SENATE RESOLUTION

REQUESTING STATE AND COUNTY AGENCIES TO NOTIFY ANIMAL WELFARE ORGANIZATIONS OF DECEASED CATS AND DOGS THAT ARE PICKED UP ALONG STATE AND COUNTY ROADWAYS.

1 WHEREAS, pet cats and dogs are an integral part of many
2 people's lives and it has been reported that approximately sixty
3 percent of the State's households have at least one cat or dog;
4 and

5
6 WHEREAS, the loss of a pet animal can be a sad experience
7 for the pet's owner and other people who cared for the pet; and

8
9 WHEREAS, not knowing how a pet died or if a lost pet is
10 still alive can be traumatic; and

11
12 WHEREAS, providing closure for pet owners and other people
13 who cared for the pet is of deep importance; and

14
15 WHEREAS, animals, including pet dogs and cats, are often
16 killed on state or county roadways and are picked up by the
17 appropriate state or county agency, such as the refuse division
18 or road maintenance, for disposal; and

19
20 WHEREAS, state and county agencies do not routinely scan
21 deceased animals for an identifying microchip or take other
22 steps to ascertain the animals' owners, such as inspecting a tag
23 worn on the animal's collar for a contact phone number or
24 address; and

25
26 WHEREAS, since January 1, 2022, dog and cat owners have
27 been required to have a microchip implanted in their pet dog or
28 cat, and to register the microchip number and the owner's
29 contact information with a microchip registration company,
30 pursuant to Act 5, Session Laws of Hawaii, Special Session of
31 2021; and

32
33 WHEREAS, durable microchip scanners cost approximately \$350
34 and are readily available; and

1 WHEREAS, nonprofit and volunteer agencies that support pets
 2 have microchip scanners and are familiar with the process of
 3 looking up pet owners and their contact information, which is
 4 one of the main ways that lost pets, turned into pet shelters,
 5 are reunited with their owners; and

6
 7 WHEREAS, there are active social media groups connecting
 8 lost pets with owners across the State; now, therefore,

9
 10 BE IT RESOLVED by the Senate of the Thirty-second
 11 Legislature of the State of Hawaii, Regular Session of 2024,
 12 that state and county agencies responsible for removing deceased
 13 dogs and cats from public roadways are requested to check for,
 14 scan, and record the microchip of the deceased dog or cat, along
 15 with the location found, descriptive information about the pet,
 16 and any contact phone number, name, or address shown on the
 17 animal's tag or collar; and

18
 19 BE IT FURTHER RESOLVED that these state and county agencies
 20 are requested to timely notify county animal services or animal
 21 service contractors of the deceased dog or cat, including the
 22 microchip number, if any, location found, descriptive
 23 information about the pet, and any contact phone number, name or
 24 address shown on the pet's tag or collar, and allow those
 25 entities to use their staff or volunteers to follow up with the
 26 registered pet owners; and

27
 28 BE IT FURTHER RESOLVED that certified copies of this
 29 Resolution be transmitted to the Chairperson of the Board of
 30 Agriculture, Deputy Director of the Department of Transportation
 31 Highways Division, the Mayor of each county, President of the
 32 Hawaiian Humane Society, Executive Director of the Kauai Humane
 33 Society, and Chief Executive Officer of the Maui Humane Society.
