

Key Personnel

Miles T. Kamimura (B) CPM, CSM, RPA
President

Profile

After working for two major real estate firms involved with real estate in Hawaii for 27 years, Miles Kamimura founded Pacific Property Group, Inc. in April 2007 with a vision of building a commercial real estate company that provides a high level of personalized service to a niche of clients who value this approach. The company provides property management as it's core competency and also offers leasing, sales, and consulting services in the area of commercial real estate, which includes office, retail, and industrial properties. Miles is also responsible for the overall delivery of service to the clients and oversees all company activity.

Prior to forming Pacific Property Group, Inc., Miles was President of Colliers Monroe Friedlander Management, Inc. where he was responsible for the overall operation of the company which employed approximately 100 employees and which had a managed properties portfolio of over 5 million square feet. His experience includes working with a wide range of clients from large investment firms to local investors. Some examples of these clients were: LaSalle Investment Management, Morgan Stanley, A&B Properties, Central Pacific Bank, Hawaii Medical Service Association, Plumbers Union Local 675, CUSO of Hawaii, and many more. Property types included office towers, shopping centers, industrial buildings, walk-up office buildings, strip retail, and single user properties.

Miles has also been active in the local BOMA (Building Owners and Managers Association) serving as President of the Hawaii association in 1999 and 2000.
