

UNIVERSITY OF HAWAI‘I SYSTEM LEGISLATIVE TESTIMONY

UNIVERSITY OF HAWAI‘I SYSTEM BUDGET BRIEFING

Testimony Presented Before the
Senate Committee on Ways and Means
&
House Committee on Finance
on January 15, 2015

by

David Lassner
President
University of Hawai‘i System

UNIVERSITY of HAWAI'I®
SYSTEM

Statement of President David Lassner

Thank you for the opportunity to present our budget request for the Fiscal Biennium (FB) 2015-2017. With me today are representatives from our Board of Regents (BOR), our System-wide leadership team, our Campus leadership, and Deans and Directors from various programs. I'd like to offer these introductory comments prior to reviewing our FB 2015-2017 budget request.

Introduction and Highlights

As the state's sole public higher education system, the University of Hawai'i (UH) remains strongly committed to improving the economic, social and environmental health of current and future generations. To this end, the University has shown measureable achievements over the past year which not only demonstrate this commitment, but provide a platform from which further improvement is attainable. A few of these achievements include:

- The University has awarded the most degrees and certificates in UH's history. Throughout the 2013-2014 academic year, 11,278 degrees and certificates were awarded, a 12.8 percent increase from the previous year. Campus initiatives and innovative programs such as increased tutoring, supplemental instruction, academic maps, course redesign, leveraging financial aid and scholarships and dual enrollment/dual admission degree pathway programs have contributed to this increase.
- Degree attainment amongst the Native Hawaiian population has increased 16 percent over the previous year.
- The 15 to Finish campaign, which encourages students to graduate on time by taking 15 credits per semester, continues to serve as a national model. Throughout the UH system, the number of students taking 15 credits or more during the Fall 2014 semester increased 24.7 percent since 2009. As of April 2014, fourteen states have launched their own 15 to Finish campaigns using UH's framework and materials.
- UH was awarded extramural contracts and grants totaling \$392.3 million in 2014, stimulating the economy and addressing challenges and opportunities facing Hawai'i and the world.

UNIVERSITY of HAWAII® SYSTEM

- In December 2014, Meet Hawai'i, a collaboration of the Hawai'i Visitors and Convention Bureau and the Hawai'i Convention Center, along with the state's tourism industry honored the University as the recipient of the inaugural 'Elele Organization of the Year award. UH's 'Elele (ambassadors) have provided significant contributions to our state's economy, by working collaboratively with the tourism industry to bring in more than \$500 million in convention business to our state.
- The Community Colleges, which play a vital role in the economic and social transformation of the state, enjoyed a year-long celebration to commemorate their 50th Anniversary as a vital part of the University of Hawai'i System.

The University is proud of its achievements and will continue to strive for greater improvement. A driving force behind these efforts remains our commitment to providing the state with a skilled labor force, a necessity in today's global, knowledge based economy. Increasing the educational capital of the state remains at the forefront of the University's priorities. With fewer young adults going to college, there is an urgent need to increase the educational attainment of our 25- to 64-year old working age adults. As of 2010, 42 percent of Hawai'i's working age population held a postsecondary degree. Estimates reveal that at the current rate of degree production within the state, the percentage of degree holders by the year 2025 will be at 47 percent. Given the estimate that 65 percent of the jobs in the Hawai'i will require postsecondary education and training; this translates into a shortage of approximately 60,000 degree holders. The University of Hawai'i remains steadfast in its role in closing the projected educational attainment gap and will continue to support the statewide 55 X 25 Campaign to increase the percent of working age adults with degrees. By focusing and prioritizing our resources so they may support our core functions, we will be able to continue providing a quality education to the citizens of Hawai'i, particularly those from underrepresented and underserved populations and regions, and helping students achieve success through timely degree completion and work readiness.

