

1 § -2 **Requirement to install and maintain automated**
2 **external defibrillators in state buildings.** (a) No later than
3 January 1, 2025, the department shall install in every state
4 building:

5 (1) At least one automated external defibrillator placed
6 on each floor, accessible to employees of the state
7 agencies listed in section -4 and the public
8 visiting those agencies' facilities; and

9 (2) Appropriate signage posted to indicate the location of
10 each automated external defibrillator.

11 (b) The department shall notify emergency services
12 providers, as defined under section 78-52, of the existence,
13 location, and type of each automated external defibrillator
14 installed in a state building.

15 § -3 **Administering agency.** The department shall
16 administer the provisions of this chapter and adopt rules,
17 exempt from chapter 91, necessary to carry out the purposes of
18 this chapter.

19 § -4 **Training.** (a) The department shall provide
20 training on the use of automated external defibrillators for all
21 of its employees and the employees and security staff of the:

- 1 (1) Office of the governor;
- 2 (2) Office of the lieutenant governor;
- 3 (3) State legislature;
- 4 (4) Department of education;
- 5 (5) Department of law enforcement; and
- 6 (6) Department of corrections and rehabilitation,
- 7 in accordance with the standards of the American Heart
- 8 Association, the American National Red Cross, or any similar
- 9 certificate-issuing organization.

10 (b) The department may contract for or procure as
11 necessary the services of another public or private entity to
12 assist with the training required under this section.

13 (c) Each state agency listed in subsection (a) shall
14 provide to the department the names and electronic mail
15 addresses of those state employees required to take the
16 applicable training and shall assist the department by providing
17 adequate meeting facilities, equipment, and technical support as
18 needed for the training.

19 § -5 **Maintenance.** The department shall conduct periodic
20 inspections of all automated external defibrillators to ensure
21 that they are maintained in an operative condition and are

1 replaced or repaired when defective in accordance with the
2 operation and maintenance guidelines established by the
3 manufacturer.

4 § -6 **Exception to liability.** Any person who administers
5 an automated external defibrillator installed or maintained
6 pursuant to this chapter shall be subject to section 663-1.5(e),
7 and the protections provided thereunder."

8 SECTION 2. There is appropriated out of the general
9 revenues of the State of Hawaii the sum of \$ or so
10 much thereof as may be necessary for fiscal year 2024-2025 for
11 the installation and maintenance of automated external
12 defibrillators in state buildings pursuant to this Act.

13 The sum appropriated shall be expended by the department of
14 accounting and general services for the purposes of this Act.

15 SECTION 3. There is appropriated out of the general
16 revenues of the State of Hawaii the sum of \$ or so
17 much thereof as may be necessary for fiscal year 2024-2025 for
18 the department of accounting and general services to provide
19 trainings on the use of automated external defibrillators in
20 state buildings pursuant to this Act.

1 The sum appropriated shall be expended by the department of
2 accounting and general services for the purposes of this Act.

3 SECTION 4. This Act shall take effect on July 1, 2024.
