# HOUSE CONCURRENT RESOLUTION

ESTABLISHING A WORKING GROUP TO ADDRESS ISSUES RELATED TO WATER  
AND AIR CONTAMINATION AND REMEDIATION ARISING FROM THE  
OPERATION OF THE PUULOA RANGE TRAINING FACILITY.

1           WHEREAS, the Puuloa Range Training Facility, located in Ewa  
2 Beach on Oahu, is a shooting range that has been used by United  
3 States Marine Corps for more than a century; and  
4

5           WHEREAS, the Ewa Beach community has grown around it, and  
6 the training facility now sits in the middle of a residential  
7 neighborhood; and  
8

9           WHEREAS, in conducting live-fire exercises, shooters fire  
10 into impact berms, including berms that face the ocean and share  
11 a coastline with the area's beach parks; and  
12

13           WHEREAS, lead contamination from shooting ranges can  
14 accumulate in the soil and remain there for hundreds of years;  
15 and  
16

17           WHEREAS, in 2022, sampling done by the Surfrider Foundation  
18 of soil taken from the beach side of the training facility  
19 identified high levels of lead; and  
20

21           WHEREAS, there is a concern that lead from the soil at the  
22 Puuloa Range Training Facility will leach into the ocean,  
23 creating a serious risk to marine life in the area; and  
24

25           WHEREAS, there is further concern that dust from lead-  
26 contaminated soil will enter the atmosphere and migrate into  
27 residential neighborhoods via air or stormwater; and  
28

29           WHEREAS, addressing this issue will require input from  
30 experts and community stakeholders; and

WHEREAS, this body finds that the threat to the health and safety of the residents of the Ewa Beach community constitutes an emergency that requires immediate and decisive action; now, therefore,

BE IT RESOLVED by the House of Representatives of the Thirty-second Legislature of the State of Hawaii, Regular Session of 2024, the Senate concurring, that a working group be established to address issues related to water and air contamination and remediation arising from the operation of the Puuloa Range Training Facility; and

BE IT FURTHER RESOLVED that the working group is requested to consist of the following members:

- (1) The Representative of House District 40;
- (2) The Councilmember for District 9 of the City and County of Honolulu; and
- (3) The Vice Chair of the Ewa Neighborhood Board No. 23; and

BE IT FURTHER RESOLVED that the working group is requested to invite other individuals with relevant experience and expertise to be members of the working group, including:

- (1) A marine biologist from the University of Hawaii at Manoa;
- (2) A representative from Kuleana Coral Restoration;
- (3) A representative from the fishing industry;
- (4) A representative from the United States Marine Corps; and
- (5) Any other members the working group deems necessary; and

BE IT FURTHER RESOLVED that the working group is requested to conduct informational briefings on issues related to water and air contamination and remediation from the operation of the

1 Puuloa Range Training Facility and to take any other action as  
2 the working group deems appropriate; and

3

4 BE IT FURTHER RESOLVED that the working group is requested  
5 to meet on a quarterly basis; and

6

7 BE IT FURTHER RESOLVED that the working group is requested  
8 to provide a quarterly report to the House of Representatives;  
9 and

10

11 BE IT FURTHER RESOLVED that the working group shall cease  
12 on June 30, 2025; and

13

14 BE IT FURTHER RESOLVED that certified copies of this  
15 Concurrent Resolution be transmitted to the Commander of the  
16 Marine Corps Base Hawaii, Chancellor of the University of Hawaii  
17 at Manoa, Councilmember for District 9 of the City and County of  
18 Honolulu, Vice Chair of Ewa Neighborhood Board No. 23, and  
19 Executive Director of Kuleana Coral Restoration.
