

STAND. COM. REP. NO. 1288

Honolulu, Hawaii  
, 2025

**MAR 18**

RE: S.B. No. 1341

Honorable Nadine K. Nakamura  
Speaker, House of Representatives  
Thirty-Third State Legislature  
Regular Session of 2025  
State of Hawaii

Madame:

Your Committee on Energy & Environmental Protection, to which  
was referred S.B. No. 1341 entitled:

"A BILL FOR AN ACT RELATING TO ENERGY INDUSTRY INFORMATION  
REPORTING,"

begs leave to report as follows:

The purpose of this measure is to:

- (1) Add the promotion of critical infrastructure protection  
and emergency management, response, and recovery to the  
relevant purposes of the Energy Data Collection Program;  
and
- (2) Authorize the Hawaii Emergency Management Agency and  
Office of Homeland Security to examine the energy  
information statements submitted pursuant to the Energy  
Industry Information Reporting Act.

Your Committee received testimony in support of this measure  
from the Department of Business, Economic Development, and  
Tourism; Department of Law Enforcement; and Hawaii State Energy  
Office.

Your Committee finds that the State must safeguard its  
critical infrastructure and ensure that in times of crisis, all  
relevant departments are equipped with the information needed to

anticipate risks, coordinate emergency response efforts, and ensure continuity of essential services. This measure adds the promotion of critical infrastructure protection and emergency response and recovery to the purposes of the Energy Data Collection Program and authorizes the Hawaii Emergency Management Agency and Office of Homeland Security to examine energy information statements, thereby strengthening the State's ability to safeguard its energy infrastructure and the resilience and responsiveness of the State's energy supply.

As affirmed by the record of votes of the members of your Committee on Energy & Environmental Protection that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 1341 and recommends that it pass Second Reading and be referred to your Committee on Judiciary & Hawaiian Affairs.

Respectfully submitted on  
behalf of the members of the  
Committee on Energy &  
Environmental Protection,

---

NICOLE E. LOWEN, Chair