To reflect our priorities and help guide our efforts, we have developed the following Strategic Initiatives:

UNIVERSITY of HAWAI'I® SYSTEM

- **Hawai'i Graduation Initiative (HGI)**, which sets forth the goal to increase the educational capital of the state by increasing the participation and completion of students, particularly Native Hawaiians, low-income students, and those from underserved regions and populations. HGI is aligned with Hawai'i P-20, in working toward meeting the State's goal to increase the number of working age adults in the state who hold a degree to 55 percent by 2025.
- **Hawai'i Innovation Initiative (HI2)**, aimed at creating more high-quality jobs and diversifying Hawai'i's economy by leading the development of a \$1-billion innovation and research enterprise in Hawai'i over the next ten years.
- **21st Century Facilities (21CF)** sets the goal to eliminate the University's deferred maintenance backlog and modernize facilities and campus environments to be safe, sustainable, and support modern teaching, learning and research.
- **High Performance Mission-Driven System of Higher Education (HPMS)**, will provide our diverse student body throughout Hawai'i with superb and cost-effective education through transparent and accountable practices.

FB2015-2017 Budget Request

Having laid this groundwork, the strategy behind the development of our biennium budget is consistent with these initiatives and takes a holistic approach, considering all revenue sources, as well as each campus' base budget and their respective operating reserves. I will now turn to our FB15-17 Biennium Budget Request, and focus on critical funding needs and initiatives as identified by the Board of Regents and our University Leadership. As this is a biennium budget request, our focus is the long term viability and success of our institution, as well as our ability to continually improve the educational and research environment for our students and faculty.

Before I proceed, I would like to preface my testimony with some background information. Currently, the Governor's budget request before you includes no general fund increases as we were initially instructed to provide only those requests that would result in a "status quo" budget, such as tradeoffs and transfers. Our Board of Regent's budget includes numerous requests for additional general fund support, for consideration by the Administration. As required by statute, these requests have also been

UNIVERSITY of HAWAI'I® SYSTEM

transmitted to the Legislature. This presentation speaks to those items. We appreciate your consideration.

Operating Budget

Utilities –

System wide general fund request - \$23.7 million in FY 16 & \$27.0 million in FY 17

UH continues to make significant energy efficiency gains:

- Through the implementation of a variety of energy efficiency measures, the Community Colleges have reduced approximately 18 percent of total energy consumption, despite the addition of new facilities and more than 240,000 gross square feet.
- The Hilo campus has implemented various energy efficiency measures including the installation of 502 kW capacity photovoltaic arrays.
- Our West O'ahu campus is also looking forward to the construction of a photovoltaic panel array that is estimated to supply 15% of the campus' energy needs and result in an annual savings of \$125,000.
- Our flagship campus at Mānoa has engaged various energy savings initiatives aimed at better tracking and managing the energy use on campus. As of 2013, ongoing energy efficiency projects at the Mānoa campus have saved over \$1 million.

In other words, the University has been very responsible in managing energy consumption. We must emphasize that our utility related budget requests have been made to address *electricity rate increases only, not for any consumption increases, and the impact these rate increases that are out of our control have had on our campus budgets, and more importantly, our tuition dollars*. Currently approximately 22 cents of every tuition dollar at the Mānoa campus is dedicated to electricity costs, where although consumption has only increased 5.6 percent since 2007, electricity rates increased 44 percent in that same period. Covering this increase has required the use of additional \$15 million paid from tuition revenues.

UNIVERSITY of HAWAI'I®
SYSTEM

Approval of this request will enable more of our students' tuition dollars to be directed toward critical academic programs and student support services.

Unfunded Federal Mandates –

System wide general fund request - \$2.99 million and 47.00 FTE in FY 16 & FY 17

Title IX, VAWA and Safety

The University is committed to addressing and eliminating sex discrimination and gender based violence while improving safety on all UH campuses. To do this, an Advisory Group on Title IX, VAWA and Gender Equity was convened to discuss the federal mandates and guidance, share information on current policies and practices and identify key steps required to ensure compliance with the federal guidance and mandates. Over the course of a year, this Advisory Group has developed goals aimed at ensuring compliance with Title IX requirements and also ensuring campus compliance with required policies, provision of informational materials and personnel training. Much progress has been made however, the University lacks sufficient personnel and resources to fully implement these efforts and formalize this program. Funding of this request will ensure the University remains compliant with these federal mandates.

Intercollegiate Athletics -

Mānoa and Hilo general fund request - \$3.6 million in FY 16& FY 17

Operating deficits in Intercollegiate Athletics continue to be a major issue for the Mānoa and Hilo campuses, where their financial sustainability is of vital concern. Currently available tuition, fee and general funds are insufficient and funding cannot be diverted from instruction, academic support and research programs to fund athletics at this time.

