A BILL FOR AN ACT

RELATING TO TEACHER LOANS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that providing a high-
2 quality education to Hawaii's students allows future generations
3 to succeed. However, the high cost of living in the State is a
4 significant concern that contributes to the State's chronic
5 teacher shortage. Teachers often incur higher expenses to
6 purchase essential and additional classroom supplies, often with
7 personal funds, to support their students. Additionally, as
8 Hawaii's teachers are among the lowest paid in the United States
9 when considering the cost of living, the department of education
10 experiences persistent difficulties with teacher recruitment and
11 retention.

12 The legislature further finds that recruiting teachers to
13 fill vital positions in Hawaii's schools is extremely difficult.
14 Due to the high cost of living in the State, acquiring housing
15 can be a significant obstacle to accepting a position as a
16 teacher. Additionally, the payroll lag that new state employees
17 experience exasperates the difficulty in finding teachers to

1 fill these essential positions. A program that incentivizes
2 teachers to move to areas having hard-to-fill positions will
3 give the students at Hawaii's public schools a better
4 educational experience.

5 Accordingly, the purpose of this Act is to provide loans
6 for teachers who relocate to Hawaii, or to an area in Hawaii
7 having hard-to-fill teaching positions, and to forgive these
8 loans if the teacher becomes a licensed teacher in Hawaii or if
9 the teacher commits to teach for seven years at a Hawaii public
10 school or public charter school.

11 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
12 amended by adding a two new sections to be appropriately
13 designated and to read as follows:

14 "§302A- Teacher loans; forgiveness. (a) There is
15 established the teacher loan program to be administered by the
16 department, in partnership with a financial institution whose
17 operations are principally conducted in Hawaii, to provide
18 financial support to teachers who become a licensed teacher in
19 Hawaii or to teachers who commit to teach as a full-time teacher
20 for seven years in:

1 (1) The Hawaii public school system in a hard-to-fill
2 position including special education, regular
3 education shortage categories, or Title 1 schools, and
4 in one of the following capacities:

5 (A) As an elementary school teacher teaching in the
6 field of elementary education who has met
7 standards as set forth by the Hawaii teacher
8 standards board; or

9 (B) As a secondary school teacher who has met
10 standards as set forth by the Hawaii teacher
11 standards board; or

12 (2) At a school located in a rural area in the State, as
13 determined by the superintendent.

14 (b) Eligibility shall be determined by the department with
15 priority for teachers who:

16 (1) Relocate to Hawaii to teach; or

17 (2) Accept a position at a school in a different complex
18 area in Hawaii.

19 (c) Amounts to be loaned to each borrower shall be
20 determined by the board and shall not exceed \$5,000 per
21 borrower.

1 (d) Liability for repayment of a loan shall be canceled
2 upon the death or permanent total disability of the borrower.

3 (e) Upon a showing of proof that the borrower became a
4 licensed teacher in Hawaii or has committed to teach in the
5 Hawaii public school system pursuant to subsection (a)(1) or (2)
6 for seven years, the loan shall be forgiven.

7 (f) If a borrower fails to become a licensed teacher in
8 Hawaii or commit to teach in the Hawaii public school system for
9 seven years, then the borrower shall repay the loan at terms
10 determined by the board; provided that the terms shall be
11 disclosed before the loan is made, the interest rate shall not
12 exceed _____ per cent, and the repayment term shall not
13 exceed _____ years.

14 (g) In accordance with chapter 103D, the department may
15 enter into written contracts with collection agencies for the
16 purpose of collecting delinquent loans. All payments collected,
17 exclusive of a collection agency's commissions, shall revert,
18 and be credited, to the teacher loan program revolving fund. A
19 collection agency that enters into a written contract with the
20 department for the collection of delinquent loans pursuant to
21 this section may collect a commission from the debtor in

1 accordance with the terms of, and up to the amounts authorized
2 in, the written contract.

3 §302A- Teacher loan program revolving fund. There is
4 established the teacher loan program revolving fund, for the
5 purpose of providing loans pursuant to section 302A- .
6 Appropriations made by the legislature, private contributions,
7 repayment of loans, including interest and payments received on
8 account of principal, and moneys from other sources shall be
9 deposited into the revolving fund and shall be expended by the
10 department. An amount from the revolving fund not exceeding
11 five per cent of the total amount of outstanding loans may be
12 used by the department for administrative expenses incurred in
13 administering the revolving fund."

14 SECTION 3. There is appropriated out of the general
15 revenues of the State of Hawaii the sum of \$ or so
16 much thereof as may be necessary for fiscal year 2024-2025 for
17 deposit into the teacher loan program revolving fund.

18 SECTION 4. There is appropriated out of the teacher loan
19 program revolving fund the sum of \$ or so much thereof
20 as may be necessary for fiscal year 2024-2025 for the teacher
21 loan program.

1 The sum appropriated shall be expended by the department of
2 education for the purposes of this Act.

3 SECTION 5. In accordance with section 9 of article VII of
4 the Hawaii State Constitution and sections 37-91 and 37-93,
5 Hawaii Revised Statutes, the legislature has determined that the
6 appropriations contained in H.B. No. , will cause the state
7 general fund expenditure ceiling for fiscal year 2024-2025 to be
8 exceeded by \$ or per cent. In addition, the
9 appropriation contained in this Act will cause the general fund
10 expenditure ceiling for fiscal year 2024-2025 to be further
11 exceeded by \$ or per cent. The combined total
12 amount of general fund appropriations contained in only these
13 two Acts will cause the state general fund expenditure ceiling
14 for fiscal year 2024-2025 to be exceeded by
15 \$ or per cent. The reasons for exceeding the
16 general fund expenditure ceiling are that:

- 17 (1) The appropriation made in this Act is necessary to
18 serve the public interest; and
19 (2) The appropriation made in this Act meets the needs
20 addressed by this Act.

21 SECTION 6. New statutory material is underscored.

S.B. NO. 3232

1 SECTION 7. This Act shall take effect on July 1, 2024.
