RE: S.B. No. 1081
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Sir:

Your Committee on Government Operations, to which was
referred S.B. No. 1081 entitled:

"A BILL FOR AN ACT RELATING TO LEGISLATIVE BUDGET OFFICE,"

begs leave to report as follows:

The purpose and intent of this measure is to:

- (1) Establish the Legislative Budget Office to report on the
fiscal impact of legislation;
- (2) Repeal the existing non-functional Joint Legislative
Budget Committee and Office of the Legislative Analyst;
and
- (3) Appropriate funds for the establishment and
implementation of the Legislative Budget Office.

Your Committee received testimony in support of this measure
from the Grassroot Institute of Hawaii, Hawai'i Children's Action
Network Speaks!, League of Women Voters of Hawaii, Maui Chamber of
Commerce, Public First Law Center, and two individuals.

Your Committee finds that a majority of laws have a fiscal
impact. Therefore, it is critical that policymakers comprehend
the potential fiscal impact of a measure before its passing, in
order to fully evaluate its merits and make an informed decision.

However, the State currently lacks a functional body to perform these assessments. While the Joint Legislative Budget Committee and the Office of the Legislative Analyst were established in 1990, your Committee finds that neither were properly funded, and are currently not functional. This measure will repeal the nonfunctional offices and establishing a new Legislative Budget Office to provide fiscal analyses of measures during the Legislative session.

Your Committee acknowledges that the cost of establishing a Legislative Budget Office has varied widely in other states, and that estimates to fully fund an office with the proposed scope of duties outlined in this measure are as high as \$1,000,000, for office space, equipment, staff, and benefits. Therefore, your Committee finds that a feasibility study is first needed to determine the proper funding amount.

Accordingly, your Committee has amended this measure by:

- (1) Deleting language that would have established the Legislative Budget Office and appropriated funds therefor;
- (2) Inserting language requiring the Department of Budget and Finance to conduct a feasibility study that includes the costs associated with the establishment and implementation of a Legislative Budget Office and report its findings to the Legislature;
- (3) Appropriating an unspecified amount of funds for the feasibility study;
- (4) Inserting an effective date of July 1, 2491, to encourage further discussion;
- (5) Amending section 1 to reflect its amended purpose; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committee notes that this measure, as amended, contains an unspecified appropriation amount. Should your Committee on Ways and Means choose to deliberate on this measure, your

Committee respectfully requests that it consider inserting an appropriation amount of \$50,000 for the feasibility study, given its expected size and scope.

As affirmed by the record of votes of the members of your Committee on Government Operations that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 1081, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 1081, S.D. 1, and be referred to your Committees on Ways and Means and Judiciary.

Respectfully submitted on
behalf of the members of the
Committee on Government
Operations,

ANGUS L.K. MCKELVEY, Chair

The Senate
Thirty-Third Legislature
State of Hawai'i