Nevertheless, intercollegiate athletics is an essential part of the fabric of the University and the community, playing an important role in a state that has no professional sports. Intercollegiate athletics also provide significant positive economic impacts for the community. A just-released study from the Shidler College of Business reports that the \$35 million budget of UH Mānoa Athletics (which includes

UNIVERSITY of HAWAI'I® SYSTEM

sales of tickets and merchandise) results in \$66 million of direct spending, \$128 million of total business sales and \$7 million in State tax revenue, creating 860 jobs in Hawai'i.

We believe the long-term sustainability of the intercollegiate athletics program at the University of Hawai'i will require a collaborative effort involving the entire community. We welcome and invite the Legislature's participation, insight and assistance in addressing the financial sustainability of this program. Accordingly, the University has included in its biennium budget request funding to assist Mānoa and Hilo's intercollegiate athletics programs, including support for Mānoa's travel costs required by the Mountain West Conference. We hope these requests will provide a starting point for a more comprehensive discussion.

Enrollment Growth at the West O'ahu campus

General fund request - \$1.725 million and 25.00 FTE in FY 16 & \$1.795 million and 25.00 FTE in FY 17

Enrollment at the West O'ahu campus is at its highest in the University's history, and it is the fastest-growing campus in the UH System. In the past three years, enrollment has increased 20 percent in Fall 2012, 19 percent in Fall 2013 and 13 percent in Fall 2014.

This level of growth at the West O'ahu campus is especially rewarding because the campus serves a high percentage of Native Hawaiians, students who are the first in their families to attend a university, and those from other underrepresented groups in higher education from the Leeward coast. Tuition supports only part of the cost of education, so to support this rapid enrollment growth and ensure that the health and safety needs of the campus are met, additional positions and funds are required. With this funding, West O'ahu will be able to further their mission to provide access to underserved populations in the Leeward coast.

Hawai'i Innovation Initiative

General fund request - \$3.5 million and 20.00 FTE in FY 16 & FY 17

The University is recognized for its distinctive strengths in earth and ocean sciences, astronomy, evolutionary biology, energy research and a growing strength in environmental sciences. UH brings in

UNIVERSITY of HAWAI'I® SYSTEM

hundreds of millions in research dollars in these areas creating opportunities to generate cutting edge discoveries and intellectual property (IP) that have economic value and significant societal benefits.

The economy of Hawai'i is currently highly dependent on the tourism sector and military spending. Working with the business community, research and innovation has been identified as a third economic sector to be developed. As the largest research enterprise in the state, UH is essential and committed to achieving this goal and also plays a critical role in the education and training of the state's workforce in this vital sector.

Funding of the initiative will increase UH's ability to successfully build a thriving innovation, research, education and training enterprise in Hawai'i to help create high-quality jobs and diversify the state's economy.

UHPA Collective Bargaining

Funding currently provided through the Department of Budget and Finance's Operating budget request.

A final issue relating to the operating budget, that I would like to address is our collective bargaining agreement with the University of Hawaii Professional Assembly (UHPA). We are very grateful to the 2014 Legislature for providing general funds to support the collectively bargained salary increases for FY14 and FY15. On an unprecedented early timeframe, UHPA, the State and UH have agreed to a new collective bargaining agreement for the next fiscal biennium. However, general funds for this agreement must be provided by the Legislature in order for the contract to be ratified. It is our understanding that the Governor has approved funding of this request and has included it in the Department of Budget and Finance's budget.

In summary, for the University System operating budget, we are asking the Governor and Legislature to make an additional investment of \$35.5 million in general funds in FY2015-16 and \$38.9 million in FY2016-17 to demonstrate further support of our public higher education system. Understanding the fiscal constraints and priorities facing the state, this is one of our more modest requests in recent years.

UNIVERSITY of HAWAI'I®
SYSTEM

Capital Improvement Program Budget

As previously indicated, the University's CIP budget request honors the moratorium on new construction projects approved by the Board of Regents in November 2013. This supports our focus on addressing our deferred maintenance backlog, in support of our 21st Century Facilities strategic direction.

In total, our Board of Regents' CIP request includes \$200 million in General Obligation Bond (G.O.) financing in FY2015-16 and \$197 million in FY2016-17. This request represents the first two years of a System-wide, 6 year plan to address deferred maintenance at all campuses (10 year plan at Mānoa). The plan also includes major renovation projects that will modernize buildings and provide for sustainability and energy efficiencies, while also addressing the deferred maintenance backlog. Currently, the Governor's budget submittal provides \$50 million in G.O. funding in FY2015-16 and \$55 million in FY2016-17 for Health Safety and Code Requirements and Deferred Maintenance.

