TESTIMONY OF KALI WATSON, CHAIR
HAWAIIAN HOMES COMMISSION
BEFORE THE SENATE COMMITTEE ON HOUSING AND
THE SENATE COMMITTEE ON HAWAIIAN AFFAIRS
HEARING ON JANUARY 30, 2025 AT 1:00PM IN CR 225

**SB 759, RELATING TO THE HAWAII HOUSING FINANCE AND DEVELOPMENT
CORPORATION**

January 29, 2025

Aloha Chairs Chang and Richards, Vice Chairs Hashimoto and San Buenaventura, and
Members of the Committees:

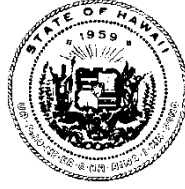

The Department of Hawaiian Home Lands (DHHL) **strongly supports** this bill
which 1) adds the Chairperson of DHHL, or the Chairperson's designee, to the Hawaii
Housing Finance and Development Corporation Board of Directors and 2) amends
quorum requirements for the Hawaii Housing Finance and Development Corporation
Board of Directors.

DHHL is excited about this potential opportunity for collaborative engagement
and direct communication by way of participation as a voting member on the HHFDC's
board of directors. The Chairperson of the HHC has a fiduciary duty to serve what is
currently, approximately 29,000 native Hawaiians on the DHHL applicant waiting list,
approximately 10,000 lessee beneficiaries residing on Hawaiian Home Lands, and a
little over 200,000 acres of Hawaiian Home Lands. As such, inclusion of the HHC
Chairperson/designee would add perspective and potency of substantive ideas,
recommendations, and input in the best interest of the three different classes of
beneficiaries to the Hawaiian Home Lands Trust. This bill was approved by the
Hawaiian Homes Commission.

Thank you for your consideration of our testimony.

Before the

SENATE COMMITTEE ON HOUSING AND SENATE COMMITTEE ON HAWAIIAN AFFAIRS

January 30, 2025 at 1:00 p.m.
State Capitol, Room 225

In consideration of
S.B. 759
RELATING TO THE HAWAII HOUSING FINANCE AND DEVELOPMENT CORPORATION.

Chairs Chang and Richards, Vice Chairs Hashimoto and San Buenaventura, and members of the Committees.

HHFDC has comments on SB 759, which adds the Chairperson of the Department of Hawaiian Home Lands (DHHL), or the Chairperson's designee, to the Hawai'i Housing Finance and Development Corporation (HHFDC) Board of Directors. It also amends quorum requirements for the HHFDC Board of Directors.

HHFDC recognizes that native Hawaiians suffer from longstanding socioeconomic hardships that include housing problems of affordability, overcrowding, and structural inadequacy. HHFDC appreciates its shared mission with DHHL in providing residents with affordable housing. However, as written, this bill could hinder the business of the Board by requiring that six (6) members constitute a quorum instead of the current five (5) members.

We are also concerned that this measure will make HHFDC's Board less community-oriented. Presently, two-thirds (six of the nine members) of the Board are public members and three are ex-officio government members. Adding another government member will dilute the input of the Board's public members and make the Board less

community-oriented, as was originally intended.

If coordination between HHFDC and DHHL activities is the intent of the measure, we suggest that it may be more effective for the DHHL Chairperson to meet regularly with HHFDC's executive director and HHFDC staff.

Thank you for the opportunity to testify on this bill.
