SERVICE TO RELOCATE THE PEARL CITY POST OFFICE TO THE  
UNITED STATES NAVY PROPERTY ON THE PEARL CITY PENINSULA.

1 WHEREAS, there are safety and traffic congestion concerns  
2 regarding the customer entrance and exit driveway of the Pearl  
3 City Post Office located on the northeast corner of Kamehameha  
4 Highway and Acacia Road; and  
5

6 WHEREAS, when the Pearl City Post Office was built in the  
7 1970s, the road fronting it led to the United States Marine  
8 Corps Manana housing and warehouse area and had very little  
9 traffic towards the Kamehameha Highway intersection on the  
10 United States Navy road; and  
11

12 WHEREAS, the United States Navy eventually turned over the  
13 majority of the Manana federal property to the City and County  
14 of Honolulu on which the city developed Acacia Road and sold  
15 property for business development for the Pearl Highlands area;  
16 and  
17

18 WHEREAS, with recent development of big box stores and two  
19 shopping centers in the area, the Pearl City Post Office parking  
20 lot has become extremely busy; and  
21

22 WHEREAS, the Pearl City Post Office currently employs  
23 seventy-five mail carriers and customer service and maintenance  
24 employees, with a motor pool of seventy-five vehicles and  
25 usually with forty vehicles operating on the road  
26 simultaneously; and  
27

2 that only holds approximately six to ten people at a time for  
3 customers both mailing and picking up packages; and  
4

5 WHEREAS, the Pearl City Post Office has a few hundred post  
6 office boxes for the public accessed outside of the building,  
7 but has no room for expansion for larger cluster postal boxes;  
8 and  
9

10 WHEREAS, there has been a major increase in parcel post  
11 packages due to more residents purchasing items online; and  
12

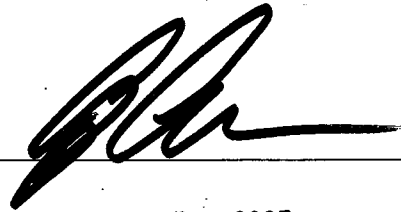

13 WHEREAS, with the expected future transit-oriented  
14 development around the Honolulu rail system station, the area  
15 will experience further increase in residents; and  
16

17 WHEREAS, moving the Pearl City Post Office from its current  
18 location at the intersection of Kamehameha Highway and Acacia  
19 Road to a larger, less-congested area will help mitigate some of  
20 the public safety and traffic issues at that intersection and  
21 alleviate the overcrowding of packages stored at the Post Office  
22 warehouse; now, therefore,  
23