Additional Comments

We would also like to take this opportunity to comment on the recent Auditor's Report No. 14-18, "A Review of Special Funds, Revolving Funds, Trust Funds, and Trust Accounts of the University of Hawai'i". We appreciate the time and effort the Auditor and her staff have taken to closely examine these non-general funds. We note that nothing in the report suggests financial mismanagement or improper behavior and nothing in the report impacts or reflects on the excellent teaching & learning, research and service that our faculty, staff and students engage in each and every day. Please be assured we are addressing the concerns raised.

Thank you for your time and attention. We are available to answer questions at the appropriate time.

University of Hawai'i

Senate Committee on Ways and Means House Committee on Finance

Informational Briefing

January 15, 2015

University of Hawai'i

Introduction

As the state's sole public higher education system, UH remains strongly committed to improving the economic, social, and environmental health of current and future generations.

Our BOR budget request represents what Hawai'i needs and what our management team can execute transparently and accountably.

University of Hawai'i

Achievements

1. Awarded the most degrees and certificates in UH's history. Last academic year, 11,278 degrees and certificates were awarded, 12.8% more than the previous year.
2. Degree attainment amongst the Native Hawaiian population has increased 16% over the previous year.
3. The "15 to Finish" campaign, which encourages students to take 15 credits per semester to graduate on time, serves as a national model. As of April 2014, fourteen other states have launched their own "15 to Finish" campaigns using UH's framework and materials.

University of Hawai'i

Achievements (continued)

4. Extramural contracts and grants totaled \$392.3 M in FY14, stimulating the economy and addressing challenges and opportunities facing Hawai'i and the world.
5. In December 2014, UH was honored with the inaugural 'Elele award, celebrating over \$500 M of economic impact of conferences generated by UH faculty and staff.
6. The Community Colleges enjoyed their 50th anniversary as UH's open door campuses providing opportunities throughout the islands.

Table 11 Instructions

COLUMN	DATA ELEMENT	DEFINITION
A	State Expending Agency	State entity authorized to expend the funds as authorized by the appropriation or as delegated by the Governor. Select from drop-down menu. See legend below.
B	Program I.D.	The unique identifier for the specific program responsible for carrying out the program consisting of the abbreviation for the State entity followed by the organization number for the program. Format: XXX###
C	Award Number	The identifying number assigned by the awarding Federal Agency, such as the federal grant number, federal contract number or the federal loan number that appears in the federal award document.
D	CFDA No.	The number associated with the published description of Federal assistance program in the Catalog of Federal Domestic Assistance. Only applies to grants and loans. A list of CFDA codes can be searched at: https://www.cfda.gov/index?s=program&tab=list&mode=list Format: ##.###.
E	Award Description	Award title and description with purpose of funding action.
F	Awarding Federal Agency	Name of the federal agency that awarded and administers the award on behalf of the funding agency. Select from drop-down menu. See agency list below.
G	Award Amount	For Grants: The total amount of the award. For Loans: The total amount of the loan obligated by the Federal Agency; the face value of the loan. For Contracts: The total amount obligated by the Federal Agency.
H	Award Amount Allocated to the Program ID in Column B	Enter the portion of the total award amount allocated to this Program ID. For example, if a federal award in the amount of \$500 is allocated to only AGR100, the "Award Amount" and the "Award Amount Allocated to the Pgm ID in Column B" would both be \$500. However, if the \$500 will be allocated to AGR100, AGR200 and AGR300, in the amounts of \$100, \$250 and \$150, respectively, the "Award Amount" would be the \$500 for all three program IDs but the "Award Amount Allocated to the Pgm ID in Column B" would be \$100 for AGR100, \$250 for AGR200 and \$150 for AGR300.
I	State Appropriation Symbol	The account number established in FAMIS. The appropriation account is a combination of 4 fields: Fund Type, Fiscal Year, Appropriation Account Number, and Dept. Code. If an award has appropriation symbols for multiple fiscal years, enter the symbol for the first fiscal year. Format: X-YY-###-X
J	State Fund Match (If Any)	The amount of state funds necessary to match the award.
K	Contact Name	Name of the individual at the program level responsible for performance of the award.
L	Contact Phone No.	Phone no. of the individual at the program level responsible for performance of the award.
M	Contact Email	Email of the individual at the program level responsible for performance of the award.

