A BILL FOR AN ACT

RELATING TO THE HAWAII HISTORIC PRESERVATION SPECIAL FUND.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that it is in the public
2 interest to maintain and preserve the State's historic
3 government buildings. When Hawaii became the fiftieth state,
4 key elements of its multicultural heritage and culture were
5 incorporated into its government structures. These buildings
6 reflect Hawaii's Pacific-Asian values, making these structures
7 unique within the United States and the world. At the same
8 time, older structures like Iolani Palace and other historic
9 government buildings provide critical links to Hawaii's monarchs
10 and Native Hawaiian population. In order to restore and
11 preserve the state capitol, Iolani Palace, and other historic
12 government properties, the State should adhere to the same
13 long-term planning, budgeting, and preservation standards that
14 are used to preserve privately held historic sites.

15 Accordingly, the purpose of this Act is to develop a
16 holistic approach toward the restoration and preservation of the
17 State's historic government buildings by expressly allowing the

1 Hawaii historic preservation special fund to be used for this
2 purpose.

3 SECTION 2. Section 6E-2, Hawaii Revised Statutes, is
4 amended by adding two new definitions to be appropriately
5 inserted and to read as follows:

6 "Comptroller" means the comptroller of the department of
7 accounting and general services.

8 "Department chairperson" means the chairperson of board of
9 land and natural resources, unless the context otherwise
10 requires."

11 SECTION 3. Section 6E-16, Hawaii Revised Statutes, is
12 amended to read as follows:

13 **"§6E-16 Hawaii historic preservation special fund. (a)**

15 source.

16 (d) The comptroller shall submit a report to the
17 legislature no later than twenty days prior to the convening of
18 each regular session detailing the moneys deposited into and
19 expended from the fund.
