# A BILL FOR AN ACT

RELATING TO ENERGY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1 SECTION 1. Chapter 196, Hawaii Revised Statutes, is  
2 amended by adding a new section to part III to be appropriately  
3 designated and to read as follows:

4 "§196- Project labor standards for large-scale  
5 renewable energy projects; attestation or declaration. (a) A  
6 person who constructs a covered project sited in the State  
7 shall, within thirty days from the date construction begins,  
8 provide a signed attestation or declaration to the department  
9 stating to the best of that person's knowledge and belief, under  
10 penalty of perjury, that during all periods of construction all  
11 contractors and subcontractors working on the covered project  
12 will:

13 (1) Use apprentices who are enrolled in or have graduated  
14 from an apprenticeship program pursuant to chapter  
15 372;

16 (2) Have policies in place that are designed to limit or  
17 prevent workplace harassment and discrimination and

- 1           that promote workplace diversity, equity, and
- 2           inclusion;
- 3       (3) Be licensed, be in good standing to perform the work,
- 4           and remain eligible to receive a contract or
- 5           subcontract for public works under chapter 104;
- 6       (4) Demonstrate a history of compliance in the previous
- 7           seven years or, for new businesses, provide available
- 8           history, with the rules and other requirements of
- 9           state agencies with oversight regarding workers'
- 10          compensation, building codes, and occupational safety
- 11          and health;
- 12       (5) Demonstrate a history of compliance in the previous
- 13          seven years or, for new businesses, provide available
- 14          history, with federal and state wage and hour laws;
- 15       (6) Provide quarterly reporting and recordkeeping to the
- 16          covered project's owner or applicable electric utility
- 17          and respond to records requests and verification;
- 18       (7) Comply with chapter 104; and
- 19       (8) Offer health care and retirement benefits to the
- 20          employees performing the labor on the covered project.

1       (b) In addition to the requirements described in  
2 subsection (a), the attestation or declaration shall include the  
3 following information:

4       (1) The megawatt capacity and physical footprint in acres  
5       of the project;

6       (2) The geographic location of the project;

7       (3) The estimated workforce requirements of the project;

8       (4) A collated list of good faith effort documentation  
9       regarding use of apprentices; and

10       (5) A description of any policies in place for ensuring  
11       the person meets the requirements in this section.

12       (c) A person constructing a covered project shall notify  
13 the purchaser of the project or the purchaser of the energy from  
14 the project of the existence of the signed attestation or  
15 declaration required pursuant to subsection (a).

16       (d) The department shall retain the attestation or  
17 declaration required under this section in a manner consistent  
18 with the department's record retention rules.

19       (e) The attestation or declaration provided to the  
20 department pursuant to this section shall be subject to public  
21 records disclosure pursuant to chapter 92F, and the department

1 shall provide a copy of the attestation or declaration upon  
2 request.

3 (f) An attestation or declaration filed under this section  
4 shall be for reporting purposes only, and the department shall  
5 not use an attestation or declaration to investigate, regulate,  
6 or enforce matters addressed in the attestation or declaration.

7 (g) Nothing in this section shall prohibit the inclusion  
8 of labor standards in addition to those required by subsection  
9 (a) in contracts that are subject to this section.

10 (h) As used in this section:

11 "Apprentice" has the same meaning as in section 372-2.

12 "Construction" includes on-site construction and  
13 fabrication, excludes post-construction equipment testing or  
14 inspection, and shall be effective thirty days after project  
15 completion.

16 "Contractor" means any person furnishing construction under  
17 a contract with any person, governmental contracting agency,  
18 general contractor, subcontractor, individual, partnership,  
19 firm, corporation, joint venture, or other legal entity, acting  
20 directly or through an agent, employee, consultant, corporate  
21 officer, or corporate director.

1        "Covered project" means a facility for renewable energy  
2 generation, renewable energy storage, or carbon sequestration  
3 with a capacity rating of one megawatt or greater.

4        "Department" means the department of business, economic  
5 development, and tourism.

6        "Renewable energy" has the same meaning as in section 269-  
7 91."

8        SECTION 2. New statutory material is underscored.

9        SECTION 3. This Act shall take effect on July 1, 3000.

**Report Title:**

Renewable Energy Projects; Labor Standards

**Description:**

Requires an attestation or declaration regarding project labor standards including adherence to state-approved apprenticeship programs and prevailing wage requirements, for covered projects. Effective 7/1/3000. (HD1)
