

STAND. COM. REP. NO.

227

Honolulu, Hawaii

FEB 06 , 2025

RE: H.B. No. 1307
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Energy & Environmental Protection, to which
was referred H.B. No. 1307 entitled:

"A BILL FOR AN ACT RELATING TO THE DEPARTMENT OF HAWAIIAN
HOME LANDS,"

begs leave to report as follows:

The purpose of this measure is to provide follow-up funding
for the next steps in the investigation, exploration, and
identification of geothermal resources on Hawaiian home lands.

Your Committee received testimony in support of this measure
from the Department of Hawaiian Home Lands; Hawaiian Electric;
Sustainable Energy Hawai'i; Ulupono Initiative; and three
individuals. Your Committee received testimony in opposition to
this measure from two individuals.

Your Committee finds that geothermal resources can provide a
stable alternative to biofuels. Your Committee further finds that
the Department of Hawaiian Home Lands has been provided funding
for the investigation, exploration, and identification of
geothermal resources on Hawaiian home lands. However, the
Department of Hawaiian Home Lands requires additional funding for
water well development at certain sites for further exploration of
geothermal resources. This measure appropriates follow-up funding
for this purpose.

2025-1382 HB1307 HD1 HSCR HMSO

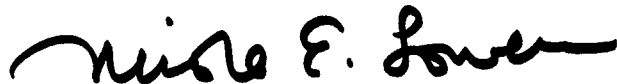

Your Committee has amended this measure by:

- (1) Changing the appropriation to an unspecified amount; and
- (2) Changing the effective date to July 1, 3000, to encourage further discussion.

Your Committee respectfully requests your Committee on Finance, should it deliberate on this measure, to consider an appropriation amount of \$20,000,000.

As affirmed by the record of votes of the members of your Committee on Energy & Environmental Protection that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1307, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1307, H.D. 1, and be referred to your Committee on Judiciary & Hawaiian Affairs.

Respectfully submitted on
behalf of the members of the
Committee on Energy &
Environmental Protection,

NICOLE E. LOWEN, Chair
