

RELATING TO PARENTAGE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. The legislature finds that the State's existing  
2     parentage laws need to be updated to include current concepts of  
3     families, parenthood, conception, gestation, and parental  
4     rights. The legislature further finds that the Uniform  
5     Parentage Act of 2017, among other things, ensures the equal  
6     treatment of children born to same-gender couples, adds an  
7     additional status of functional parent as a legal parent, and  
8     includes provisions that reflect developments in surrogacy and  
9     assisted reproductive technology.

10           Accordingly, the purpose of this Act is to adopt portions  
11 of the Uniform Parentage Act of 2017 to update existing law.

12           SECTION 2. The Hawaii Revised Statutes is amended by  
13 adding a new chapter to be appropriately designated and to read  
14 as follows:

16 adjudicates the individual to be a parent.

17 "Probability of parentage" means, for the ethnic or racial  
18 group to which an individual alleged to be a parent belongs, the  
19 probability that a hypothesized genetic relationship is  
20 supported, compared to the probability that a genetic  
21 relationship is supported between the child and a random

2 authorized to sign has signed a record to verify that the  
3 individual personally observed a signatory sign the record.

4 § -103 Uniformity of application and construction. This  
5 chapter shall be applied and construed to effectuate its general  
6 purpose to make uniform the law with respect to the subject of  
7 this chapter among states enacting it.

8 PART II. JURISDICTION

9 § -201 Jurisdiction; venue. (a) Without limiting the  
10 jurisdiction of any other court, the family court shall have  
11 jurisdiction over an action brought under this chapter, chapter  
12 576B, or chapter 583A. The action may be joined with an action  
13 for divorce, annulment, separate maintenance, or support.

14 (b) An individual who has sexual intercourse, undergoes or  
15 consents to assisted reproductive technology, or consents to an  
16 assisted reproductive or surrogacy technology agreement in this  
17 State thereby submits to the jurisdiction of the courts of this  
18 State as to an action brought under this chapter with respect to  
19 a child who may have been conceived by that act of intercourse  
20 or assisted reproductive technology, regardless of where the  
21 child is born. A court of this State with jurisdiction to

1 adjudicate parentage may exercise personal jurisdiction over a  
2 nonresident individual, or a guardian or conservator of the  
3 individual, if the conditions prescribed in section 576B-201 are  
4 satisfied. In addition to any other method provided by statute,  
5 personal jurisdiction over a resident and nonresident individual  
6 may be acquired by personal service within or outside this State  
7 or by service by certified or registered mail, postage prepaid,  
8 with return receipt requested.

9 (c) In addition to any other method of service provided by  
10 statute or court rule, if the respondent is not found within the  
11 circuit, service may be effectuated by certified or registered  
12 mail, with request for a return receipt and direction to deliver  
13 to addressee only. The return receipt signed by the respondent  
14 shall be prima facie evidence that the respondent accepted  
15 delivery of the complaint and summons on the date set forth on  
16 the receipt. For service effectuated by certified or registered  
17 mail, an electronic copy or facsimile of the signature of the  
18 served individual or certified mailers provided by the United  
19 States Postal Service shall constitute valid proof of service on  
20 the individual. Actual receipt by the respondent of the  
21 complaint and summons sent by certified or registered mail shall

1 be the equivalent to personal service on the respondent by an  
2 authorized process server as of the date of the receipt.

3 (d) If it appears that the respondent has refused to  
4 accept service by certified or registered mail or is concealing  
5 the respondent's self or evading service, or the petitioner does  
6 not know the address or residence of the respondent and has not  
7 been able to ascertain the same after reasonable and due inquiry  
8 and search, the court may authorize notice of the parentage  
9 action and the time and date of hearing by publication or by any  
10 other manner that is reasonably calculated to give the party  
11 actual notice of proceedings and an opportunity to be heard,  
12 including the following:

13 (1) When publication is authorized, the summons shall be  
14 published once a week for four consecutive weeks in a  
15 publication of general circulation in the circuit.

16 The publication of general circulation shall be  
17 designated by the court in the order for publication  
18 of the summons. Notice by publication shall have the  
19 same force and effect as the individual having been  
20 personally served with the summons; provided that the  
21 date of the last publication shall be set no less than

1 twenty-one days before the return date stated in the  
2 summons. Proof of service shall be satisfied by an  
3 affidavit or declaration by the authorized  
4 representative for the publication that the notice was  
5 given in the manner prescribed by the court;

6 (2) When posting to an online publication website is  
7 authorized, proof of service shall be satisfied by an  
8 affidavit or declaration by the authorized  
9 representative for the publication that the notice was  
10 given in the manner prescribed by the court;

11 (3) When service by electronic mail or posting to a social  
12 networking account is authorized, proof of service  
13 shall be satisfied by an affidavit or declaration by  
14 the process server that the notice was given in the  
15 manner prescribed by the court; and

16 (4) When service is made by posting to a public bulletin  
17 board, proof of service shall be satisfied by an  
18 affidavit or declaration by the process server that  
19 the notice was given in the manner prescribed by the  
20 court.

21 (e) The action may be brought in the county in which:

1 (1) The child, or any parent, alleged genetic parent,  
2 functional parent, or presumed parent resides or is  
3 found;

4 (2) The child was born;

5 (3) Proceedings for probate of the parent's estate have  
6 been or could be commenced, if a parent is deceased;  
7 or

8 (4) Assisted reproductive technology was performed, or as  
9 specified in an assisted reproduction or surrogacy  
10 agreement, if any.

11 § -202 **Parentage determinations from other states and**  
12 **territories.** Parentage determinations from other states and  
13 territories, whether established through voluntary  
14 acknowledgment or through administrative or judicial processes,  
15 shall be treated the same as a parentage adjudication in this  
16 State. A determination addressing only parentage in another  
17 state shall not preclude a court in this State from addressing  
18 other related issues.

