RE: H.B. No. 707
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committees on Higher Education and Education, to which
was referred H.B. No. 707 entitled:

"A BILL FOR AN ACT RELATING TO THE COLLEGE SAVINGS PROGRAM,"

beg leave to report as follows:

The purpose of this measure is to:

- (1) Establish a state income tax deduction for contributions
made to Hawaii 529 accounts through the College Savings
Program; and
- (2) Opt into the amendments of the Internal Revenue Code
that authorize 529 benefits to be used for K-12
educational expenses as authorized by federal law.

Your Committees received testimony in support of this measure
from the Hawai'i State Council on Developmental Disabilities and
seven individuals. Your Committees received comments on this
measure from the Department of Taxation; Department of Budget and
Finance; and Tax Foundation of Hawaii.

Your Committees find that the HI529 Hawaii's College Savings
Program assists and encourages families in Hawaii to save and
invest funds for future higher education expenses. Your
Committees further find that the investment income earned under

2025-1753 HB707 HD1 HSCR HMSO

the Program is exempt from federal and state taxes; provided that the funds are used for qualified higher education expenses.

Your Committees note that the federal Tax Cuts and Jobs Act of 2017 expanded 529 plan benefits to include K-12 educational expenses. This measure will conform state law to these specific changes made to the Internal Revenue Code and strengthen Hawaii's 529 college savings program.

Your Committees note that establishing a state income tax deduction for accounts under the Hawaii Achieving A Better Life Experience Savings Program, which provides for individual savings accounts for individuals with a disability and their families to save private funds to support the individuals, will also promote greater financial security and educational opportunities within the disability community.

Your Committees have accordingly amended this measure by:

- (1) Including accounts through the Hawaii Achieving a Better Life Experience Savings Program under the state income tax deduction established by this measure;
- (2) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the records of votes of the members of your Committees on Higher Education and Education that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 707, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 707, H.D. 1, and be referred to your Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committees on Higher Education
and Education,

JUSTIN H. WOODSON, Chair

ANDREW TAKUYA GARRETT, Chair

State of Hawaii
House of Representatives