Table 12

Name of Fund	Purpose	Statutory Reference	MOF	Beginning FY15 Unencumbered Cash Balance	Estimated FY15 Revenues	Estimated FY15 Expenditures and Encumbrances	Estimated FY15 Net Transfers	Estimated FY15 Ending Unencumbered Cash Balance	Balance in Excess of Program Needs
Tuition and Fees SF /1	The fund is used to account for revenues from tuition-related course and fee charges which are expended to maintain or improve the university's programs and operations.	304A-2153, HRS	B	\$ 9,292,519	\$ 63,858,656	\$ 68,243,544	\$ (4,475,087)	\$ 6,967,461	\$ -
Community College SF /1	The fund is used to account for receipts and disbursements related to special programs and activities including off-campus programs, summer session programs, overseas program study abroad, exchange programs, cultural enrichment programs, and consultative services which help make available the resources of the community colleges to the communities they serve.	304A-2162, HRS	B	\$ 21,928,319	\$ 20,555,227	\$ 24,390,264	\$ (2,058,014)	\$ 19,870,305	\$ -
UH Revenue Undertakings Fund	The fund is used to account for all revenues and costs of university projects, university systems, networks, or any combination thereof as defined by section 304A-2671, HRS.	304A-2167.5, HRS	B	\$ (66)	\$ -	\$ -	\$ 66	\$ -	\$ -
Commercial Enterprises RF	The fund is used to account for receipts and disbursements related to commercial enterprise activities including sponsorship in private, cultural, and athletic performances, goods produced by university programs, or goods bearing the University logo.	304A-2251, HRS	W	\$ 46,891	\$ -	\$ 46,891	\$ -	\$ -	\$ -
Research and Training RF	For indirect overhead revenues generated by the University from research and training programs and disbursements for research and training purposes which may result in additional research and training grants and contracts; and to facilitate research and training at the University.	304A-2253, HRS	W	\$ 1,222,868	\$ 2,746,448	\$ 3,819,380	\$ -	\$ 189,000	\$ -
Student Activities RF /2	The fund is used to account for receipts and disbursements related to student oriented activities, programs, and services developed and implemented by chartered student organizations and student activity programs.	304A-2257, HRS	W	\$ 1,754,863	\$ 1,944,905	\$ 2,097,835	\$ -	\$ 1,713,038	\$ -
Community College Conference Center RF	The fund is used to account for receipts and disbursements related to conferences, seminars, and courses.	304A-2273, HRS	W	\$ 809,870	\$ 283,641	\$ 334,496	\$ -	\$ 809,870	\$ -

/1 The estimated ending unencumbered cash balances include deferred revenue, which is revenue collected in FY 2014 for FY 2015 activities. The combined estimated deferred revenue for the Tuition and Fees Special Fund and the Community College Special Fund is approximately \$5.3 million. Of the remaining unencumbered balances, approximately \$19.7 million are required to meet the UH Community College (UHCC) reserve policy. The UHCC reserve policy is required by the Accrediting Commission for Community and Junior Colleges (ACCJC) to ensure the financial stability of accredited campuses. The reserve level is set at 10% of the unrestricted funds (general, special, revolving funds; excluding the Revenue Undertakings special fund and Student Activities revolving fund) expenditures and encumbrances for the fiscal year.

/2 The estimated ending unencumbered cash balances are needed for chartered student organizations and student activity programs of the Community Colleges, such as student government, social and cultural activities, honor society activities, new student orientation, etc. The enabling statute provides chartered student organizations with the authority to determine how these funds are spent.

PROJECT INFORMATION AND JUSTIFICATION:

a. Total scope of project.

This project provides for the correction of identified health, safety, and code requirements for University programs, Systemwide. The project provides for improvements such as elevator modernization, modifications to meet the requirements of the Hawai'i Occupational Safety and Health Act, structural repairs to buildings and property, ventilation improvements, lighting, correction of drainage hazards, fire alarm systems, modifications to facilities to meet accessibility standards, sewer/septic tank improvements, traffic safety, electrical infrastructure upgrades, chemical and waste storage compliance, and other safety and code requirements.

b. Identification of need and evaluation of existing situation.

