Re: G.M. 534, Confirmation to the Board of Dentistry, Gubernatorial Nominee, Steven Pine

Dear Chair Keohokalole, Vice Chair Fukunaga, and members of the committee:

Thank you for the opportunity to provide testimony to G.M. No. 534. I am testifying in strong support for Dr. Steve Pine to serve on the Hawaii Board of Dentistry.

Currently, Dr. Pine is the Dental Director at the Hawaii Island Community Health Center (Federally Qualified Health Center), where he oversees a comprehensive dental program with multiple clinics throughout the island of Hawaii. His experience in both private practice and a community dental center, coupled with his strong administrative abilities, prepares him well to manage and address the organizational and policy aspects of dentistry. Under his leadership, the health center has significantly improved access and the quality of dental care for the community.

I have had the privilege of working closely with Dr. Pine on the Virtual Dental Home (Tele-dentistry) Pilot Project and the Hawaii Oral Health Coalition's Leadership Committee. Through these collaborations, I have witnessed his strong analytical skills and capacity to understand/address complex issues. His problem-solving acumen and collaborative nature enable him to work effectively with diverse groups to achieve common goals.

Dr. Pine's commitment to public health is evident in his proactive approach to addressing oral health disparities and access to dental care issues on the island of Hawaii. His experience as both a private and public health dentist brings a vital perspective to the Board.

Based on my experience working with Dr. Pine, I am confident that he possesses the clinical experience and analytical aptitude required to excel as a member of the Hawaii Board of Dentistry. His capacity to collaborate effectively with other Board members and his dedication to upholding dental care standards will undoubtedly benefit both the Board and the State of Hawaii.

As a current member of the Hawaii Board of Dentistry, it would be an honor to serve alongside Dr. Pine. Thank you for your consideration.

Best regards,

RE: **GM534 Consideration and confirmation to the Board of Dentistry, Gubernatorial Nominee, STEVEN PINE, for a term to expire 06-30-2028.**

AlohaCare appreciates the opportunity to provide testimony in **support of the confirmation of Dr. Steven Pine to the Hawai'i Board of Dentistry.**

Founded in 1994 by Hawai'i's community health centers, AlohaCare is a community-rooted, non-profit health plan serving over 70,000 Medicaid and dual-eligible health plan members on all islands. Approximately 37 percent of our members are keiki. We are Hawai'i's only health plan exclusively dedicated to serving Medicaid and Medicaid-Medicare dually-eligible beneficiaries. Our mission is to serve individuals and communities in the true spirit of aloha by ensuring and advocating for access to quality, whole-person care for all.

AlohaCare values its partnership with Community Health Centers to improve access to quality care for Hawai'i's safety-net populations. Dr. Pine, Chief Dental Officer at Hawai'i Island Community Health Center, has been serving the Big Island community since 2011. He actively works to improve oral healthcare in Hawai'i through various initiatives. AlohaCare collaborates with Dr. Pine on the Hawai'i Oral Health Coalition (HOHC), where he co-chairs the Policy/Advocacy Committee with Paula Arcena. In 2022, the Legislature voted to restore Medicaid adult dental benefits after years of advocacy efforts by HOHC and partners. Dr. Pine continues to advocate for improved access to care. With his commitment to serving the community and his professional expertise and experience, we are confident that Dr. Pine will work to continue to advance the health and well-being of Hawai'i residents. For these reasons and more, we think Dr. Pine is undoubtedly qualified to serve on the Board of Dentistry.

Mahalo for this opportunity to testify in **support of the confirmation of Dr. Steven Pine to the Hawai'i Board of Dentistry.**

Re: GM534, Submitting for consideration and confirmation to the Board of Dentistry, Gubernatorial Nominee, STEVEN PINE, for a term to expire 06-30-2028.

Aloha Chair Keohokalole, Vice Chair Fukunaga, and members of the committee,

The Hawaii Dental Association is in support of GM534, which submits for consideration and confirmation to the Board of Dentistry, Dr. Steven Pine, for a term to expire on June 30, 2028.

The Hawaii Board of Dentistry plays a critical role in regulating the practice of dentistry in the state, ensuring that professionals meet established standards and provide safe, high-quality care. To fulfill this mission effectively, the Board must include members with both clinical expertise and experience addressing industry-wide dental issues in Hawaii.

Dr. Pine has been practicing dentistry in Hawaii since 2010, serving at both the West Hawaii Community Health Center and the Hawaii Island Community Health Center. As the Advocacy Co-Chair for the Hawaii Oral Health Coalition, he has also demonstrated a vested interest in improving both the quality of the dental industry and oral health in general. Because of this experience both in clinical practice and policy advocacy, we respectfully request that you support his appointment to the Board of Dentistry.

HDA is a statewide membership organization representing dentists practicing in Hawaii and licensed by the State of Hawaii's Board of Dentistry. HDA members are committed to protecting the oral health and well-being of the people of Hawaii, from keiki to kupuna and everyone in between.

Mahalo for the opportunity to testify.
