RELATING TO VOTER REGISTRATION**

January 28, 2025

Chair Tarnas and members of the House Committee on Judiciary and Hawaiian Affairs, thank you for the opportunity to testify in support of House Bill No. 408. This bill clarifies that the deadline to register to vote has been changed from 30 to 10 days prior to a primary or general election and repeals obsolete language regarding permanent absentee ballots.

In 2021, the deadline for the closing of the voter registration rolls was extended from the 30th day before an election to the 10th day in HRS § 11-24. Act 213, SLH 2021. However, the corresponding provisions in HRS §§ 11-16 and 15D-6(b) making it explicitly clear that the deadline for voter registration applications submitted by mail was likewise moved to the 10th day were not amended. This bill seeks to clarify that the voter registration deadline by mail is the 10th day prior to an election.

Thank you for the opportunity to testify in support of House Bill No. 408.

Chair Tarnas and Committee Members:

Thank you for the opportunity to submit testimony in support of House Bill No. 408. This Bill extends the deadline to register to vote by mail from 30 to 10 days prior to a primary or general election and repeals obsolete language regarding permanent absentee ballots.

House Bill No. 408 will reduce the uncertainty and confusion for individuals wishing to register to vote by establishing a uniform deadline for submitting paper registration applications and for registering electronically via the online voter registration system.

The Bill will also repeal outdated language concerning permanent absentee ballots which no longer applies due to the adoption of vote by mail.

Thank you for this opportunity to submit testimony in support of House Bill No. 408.

## **House Committee on Judiciary & Hawaiian Affairs**

### **Hawai'i Alliance for Progressive Action (HAPA) Strongly Supports: HB408 Tuesday, January 28, 2025 at 2:00pm; Conference Room 325**

Dear Chair Tarnas, Vice Chair Poepoe, and Members of the Committee,

HAPA strongly supports HB408, which extends the deadline to register to vote by mail from 30 to 10 days prior to a primary or general election and repeals obsolete language regarding permanent absentee ballots.

In the 2024 general election, voters experienced long wait times at voting service centers on the day before Election Day. At Honolulu Hale, lines formed for both ballot drop-off and in-person voting. Neighbor islands also faced challenges with staffing and equipment, leading to warnings about potential long lines during Election Day. This bill would help alleviate some of these last-minute rushes since it gives more people time to register, especially those who decide to vote closer to election day.

Additionally, about 12% of Hawai'i's population has some form of disability, according to the U.S. Census Bureau. HB408 would also address their needs by simplifying the registration process and making the registration forms as accessible as possible. This means that for people who have difficulty registering in person, including individuals who are illiterate, blind, or have other physical disabilities, the bill allows them to register by mail using a simple oath to confirm their information is truthful. Additionally, the bill makes registration forms available in more places. They can be found through community groups, political parties, and when people apply for or renew their driver's licenses.

We urge you to support HB408 to modernize our voter registration system that makes voting more accessible and inclusive.

Thank you for your support and consideration,

RE: **HB408** Extending Mail-In Voter Registration Deadline - **Support**

Dear Chair Tarnas, Vice Chair Poepoe and Members of the Committee,

The Chamber of Sustainable Commerce strongly supports HB408 which would extending the mail-in registration deadline to 10 days prior to an election. We represent over 450 small businesses and entrepreneurs across the state that strive for a triple bottom line: people, planet and prosperity.

As small business owners who believe we can strengthen Hawaii's economy without hurting workers, consumers, communities or the environment, we urge this committee to vote in favor of passing HB408, which simplifies the voter registration process for those who cannot register in person due to illiteracy, blindness or other physical disabilities. Registration forms would also be available online, when getting a driver's license, through political parties and community groups, reducing barriers to registration.

As the number of voting residents continues to decline, we support initiatives to increase access and accessibility to voting.

**RE: SUPPORT for H.B. 408 Relating to RELATING TO VOTER REGISTRATION**

Dear Chair Rep. Tarnas, Vice-Chair Rep. Poe, and Members of the Committee on Judiciary & Hawaiian Affairs:

The Hawaii Workers Center (HWC) envisions a Hawaii in which all workers are empowered to exercise their right to organize for their social, economic and political well-being.

It is a resource of information, education, training and organizing for Hawaii's workers.

The HWC stands in **support of H.B. 408** improves the voter registration process by extending the mail-in registration deadline from 30 days before an election to 10 days.

As a supporter of the "Good Government Reforms" initiative, we believe these measures are important to improve the democratic process and encourage greater civic participation. This is especially important to those who are working multiple jobs and putting food on the table and paying rent is an urgent need that competes with the requirements of voter registration.

We believe H.B. 408 will make it much easier for those wanting to participate in the democratic process and in our democracy.

Sincerely,

Sergio Alcubilla

Aloha Chair Tarnas, Vice Chair Poepoe, and Members of the Committee,

My name is Michele Mitsumori, and I am writing to strongly support HB408, which extends the mail-in voter registration deadline to 10 days before the election.

