2025-1204 HB457 HD1 HSCR HMSO

Your Committee received comments on this measure from one individual.

Your Committee finds that it is essential to ensure that all residents, regardless of immigration status, are provided appropriate due process and civil rights protections. This measure addresses this need by requiring state and local law enforcement agencies to notify an individual of their rights when in the agency's custody before any interview with Immigration and Customs Enforcement on matters regarding immigration violations.

Your Committee has amended this measure by:

- (1) Requiring accommodations to be made for law enforcement agencies to provide written consent forms to individuals who speak languages for which the Office of Language Access cannot provide translations;
- (2) Adding a provision to exclude the public disclosure of demographic information that is reasonably likely to identify an individual to whom Immigration and Customs Enforcement has been provided access; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Economic Development & Technology that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 457, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 457, H.D. 1, and be referred to your Committee on Judiciary & Hawaiian Affairs.

Respectfully submitted on
behalf of the members of the
Committee on Economic
Development & Technology,

GREGOR ILAGAN, Chair
