
A BILL FOR AN ACT

RELATING TO CHILD WELFARE SERVICES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the malama ohana
2 working group established by Act 86, Session Laws of Hawaii
3 2023, was tasked with recommending transformative changes to the
4 State's existing child welfare system. For fifteen months, the
5 seventeen working group members, who represented those serving
6 youth, as well as youth and families throughout the State,
7 together with hundreds of community members, opened their hearts
8 and listened deeply to the stories of lived experience in the
9 child welfare system. They worked to develop recommendations to
10 establish a child welfare system that is trauma-informed,
11 sustains a community-based partnership, and responds to the
12 needs of children and families in the system and the community.

13 The legislature further finds that the results of this work
14 was a powerful vision for transforming how Hawaii supports
15 families and protects children. Among the many recommendations
16 to move towards this vision was to strengthen the family court
17 process for child welfare cases. These would include reducing

1 delays in court proceedings, using specialty courts where
2 applicable, and ensuring access to excellent legal
3 representation for relatives of youth in the system as well as
4 for the youth themselves. Some youth reported feeling they were
5 given no information about their case and their family, and that
6 they were left out of the decision making process. They claimed
7 they were disregarded when they reported that they were unsafe,
8 and did not feel their rights were protected.

9 Accordingly, the purpose of this Act is to establish a
10 working group to improve family court processes, including
11 access to legal representation for youth in the child welfare
12 system.

1 (2) Examine practices in other jurisdictions that provide

11 welfare system.

12 (d) The working group shall submit a report of its
13 findings and recommendations, including any proposed
14 legislation, to the legislature no later than twenty days prior

16 shall include plans for a pilot program to test a model for
17 delivering counsel services to youth of a selected age range in
18 a selected jurisdiction within the State.

19 (e) The working group shall cease to exist on June 30,
20 2026.

2 revenues of the State of Hawaii the sum of \$ or so
3 much thereof as may be necessary for fiscal year 2025-2026 for
4 the working group established pursuant to this Act.
