

STAND. COM. REP. NO.

2017

Honolulu, Hawaii

APR 14 , 2025

RE: S.C.R. No. 120
S.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Health, to which was referred S.C.R. No. 120, S.D. 1, entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE AUDITOR TO ASSESS THE SOCIAL AND FINANCIAL EFFECTS OF PROPOSED MANDATORY HEALTH INSURANCE COVERAGE FOR CONTINUOUS GLUCOSE MONITORS,"

begs leave to report as follows:

The purpose of this measure is to request the Auditor to assess the social and financial effects of proposed mandatory health insurance coverage for continuous glucose monitors.

Your Committee received testimony in support of this measure from the Hilo Benioff Medical Center Foundation and Hawaii Medical Association.

Your Committee finds that although continuous glucose monitors provide real-time data and trends on blood glucose levels that surpass the limited information available through traditional blood glucose meters, these devices are not covered by all health insurers. Your Committee further finds that House Bill No. 820, Regular Session of 2025 (HB820), proposes requiring all health insurers in the State, including Medicaid managed care plans, to cover continuous glucose monitors, which would be considered a new mandated health insurance benefit.

2025-3234 SCR120 SD1 HSCR HMSO

2077

Your Committee further finds that, pursuant to sections 23-51 and 23-52, Hawaii Revised Statutes, the social and financial impact of a proposed mandated health insurance benefit must be assessed by the Auditor before it can be enacted into law. This measure therefore requests the Auditor to conduct statutorily required impact assessment report on the social and financial effects of the new mandated health insurance benefit proposed by HB820.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 120, S.D. 1, and recommends that it be referred to your Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committee on Health,
