
A BILL FOR AN ACT

RELATING TO THE MAUI VETERANS HOME.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that there is currently
2 no state veterans home to serve the needs of the veterans
3 community on the island of Maui. State veterans homes are

8 The legislature further finds that development plans for
9 the construction of the Maui state veterans home is currently
10 being undertaken by the department of defense. However,
11 management, operation, and staffing of the Maui state veterans
12 home should be placed under a state agency able to manage a
13 long-term care facility.

14 The purpose of this Act is to transfer the Maui state
15 veterans home to the Oahu regional health care system.

16 SECTION 2. (a) No later than June 30, 2027, the Maui state
17 veterans home on Maui shall be assimilated into the Oahu

1 regional health care system in a manner and to an extent that
2 may be negotiated between the Oahu regional health care system
3 and the department of defense. After assimilation, the physical
4 assets and the ground lease of the Maui state veterans home
5 shall become property of the Oahu regional health care system
6 and the Maui state veterans home shall be managed by the Oahu
7 regional health care system.

8 (b) None of the liabilities of the Maui state veterans
9 home in existence at the time the Maui state veterans home is
10 assimilated into the Oahu regional health care system shall
11 become liabilities of the Oahu regional health care system.
