

STAND. COM. REP. NO. **1857**

Honolulu, Hawaii
MAR 31, 2023

RE: H.R. No. 152

Honorable Scott K. Saiki
Speaker, House of Representatives
Thirty-Second State Legislature
Regular Session of 2023
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred H.R. No. 152 entitled:

"HOUSE RESOLUTION URGING THE FEDERAL AVIATION ADMINISTRATION AND HAWAII'S CONGRESSIONAL DELEGATION TO TAKE ANY ACTIONS NECESSARY TO ESTABLISH AN AIR TRAFFIC CONTROL TOWER AT LANAI AIRPORT,"

begs leave to report as follows:

The purpose of this measure is to urge the Federal Aviation Administration and Hawaii's Congressional Delegation to take any actions necessary to establish an air traffic control tower at Lanai airport.

Your Committee received testimony in support of this measure from the Department of Transportation.

Your Committee finds that as general aviation and commercial aircraft traffic increase concurrently, managing and separating air traffic flows becomes increasingly important. Despite serving one hundred thousand passengers during 2022, Lanai Airport lacks an air traffic control tower. Your Committee therefore finds that the establishment of an air traffic control tower at Lanai Airport is necessary to ensure the safe, orderly, and efficient flow of air traffic on and around the airport.

2023-2916 HR152 HSCR HMSO

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 152 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

for 
CHRIS TODD, Chair
