### Senate to Take Action on Judicial Appointments

Hawaii State Judiciary

On August 21-22, the Senate will convene a special session to take action on Judicial appointments. These appointments are subject to Senate confirmation.

The Senate will take up the Governor's appointment of Jordon J. Kimura as Circuit Judge for the Circuit Court of the First Circuit (O'ahu).

The Senate will also act on Chief Justice Mark E. Recktenwald's three appointments, **Robert J. Brown**, **David M. Hayakawa**, and **Erika E. Ireland**, to fill three vacancies in the District Court of the First Circuit.

#### Red-Light Safety Program Update

The Hawaii State Department of Transportation's (HiDOT) Lee Nagano said the red-light camera pilot project designed to effect change in motorist behaviors and reduce speeding is working. Red-light cameras have been installed at 10 designated intersections on Oahu, including Likelike Highway and School Street. She said there is now wider public awareness of the red-light camera installations at intersections that have a history of crashes and injuries. The Likelike Highway and School Street red-light cameras were installed in April 2023, and the number of citations as of July 3, 2023 is listed below:

- 549 citations (north-east approach
- 127citations (north-west approach)
- 57 citations (south-west approach)
- 81 citations (south-east approach)

DOT said it will continue to evaluate the effectiveness of the program at the six-month mark as well as the one-year mark of the redlight camera installation at this particular intersection. Visit <u>https://hidot.hawaii.gov/</u> <u>highways/red-light-safety-program/</u>

## Night Work Begins on the Pali Highway Resurfacing Project

The Hawaii Department of Transportation (HiDOT) announced that it has scheduled nightime work on the Pali Highway from Vineyard Boulevard to the Wyllie Street Interchange from Aug. 20, 2023 to the end of November 2023, weather permitting. This is part of the Pali Highway Resurfacing Project.

Paving operations are to occur nightly, from Sunday nights through Friday mornings, from 7:00 p.m. to 5:00 a.m. Motorists can expect one to two lane closures at a time, with one lane always remaining open in both directions. HiDOT said that with this increased production, it expects the impact on traffic to lessen. Electronic message boards will be posted with closure information. Special duty police officers will be on-site assisting with traffic control. For more details regarding the nighttime closures, call the 24/7 Hotline at (808) 945-1111.

### Maui Fire Relief Donation Drive
