begs leave to report as follows:

The purpose of this measure is to request the Department of Corrections and Rehabilitation to comprehensively reevaluate its policies regarding in-person contact visitation at correctional facilities throughout the state to best support incarcerated persons in staying connected with loved ones who can help them on their journey of rehabilitation.

The Department of Corrections and Rehabilitation supports the intent of the resolution and provided testimony. The Hawai'i 'Ohana Support Network, Blueprint for Change, and Keiki O Ka' Aina Family Learning Center submitted testimony in strong support. Twelve individuals provided testimony in support.

Your committee finds that maintaining strong familial and community connections is a vital component of rehabilitation and successful reentry for incarcerated persons. Your committee also

As affirmed by the record of votes of the members of your Committee on Public Safety that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 20 and recommends its adoption.

Respectfully submitted on
