
A BILL FOR AN ACT

RELATING TO HEALTH.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the island of Hawaii
2 needs an additional advanced life support ambulance to augment
3 the Hawaii county emergency medical services system for
4 residents of the North Kona area.

5 The legislature further finds that access to primary health
6 care in North Kona is challenging for the community. For many
7 residents, primary care services are as many as thirty miles
8 away. Coupled with economic and transportation challenges,
9 emergency medical services have become the access point for
10 health care to many residents.

11 The legislature further finds that resources to operate an
12 additional ambulance will help reduce death and disability among
13 residents and visitors on the island of Hawaii. A timely
14 response to a 911 call is critical to increase the likelihood of
15 successful outcomes for injured or sick individuals. Given the
16 island's significant growth and aging population, an additional
17 ambulance is needed and will be cost-effective.

1 The purpose of this Act is to appropriate funds for the
2 operation of an advanced life support ambulance to be based in
3 the Makalei area on the island of Hawaii, including operating
4 costs and personnel costs for state-certified emergency medical
5 service personnel.

6 SECTION 2. There is appropriated out of the general
7 revenues of the State of Hawaii the sum of \$ or so
8 much thereof as may be necessary for fiscal year 2025-2026 and
9 the same sum or so much thereof as may be necessary for fiscal
10 year 2026-2027 for the operation of an advanced life support
11 ambulance for the island of Hawaii, including operating costs
12 and personnel costs for state-certified emergency medical
13 service personnel, to be based in Makalei.

14 The sums appropriated shall be expended by the department
15 of health for the purposes of this Act.

16 SECTION 3. There is appropriated out of the general
17 revenues of the State of Hawaii the sum of \$ or so
18 much thereof as may be necessary for fiscal year 2026-2027 for
19 personnel services and other current expenses.

20 The sum appropriated shall be expended by the Hawaii health
21 systems corporation for the purposes of this Act.

1 SECTION 4. This Act shall take effect on July 1, 2050.

Report Title:

Emergency Medical Services; Advanced Life Support Ambulance;
Department of Health; Hawaii Health Systems Corporation;
Appropriation

Description:

Makes an appropriation for the operation of an additional
ambulance for the island of Hawaii to be based in Makalei.
Effective 7/1/2050. (SD1)
