Chairs Elefante, Wakai and Vice Chair Wang,

I am very glad to see that Maui county recognizes the importnace of the need for all of these agencies to have real time disaster related drills involving:community members in all phases of disaster drill preparation, execution, and evaluation which will foster a sense of ownership, responsibility, and empowerment that will lead to more effective and coordinated emergency response. And I am in support of SCR84 and [SR67](#) .

My only comment, concern, and hope is that all counties impliment the same.
