Report to the 'Aiea Neighborhood Board No. 20 August 2021

Dear Neighbor,

July was an extremely eventful month, which also marked my first year of serving you and our district. From July 6-8, 2021, a special session took place to override certain bills that the Governor vetoed. The second special session convened only the Senate to advise and consent on two of the Governor's judicial nominees: Lesley Maloian to the District Family Court of the First Circuit and Dan Gluck to the Intermediate Court of Appeals. Due to Daniel Gluck's failed confirmation, the Governor has selected Sonja McCullen as his next nominee to the ICA, which we will take up later this month.

As a member of the Senate Ways and Means Committee, we travel to Kauai for a site visit of government facilities and schools and meet with economic and business groups to discuss the Garden Island's economy. This trip which was similar to the Hawai'i Island site visit in June, which will help us to determine priorities in next year's budget.

Back home in 'Aiea, we held the inaugural "Community Day In Our Schools—A Day of Service" project on Saturday, July 31, 2021. This initiative was designed to beautify school campuses throughout Senate District 16 and cultivate a culture of service in the community. Mahalo to all of the volunteers who made this event possible. See more in this report on page 3.

I hope you will find the rest of our monthly report resourceful. As always, please let me know if there are any issues you see facing our community that I can help to address. Mahalo for the opportunity to serve you.

Very Truly Yours,

Senator Bennette E. Misalucha
Senate District 16
