Before the
SENATE COMMITTEE ON HOUSING

Thursday, January 30, 2025
1:10 PM – Room 225, Hawaii State Capitol

In consideration of
SB 602
RELATING TO THE HAWAII PUBLIC HOUSING AUTHORITY

Honorable Chair Chang, and members of the Senate Committee on Housing, thank you for this opportunity to provide testimony on Senate Bill (SB) 602, relating to the Hawaii Public Housing Authority.

The Hawaii Public Housing Authority (HPHA) **strongly supports** the passage of SB 602, which includes any parcel owned by the Hawaii Public Housing Authority (HPHA) as areas that may be closed to the public. Specifies required signage.

The HPHA's mission is to provide Hawaii's residents with adequate and affordable housing, economic opportunity, and suitable living environments that are free from discrimination through both its public housing and rental assistance programs. The HPHA serves our state's most disadvantaged populations, including families earning less than thirty percent of the Area Median Income, the disabled, and the elderly.

One of the HPHA's greatest concerns and priorities is the safety and well-being of its tenants and staff. Too often, incidents arise on HPHA property due to the presence of uninvited individuals. Clarifying the conditions under which HPHA properties may be closed to the public will allow prosecution of trespassers pursuant to section 708-914, Hawaii Revised Statutes

(HRS). Clarifying what property is closed to members of the public will assist to deter late night gatherings that disturb the community.

The passage of this bill should provide a positive impact on the public, especially public housing tenants, their household members, and the surrounding community by affording a safer living environment for all.

We appreciate this opportunity to provide the committee with our testimony. Thank you very much for your continued and dedicated support.

Illegal activity in Makalapa community center parking lot must be stopped.

the people renting and living across the street from this parking lot deserve to be able to sleep in their bedroom so that they are able to work the next day

the noise, music , fights , fireworks that go on in the lot till 5-6 in the morning causing the people in the building across the street stress and lack of sleep . Creating anxiety and feeling unsafe
