
A BILL FOR AN ACT

RELATING TO CHILDREN.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that developmental and
2 neurological science concludes that the process of cognitive
3 brain development continues into adulthood, and that the human
4 brain undergoes dynamic changes throughout adolescence and well
5 into young adulthood.

6 The legislature recognizes that the Supreme Court of the
7 United States has found that "[c]hildren generally are less
8 mature and responsible than adults, they often lack the
9 experience, perspective, and judgment to recognize and avoid
10 choices that could be detrimental to them, and they are more
11 vulnerable or susceptible to . . . outside pressures than
12 adults". *J.D.B. v. North Carolina*, 564 U.S. 261, 272 (2011)
13 (internal quotation marks and citations omitted). Essentially,
14 "children characteristically lack the capacity to exercise
15 mature judgment and possess only an incomplete ability to
16 understand the world around them". *J.D.B.*, 564 U.S. at 273.
17 The Supreme Court has also found that juveniles "have limited

1 understandings of the criminal justice system and the roles of
2 the institutional actors within it". *Graham v. Florida*, 560
3 U.S. 48, 78 (2010).

4 The legislature notes that custodial interrogation of an
5 individual by the State requires that the individual be advised
6 of the individual's rights to make a knowing, intelligent, and
7 voluntary waiver of those rights before the interrogation
8 proceeds. However, the legislature believes that children under
9 eighteen years of age, unlike adults, cannot sufficiently
10 comprehend the meaning of their rights and the consequences of a
11 waiver.

12 The purpose of this Act is to require that when an officer
13 has custody of a child under eighteen years of age for an
14 alleged violation of law, the child shall have contact with
15 legal counsel and, to the extent practicable, a parent,
16 guardian, or legal custodian before the child waives any
17 constitutional rights and before any custodial interrogation.

18 SECTION 2. Chapter 571, Hawaii Revised Statutes, is
19 amended by adding a new section to part IV to be appropriately
20 designated and to read as follows:

1 "§571- Contact with counsel; parent, guardian, or legal
2 custodian; consultation. (a) Before the waiver of any right
3 against self-incrimination by and before a custodial
4 interrogation of a child under eighteen years of age, the child
5 shall have contact with legal counsel in person, by telephone,
6 or by video conference, and shall also, to the extent
7 practicable, have contact with a parent, guardian, or legal
8 custodian in person, by telephone, or by video conference. The
9 contact may not be waived.

10 (b) The court, in determining the admissibility of
11 statements of a child under eighteen years of age made during or
12 after the waiver of any right against self-incrimination or
13 during or after a custodial interrogation, shall consider the
14 effect of any failure of the officer who had custody of the
15 child to take steps to comply with subsection (a).

16 (c) Any officer who has arrested a child under eighteen
17 years of age shall notify the child's parent, guardian, or legal
18 custodian that the child has been arrested and shall provide the
19 location of the child's detainment."

1 SECTION 3. This Act does not affect rights and duties that
2 matured, penalties that were incurred, and proceedings that were
3 begun before its effective date.

4 SECTION 4. New statutory material is underscored.

5 SECTION 5. This Act shall take effect on June 30, 3000.
