Each Screener will be responsible for the following procedures when processing an **ARRIVING CONUS/INTERNATIONAL** or **DEPARTING INTERISLAND** passenger:

- Please validate all information on these **Forms** with a Pictured Government Identification Card.
- The **Hawaii Address, Hotel/Lodging Destination and Contact Phone Number** needs to be verified. (See separate instructions on verification procedures.)
- If the **Hawaii Address** or **Hotel/Lodging Destination** is not properly filled out or left blank, please refer to your **Guidance on Enforcement of State Quarantine & Stay-at-Home Orders** under **Traveler w/o lodging**. (the LEO and Sheriffs will get involved at this point).

- Please keep these forms with their **Declaration Forms**. They may take a picture of the form with their Smart Phone or provide them with an unsigned form.
- If there are any issues/concerns regarding arriving CONUS/International or departing Interisland passengers, please DO NOT engage with the passengers. Please ask the assigned Law Enforcement Officer, (LEO), that is posted at your location to assist. The assigned National Guard (HING) will also assist if the need arises. If the incident escalates, the State Sheriff will be requested.
- If the passenger presents you with an **APPROVED** Attorney General's Office email or Essential Critical Infrastructure Company Letter stating they are Exempt from Self-

ALL EXEMPT PASSENGERS DO NOT NEED TO FILL OUT THE ORDER FOR SELF-QUARANTINE FORM.** (I have attached the **Guidance on the Essential Critical Infrastructure Workforce** for your reference).

- If you are located on the Neighbor Island, please get all completed forms to the Hawaiian Airlines Station Manager who will get them to Honolulu. We have decided to have this done twice a day. (Mid-day and at the close of your Check Point). At DKI, please get it to the Processing Conference Room.
