### Legislative Update: Sine Die

Aloha:

On April 25th, the 'Final Decking' deadline saw conference committee chairs from both the House and Senate officially conclude the last of the conference hearings for the 2025 legislative session. On the final day of May, the legislature held a third and final reading of all bills that have either been voted in conference or had amendments agreed to by the originating chamber. All bills that have passed third reading will now be transmitted to the Governor's office for review. I am very proud of the work that we did this session and the bills that were passed by my committee on Health & Human Services. We will now wait as the Governor makes the decision on what bills will become law. As we head towards the veto deadline, I look forward to sharing more information about the package of bills that we will send to the Governor and hope you will not hesitate to contact me if you have any questions about a bill or the legislative process. In the next e-newsletter, I will provide a list of legislative highlights and a review of Health & Human Services legislation that I was able to pass this session. In the meantime, a full list of the bills passed can be found on the legislature's website: [www.capitol.hawaii.gov](http://www.capitol.hawaii.gov).

with Governor Green at his Chili & Rice Fundraiser. All proceeds were donated to the Hawaii Foodbank.

With young advocates for the Hawaii YMCA.

Holding a joint Health & Human Services and Energy & Intergovernmental Affairs committee. On this day both committees voted to pass Senate Concurrent Resolution 58 (SCR58), urging the counties to install and maintain a set of accessible recreational playground equipment in county parks. This measure would help to support physical health of youth with disabilities, while also encouraging inclusion and integration in the community.

This session, I introduced Senate Bill 295, to strengthen enforcement measures for Temporary Restraining Orders and better meet the needs of those who must seek these actions to protect themselves and their families. On the day of the Senate’s final vote on SB295, we had the honor of welcoming the family of Theresa Cachuela, whose life was tragically taken by her abuser. With the support of Ms. Cachuela’s family SB295 passed final reading and has been enrolled to the Governor.

Looking over the Puna district map with Representative Gregor Ilagan. This year, we secured funding for the study of alternates routes for Puna Mauka and Makai.

With Rep. Greg Takayama at the YWCA “Dress For Success” initiative donation drive. The initiative provides special attire donations to women re-entering the workforce. Programs such as these provide much needed support to women who are overcoming challenges such as homelessness, incarceration, and poverty.

Meeting with student advocates for access to school meals. Since our meeting the legislature passed Senate Bill 1300 (SB1300). SB1300 appropriates funding to expand access to free school meals and provide support for families classified as ALICE – Asset-Limited, Income-Constrained, Employed – working families who may not qualify for existing assistance programs but still struggle to meet their children’s basic needs. These programs ensure that students have the nourishment to focus on their studies and create an environment where all students can attend school without feeling self-aware or anxious about their household incomes.

With Senate President Ronald Kouchi and my Committee Clerk Luis Lopes at the Senate Chamber podium. Earlier, Luis gave the moment of contemplation to open the session.

On the Senate floor congratulating former Big Island legislator Dwight Takamine on his appointment to the Hawaii Labor Relations Board.

## 2025 HEALTH CARE HEROES

The House and Senate recognize and congratulated this year's outstanding health care workers. As Chair of the Senate Committee on Health & Human Services, I led a presentation honoring: Trevor Fujisaka, Darryl Glaser, Renee Kojima, Sarah Kuma, and Karen Oskins. I am inspired by the dedication, compassion, and unwavering commitment that compels this year's Healthcare Association of Hawaii "Health Care Heroes" to go above and beyond for their patients and their families.

# 26th ANNUAL HAWAII WOMEN'S LEGISLATIVE CAUCUS EASTER BASKET DRIVE

Every year the Hawaii Women's Legislative Caucus collects baskets full of household and hygienic items to support families in need. Additionally, the Easter Basket Drive supports direct virtual donations to the Domestic Violence Action Center, Institute for Human Services, Parents & Children Together (PACT), The Salvation Army, and Mohala Mai Women's Prison Project.

I was honored to have met Former California Surgeon General Nadine Burke Harris. She helped pioneer early screening for Adverse Childhood Experiences. Early intervention prevents a future of trauma and potential criminal activity. Studies have shown that early investment in childhood intervention when ACES are found saves the state money in mental health care and prisons
