 **ACTION 15**

 **HUB LEARNING COMMUNITY**

 **PARTNERSHIP W/ VIBRANT HAWAI'I**

Supports hubs islandwide for O'ahu
(Hawai'i Island Hubs Invited)

Supports Ko'olauloa and Ko'olaupoko regions
(and Hawai'i Island Hubs)

Coordinated learning and sharing best practices

- Supports individual hubs, micronetworks, and regions
- Does **not** “activate” hubs during disruption
- Supports everyday community communication
- Decision making on individual basis for hubs
- HLC leadership team shapes decisions for full HLC membership to vote on

Coordinated network actions / emergency response

- Activates the network in disruption or emergency together
- Uses the same templates and communication protocols
- Network-level decisions / focus
- Drills / Decision making for swift coordinated action

**O'AHU
RESILIENCE
HUB**
Learning
Community

We are a community of practice dedicated to supporting the development of resilience hubs on O'ahu and connecting the ecosystem of resilience surrounding them.

Mission

To support individual hubs, micronetworks, and regions in **coordinated learning and sharing best practices** for community resilience.

HLC Resilience Hub Definition

“A trusted gathering site or group that supports everyday resilience and during a disruption supports a coordinated response.”

Our Working Groups Actively Support Hubs:

- 1) NHB x Hubs
- 2) Next Generation
- 3) Faith-based x Hubs
- 4) CERT x Hubs
- 5) ‘Āina x Hubs
- 6) New Hubs Cohort

A Hub is ...

People!

What is a Resilience Hub Community of Practice?

The O'ahu Resilience Hub Learning Community (HLC) strengthens island resilience by supporting Community Resilience Hubs.

We connect partners, youth, and community leaders to share knowledge, spark innovation, and coordinate resilience hub efforts across O'ahu.
