital Records Birth Data → does not account for in/out migration
- Statewide information → does not reflect local/regional geographic availability
- Voluntary and self-reported nature of desired capacity data for community-based providers
- Counts for some community-based providers may include seats for 2 year olds
- Count of SPED PreK seats includes some children also attending a general education PreK classroom (possible double counts)

Unknowns that could impact outcomes

- Actual birth rates
- Potential positive impacts to community-based providers from recent Preschool Open Doors Subsidy changes
- Uncertainty regarding levels of federal support for subsidies (CCDF), Head Start, Special Education Services, and Department of Defense Preschools
- Possible future State investments in ECE
- Early childhood workforce availability

Act 46 progress

Population of 3- and 4-Year-Olds and Pre-K Seats, 2020–2032

Community-Based Organizations (CBO): Registered Family Child Care Homes; Licensed Group Homes; Licensed Preschools; Head Start.

Non-CBO providers: EOEL Public Pre-K; Charter Schools; DOE SPED & Migrants Pre-K; Department of Defense preschools; Public Libraries, County and School Facilities Authority hubs.

Capacity: “Desired” capacity = number of children a provider is actively seeking to enroll given current staffing and resources.

Population trajectories:

- Declining at -1.97% annually (calculated as compound annual growth from 2012-2024 births: $(2024\text{Births}/2012\text{Births})^{1/12} - 1$; See: <https://www.bea.gov/help/fag/463>)
- Flat from 2027 onward.

Horizontal grey lines: 2032 target goals (100% coverage) under each population assumption.

Projected capacity (blue dashed line): Projected CBO capacity held constant at July 2025 levels + Non-CBO providers’ planned capacity growth.

Percentages (arrows at 2032): Gap between projected capacity and population need—showing percent of 3-4 year-olds not covered under each population trajectory.

Future Focused

2026 (1 year) Systems Building Grant

\$1,376,813.00

- Critical Element 1: Statewide ECE Needs Assessment & Strategic Plan
- Critical Element 2: Outcome Strategies
 - Category 1: Reconcile fragmented elements into a unified system
 - Category 2: Expand program availability and sustainability
 - Category 3: Align or share information and data systems
- Critical Element 3: Track Project Impact
