

STAND. COM. REP. NO.

1754

Honolulu, Hawaii

APR 02 , 2025

RE: S.B. No. 1095
S.D. 1
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Judiciary & Hawaiian Affairs, to which was referred S.B. No. 1095, S.D. 1, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO LICENSE PLATES,"

begs leave to report as follows:

The purpose of this measure is to increase the decal size restrictions for special number plates.

Your Committee received comments on this measure from the Department of Transportation.

Your Committee finds that although special number plates with full-plate designs have been used to raise revenue for certain causes, these special number plates create administrative burdens and challenges with the procurement process for the county agencies responsible for issuing new plates. Your Committee further finds that under existing law, private organizations can apply for and have license plate designs based on decals of a certain size that can be added to standard license plates. This alternative approach allows these organizations to raise revenue for their causes without increasing the administrative burden on the counties. Therefore, your Committee believes that enlarging the existing decal size restrictions will reduce the burden on

organizations attempting to personalize special number plates for their causes.

As affirmed by the record of votes of the members of your Committee on Judiciary & Hawaiian Affairs that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 1095, S.D. 1, H.D. 1, and recommends that it pass Third Reading.

Respectfully submitted on
behalf of the members of the
Committee on Judiciary &
Hawaiian Affairs,

A handwritten signature in black ink, appearing to read "David Tarnas", written in a cursive style.

DAVID A. TARNAS, Chair