As a volunteer with the League of Women Voters of Hawai'i County who has participated in voter registrations these past few elections, I have been able to hear some of the concerns people have, including not knowing how to confirm whether their registrations are current or how to register or not knowing if they have the proper documents required to vote. Many of the people I've helped to register have recently re-located to Hawai'i. We also have people who don't yet have an official address, and a number of our population are houseless or otherwise in transition. We also found that most people thought there was only 1 election in November, because there was hardly any coverage of the primaries. Grassroots, in-person conversations are a vital part of voter education and outreach, and being able to have people register right then and there at our table makes a difference. People often take home a registration form for another household member, who may not be mobile.

Our island is huge. The barriers to people finding transportation to get to the 2 voter service centers in Hilo and Kona are many. Extending the mail-in voter registration deadline can not only enable more people to register, but it can also avoid people having the bad experience of their registration being rejected.

This bill is supported by the Office of Elections, the agency responsible for registering voters. We should support their initiatives to increase access and accessibility to voting.

Hello Chair Tarnas, Vice Chair Poepoe, and Members of the Committee,

My name is Nanea Lo, and I am writing in **strong support of HB408**, which seeks to extend the mail-in voter registration deadline to 10 days before the election. By granting more time for eligible voters to register, this measure will help ensure that a greater number of people have the opportunity to participate in the democratic process, which is a cornerstone of our shared values and community well being.

As someone deeply committed to civic engagement and equity, I believe this bill is a step toward improving access to voting, especially for communities that face systemic barriers to timely registration. By reducing these barriers, we are helping to create a more inclusive and representative electoral process.

This measure is supported by the Office of Elections, the agency responsible for overseeing voter registration and ensuring accessible elections. Their endorsement reflects the importance and practicality of this initiative. It is essential that we align with and support their efforts to increase voter participation, as doing so strengthens our democracy.

Aloha, I am writing in favor of HB408 which extends the voter registration deadline from 30 days to 10 days. I do believe it is a good beginning, but would like to see the deadline extended to same-day voting and registration, as many people do vote in person and this would create more opportunities for people to register. My name is Maki Morinoue, and I write in strong support of HB408, which extends the mail-in voter registration deadline from 30 days to 10 days before an election.

What Does HB408 Do?

- Extends the mail-in registration deadline, giving more people time to register.
- Simplifies registration for individuals with disabilities or those unable to register in person.
- Expands access to registration forms through community groups, political parties, and when applying for or renewing a driver's license.

Why Is This Important?

- Gives voters more flexibility and time to register, especially those who decide closer to election day.
- Ensures equitable access for individuals with disabilities or barriers to in-person registration.
- Reduces barriers to registration by making forms widely accessible.

By extending the deadline and simplifying the process, HB408 empowers more residents to participate in our democracy.

Aloha Chair Tarnas, Vice Chair Poepoe, and Committee Members:

I am writing in support of HB 408, which would reduce the limit on the number of days that a person could register by mail from 30 to 10.

With same day voter registration available at voter service centers during early voting and via election day, along with online voter registration, affording prospective voters the option to do so via mail is sensible given that is how most submit their ballots.

Mahalo for the opportunity to provide testimony.

Aloha Chair Tarnas, Vice Chair Poepoe, and Committee Members,

My name is Jennifer Lum, and I'm a strong supporter of HB408. This bill extends the mail-in voter registration deadline to 10 days before Election Day, and I believe it's crucial for our democracy.

Think about it – more time means more people can register to vote! That's how we ensure everyone has a fair shot at participating in our government.

The Office of Elections, the experts on this stuff, support this bill too. We should trust their judgment and do everything we can to make voting easier and more accessible.

Mahalo for considering this important bill!

We should all support measures that improve voter engagement as this bill could. Our democracy is under attack. Please pass this and other measures that could help increase voter attention to the issues of the day and engage them more fully in our politics. Mahalo.

Comments:

PLEASE vote in favor of HB408.

- Extending the mail-in registration deadline allows more people to have ample time to register, especially those who decide to vote closer to election day.
- Simplifying the registration process for individuals with disabilities or those who cannot easily visit registration offices ensures everyone has the opportunity to vote.
- Increasing access to registration forms through various channels, including online and when getting a driver's license, reduces barriers to registration.

Aloha,

My name is Leo Nahe, and I am writing in **STRONG support of HB408**, which extended the mail-in voter registration deadline to 10 days before the election. By allowing more time to register, it will ensure that more people have the opportunity to participate in the democratic process.

This bill is supported by the Office of Elections, the agency responsible for registering voters. We should support their initiatives to increase access and accessibility to voting.

As a voter myself, I know that there were many obstacles in my personal life that made it harder to register on time and I had to go WAY out of my way to get to done in time. If there was more time, this action would not have been nearly as hard!

Na,

Leo Nahe