The University has identified numerous health, safety, and code deficiencies at its campuses. Improvements are needed to protect students, faculty, staff, and properties of the University of Hawai'i. Examples of projects include elevator modernization, accessibility improvements, water improvements for fire protection, structural stabilization to retaining walls and facilities, electrical improvements, sewer and storm drain improvements, correction of uneven walkways, chemical storage and concentrated waste facilities, emergency notification systems, removal of lead paint, and emergency shelters.

c. Alternatives considered and impact if project is deferred.

The alternative to implementing this project is to do nothing. However, such action will result in non-compliance, and will have negative impacts to University programs. Additionally, the State and University may become liable for injury or death as a result of not correcting identified health, safety, and code deficiencies.

d. Discuss what improvements will take place when project is completed (including benefits to be derived and/or deficiencies this project intends to correct).

The project will address identified health, safety, and code deficiencies at University of Hawai'i campuses. The improvements will provide a safer environment for members of the University community and community at large.

e. Impact upon future operating requirements (show initial and ongoing funding requirements by cost element, including position count, means of financing, fiscal year).

None

f. Additional information.

See attached list of projects.

PROJECT INFORMATION AND JUSTIFICATION:

a. Total scope of project.

This project includes repairs and maintenance projects for reroofing, air conditioning equipment, refurbishment of interior building space and surrounding ground area, infrastructure, sports facilities, resurfacing, repainting, and other repairs at all University campuses, Systemwide.

b. Identification of need and evaluation of existing situation.

The University of Hawaii's physical plant is in a serious state of disrepair due to the lack of general funds for R&M. Facilities provide the centerpiece around which all other educational activities exist at higher education institutions. The total replacement value of all University of Hawaii facilities is estimated at \$5.0 billion. Therefore, it is imperative to reinvest in the University's physical plant to ensure that the physical infrastructure facilitates the mission of the institution.

c. Alternatives considered and impact if project is deferred.

The alternative to financing this request is to finance routine and deferred maintenance with general funds. However, the likelihood of such general fund support is unlikely, therefore, bond financing this project is imperative to address pressing repairs and maintenance needs of the University System.

d. Discuss what improvements will take place when project is completed (including benefits to be derived and/or deficiencies this project intends to correct).

This project includes repairs and maintenance projects for all University campuses. The role of R&M is to maintain the physical infrastructure and facilities of our campuses so that they are functional, architecturally sound, aesthetically pleasing, and in compliance with building and safety codes to support quality instruction, research, student, and community services programs.

e. Impact upon future operating requirements (show initial and ongoing funding requirements by cost element, including position count, means of financing, fiscal year).

None

TOTALS	1 C	1 C	4 C	4 C			4 C	0 C	16	30

PROJECT INFORMATION AND JUSTIFICATION:

a. Total scope of project.

This project serves as a project adjustment fund for the University of Hawai'i.

b. Identification of need and evaluation of existing situation.

The University of Hawai'i is implementing major capital improvements program (CIP) projects that are in various stages of development. As projects are completed, the University may have unrequired balances that could otherwise be used by other University projects. Authorization of the project adjustment fund ensures that appropriations to University of Hawai'i projects are maximized for University of Hawai'i facilities.

The Governor's Project Adjustment Fund is governed by the Governor and the State Department of Budget and Finance. Executive Memorandum 97-07 states that "concurrent requests for transfer of funds from a completed project into the Governor's project adjustment fund and release of funds for an ongoing project will not be considered; i.e., the fund will not be used for 'pass-through' purposes." Having a separate project adjustment fund will enable the University to control surplus or unrequired general obligation bond funds for University of Hawai'i projects.

c. Alternatives considered and impact if project is deferred.

Should this project be deferred, the result would be the continued reliance on the Governor's Project Adjustment Fund, which does not guarantee that unrequired funds from University projects would be used for University of Hawai'i CIP projects.

d. Discuss what improvements will take place when project is completed (including benefits to be derived and/or deficiencies this project intends to correct).

This project will enable the transfer of unrequired balances to University projects that require additional funding.

e. Impact upon future operating requirements (show initial and ongoing funding requirements by cost element, including position count, means of financing, fiscal year).

None.
