Testimony in Strong Support
HB 1036, HD1 Relating to Appropriations for
Public Employment Cost Items.

Provides appropriations for collective bargaining cost items for the members of Unit (10) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2025-2027.

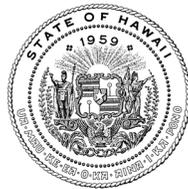

Edward N. Chu
President and Chief Executive Officer
Hawaii Health Systems Corporation

Hawaii Health Systems Corporation ("HHSC") **strongly supports** HB 1036, HD1.

HHSC is bound by the public sector union collective bargaining pay increases that are negotiated by the State of Hawaii and arbitration awards. This is because HHSC only has one vote as a jurisdiction while the State of Hawai'i administration holds the majority of the votes. Given that salaries and benefits expenses comprise approximately 80% of HHSC's total operating expenses, collective bargaining pay raises represent a significant cost burden that HHSC's facilities simply cannot absorb. HHSC continues its focused efforts to grow revenue in the face of staffing shortages and increased operational costs. Additionally, reduced Medicare reimbursements (the primary source of federal funding accounting for about 43% of HHSC's gross revenues) and the end of Coronavirus funding affecting fiscal years 2024-2027 and going forward further contribute to the need for general funds to enable HHSC to provide critical high quality services to the rural communities it serves.

Accordingly, HHSC needs a **general fund appropriation** to pay for the proposed raises.

Thank you for the opportunity to testify on this important measure.

Re: Testimony on HB1036, HD1 – RELATING TO PUBLIC EMPLOYMENT COST ITEMS.

Chair Yamashita, Vice Chair Takenouchi, and Members of the Committee:

The United Public Workers, AFSCME Local 646, AFL-CIO (“UPW”) is the exclusive bargaining representative for approximately 14,000 public employees, which includes blue collar, non-supervisory employees in Bargaining Unit 1 and institutional, health, and correctional employees in Bargaining Unit 10, in the State of Hawaii and various counties.

UPW **strongly supports** HB1027, HD1, which provides appropriations for collective bargaining cost items for the members of Unit (10) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2025-2027.

While an agreement between the UPW and the Employers has not yet been reached, we appreciate the opportunity to provide testimony in strong support of the legislative vehicle for our Bargaining Unit 10 members.

Mahalo for this opportunity to testify in support of this measure.

Comments:

how about your pay raises are determined by the health and prosperity of your state.

Balanced budget, thriving constituents, no housing and homeless crisis, transportation leader and not in worst traffic, low crime rates, no infrastructure issues, and let's make sure our students are high performers.

Then let's talk raise.

In the private sector, it's normal for a high performers to get a 3% raise. I have never heard of anyone getting a 10+ percent raise.

There seems to be no real ROI (return on investment) with our politicians and local government. If they were supposed to be elected on a merit based system, majority of them wouldn't make the cut. The people of Hawaii are not getting fair representation from them considering how much we're taxed.

And they feel they deserve these raises? It's a no from me.
