## A BILL FOR AN ACT

RELATING TO THE NATURAL ENERGY LABORATORY OF HAWAII AUTHORITY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Section 227D-2, Hawaii Revised Statutes, is  
2 amended by amending subsections (a) and (b) to read as follows:  
3           "(a) There is established the natural energy laboratory of  
4 Hawaii authority, which shall be a body corporate and politic  
5 and an instrumentality and agency of the State. The authority  
6 shall be placed within the department of business, economic  
7 development, and tourism for administrative purposes, pursuant  
8 to section 26-35. The purpose of the natural energy laboratory  
9 of Hawaii authority shall be to facilitate research[7];  
10 development[7]; and environmentally responsible and culturally  
11 sensitive and appropriate commercialization of natural energy  
12 resources and ocean-related research, technology, and industry  
13 in Hawaii and to engage in environmentally responsible and  
14 culturally sensitive and appropriate retail, commercial, or  
15 tourism activities that will financially support that research,  
16 development, and commercialization at a research and technology  
17 park in Hawaii. Its duties shall include:

- 1           is consistent with the State's commitment to malama  
2           Hawaii;
- 3           (6) Supporting ocean research and technology development  
4           projects that support national and state interests,  
5           use facilities and infrastructure in Hawaii, and  
6           foster potential commercial development; [~~and~~]
- 7           (7) Engaging in retail, commercial, and tourism activities  
8           that are not related to facilitating research,  
9           development, and commercialization of natural energy  
10          resources in Hawaii; provided that all income derived  
11          from these activities shall be deposited in the  
12          natural energy laboratory of Hawaii authority special  
13          fund[-];
- 14          (8) Give back to the community by engaging and supporting  
15          community outreach and education as it relates to  
16          activities within the park to promote and cultivate a  
17          more diverse Hawaii-grown workforce in science,  
18          technology, engineering, and math industries through  
19          free programs for local educators, students,  
20          educational institutions within Hawaii, and state and  
21          county-sponsored community groups; and

1       (9) Provide a space and opportunities for culturally  
2       appropriate gatherings, education, and community  
3       engagement to preserve the history of Keahole Point  
4       and the ahupuaa of Ooma and Kalaoa.

5       (b) The governing body of the authority shall consist of a  
6 board of directors having [~~twelve~~] thirteen voting members.  
7 Three members from the general public shall be appointed by the  
8 governor for staggered terms pursuant to section 26-34, except  
9 that one of these members shall be a resident of the county of  
10 Hawaii[-] and at least one member shall be a cultural  
11 practitioner representing the ahupuaa of Ooma or Kalaoa. The  
12 members shall be selected on the basis of their knowledge,  
13 interest, and proven expertise in, but not limited to, one or  
14 more of the following fields: finance, commerce and trade,  
15 corporate management, marketing, economics, engineering, energy  
16 management, real estate development, property management,  
17 aquaculture, [~~and~~] ocean science[-], native Hawaiian cultural  
18 practices and traditions, conservation, and animal welfare. The  
19 chairperson and secretary of the research advisory committee  
20 shall serve on the board. The director of business, economic  
21 development, and tourism, the chairperson of the board of land

1 and natural resources, the president of the University of  
2 Hawaii, the mayor of the county of Hawaii, a member of the  
3 university of Hawaii's institutional animal care and use  
4 committee, and an appointed member from the board of the Hawaii  
5 technology development corporation, or their designated  
6 representatives, shall serve as ex officio, voting members of  
7 the board. The tenants of the authority shall elect two members  
8 to the board from among the tenants of the authority, of which  
9 one member shall serve a two-year term, and one member shall  
10 serve a four-year term. In electing the tenant members, each  
11 tenant shall be entitled to cast one vote for each member  
12 position. The tenant members shall be recused from voting on  
13 setting lease rents, water rates, or utility rates, but may  
14 participate in discussions. The director of business, economic  
15 development, and tourism shall serve as the chairperson until  
16 such time as a chairperson is elected by the board from the  
17 membership. The board shall elect other officers as it deems  
18 necessary."

19 SECTION 2. Statutory material to be repealed is bracketed  
20 and stricken. New statutory material is underscored.

# H.B. NO. 913

1 SECTION 3. This Act shall take effect upon its approval;  
2 provided that the existing members of the natural energy  
3 laboratory of Hawaii authority shall continue to serve until the  
4 expiration of their respective terms.
