The Honorable Lorraine R. Inouye
The Senate
Thirty-First State Legislature
State Capitol, Room 210
Honolulu, Hawai'i 96813

Aloha Senator Inouye:

I am pleased to let you know that my administration has released funding for the following Capital Improvement Project (CIP):

Name: Kanu o Ka 'Āina New Century Public Charter School, Multipurpose Building, Hawai'i

Description: To finance plans, design, construction, and equipment for the completion of a multipurpose building including a certified commercial kitchen space, athletic space, and performance space.

Amount Released: \$1,800,000.00

Mahalo for your work on behalf of the residents of your district to secure these funds. Projects such as these are critical components of the public infrastructure and contribute to building a better home for our kūpuna, keiki, and all the residents of Hawai'i.

A list of released CIP and CIP Grants-in-Aid (GIA) will be emailed once a month.

By working together, we can solve the great challenges of our time, create a more sustainable Hawai'i, and establish the Hawaiian Islands as a place that future generations will choose to call home.

With warmest regards,