19 § -203 **Who may bring action; when action may be brought;**  
20 **process, warrant, bond.** (a) A child or guardian ad litem of  
21 the child, an individual who is the child's parent under this

1 chapter, an individual whose parentage of the child is to be  
2 adjudicated, a personal representative of a deceased parent of  
3 the child, a personal representative of a deceased individual  
4 who otherwise would be entitled to maintain a proceeding, or the  
5 child support enforcement agency may bring an action for the  
6 purpose of declaring the existence or nonexistence of a  
7 parent-child relationship in accordance with the following:

8 (1) If the child is the subject of an adoption proceeding,  
9 an action may be brought:

10 (A) Within thirty days after the date of the child's  
11 birth in any case when a parent relinquishes the  
12 child for adoption during the thirty-day period;  
13 or

14 (B) Any time before the date of execution by a parent  
15 of a valid consent to the child's adoption, or  
16 before placement of the child with adoptive  
17 parents;

18 (2) If the child has not become the subject of an adoption  
19 proceeding, within three years after the child reaches  
20 the age of majority or any time after that for good  
21 cause; provided that any period of time during which

1 the individual whose parentage is to be adjudicated is  
2 absent from the State or is openly cohabitating with a  
3 parent of the child or is contributing to the support  
4 of the child, shall not be computed;

5 (3) This section shall not extend the time within which a  
6 right of inheritance or a right to a succession may be  
7 asserted beyond the time otherwise provided by law  
8 relating to distribution and closing of decedents'  
9 estates or to the determination of heirship; and

10 (4) A personal representative for purposes of this section  
11 may be appointed by the court upon a filing of an ex  
12 parte motion by one of the parties entitled to file a  
13 parentage action. Probate requirements need not be  
14 met. Appointment of a personal representative in this  
15 section shall be limited to representation in  
16 proceedings under this chapter.

17 (b) When an action is brought under this section, process  
18 shall issue in the form of a summons and an order directed to  
19 the individual whose parentage of the child is to be  
20 adjudicated, requiring each party to appear and to show cause  
21 why the action should not be brought. The court, in its

1 discretion, may waive a hearing on an uncontested parentage  
2 complaint submitted by an individual who gave birth to a child,  
3 an alleged genetic parent of the child, a presumed parent of the  
4 child, or a functional parent of the child with proof provided  
5 by affidavit.

6 If, at any stage of the proceedings, there appears probable  
7 cause to believe that the individual whose parentage of the  
8 child is to be adjudicated will fail to appear in response to  
9 the summons or will flee the jurisdiction of the court, the  
10 court may issue a warrant directed to the sheriff, deputy  
11 sheriff, or any police officer within the circuit, requiring the  
12 individual to be arrested and brought for pretrial proceedings  
13 before the family court. Upon the pretrial proceedings, the  
14 court may require the individual to enter into bond with good  
15 sureties to the State in a sum to be fixed by the court for each  
16 individual's appearance and the trial of the proceeding in the  
17 family court. If the individual whose parentage of the child is  
18 to be adjudicated fails to give the bond required, the court may  
19 immediately commit that individual to the custody of the chief  
20 of police of the county, there to remain until that individual  
21 enters into the required bond or otherwise is discharged by due

1 process of law. If the individual whose parentage of the child  
2 is to be adjudicated fails to appear in any proceeding under  
3 this chapter, any bond for that individual's appearance in any  
4 proceeding under this chapter shall be forfeited; provided that  
5 the trial of, or other proceedings in, the action shall proceed  
6 as though that individual were present, and the court shall make  
7 orders as it deems proper upon the findings as though that  
8 individual were in court.

9 In case of forfeiture of any appearance bond, the money  
10 collected upon the forfeiture shall be applied in payment of the  
11 judgment against the individual if they are adjudicated to be a  
12 parent under this chapter.

13 (c) Regardless of its terms, an agreement, other than an  
14 agreement approved by the court in accordance with  
15 section -502(a)(2), between a parent and the individual whose  
16 parentage of the child is to be adjudicated shall not bar an  
17 action under this section.

18 (d) Except as otherwise provided in section -910, if an  
19 action under this section is brought before the birth of the  
20 child, all proceedings shall be stayed until after the birth

1 except service of process and the taking of depositions to  
2 perpetuate testimony.

3 (e) Subject to the requirements of section -303(a),  
4 with respect to a child who was not conceived through assisted  
5 reproduction, where a married individual has not had sexual  
6 contact with the married individual's spouse nor resided in the  
7 same house with the spouse for at least three hundred days  
8 before the birth of the child and the spouse cannot be contacted  
9 after due diligence, the court may accept an affidavit by the  
10 married individual, attesting to the married individual's  
11 diligent efforts to contact the married individual's spouse and  
12 providing clear and convincing evidence to rebut the presumption  
13 of the parentage of the subject child, and upon the court's  
14 satisfaction, notice of the spouse may be waived and the spouse  
15 need not be made a party in the parentage proceedings. The  
16 court, after receiving evidence, may also enter a finding of  
17 non-parentage of the spouse.

18 (f) With respect to a child who was not conceived through  
19 assisted reproduction, where a married individual has not had  
20 sexual contact with the married individual's spouse nor resided  
21 in the same house with the spouse for at least three hundred

1 days before the birth of the child, and the biological parent is  
2 known, parentage in the married spouse may be disestablished by  
3 submission of affidavits of both spouses and the biological  
4 parent stating the name and birth date of the child and  
5 acknowledgment that the spouse is not the parent and that the  
6 biological parent should be adjudicated as the legal parent.

7       **§ -204 Representation of child; action if public**  
8 **assistance moneys are paid; child support enforcement agency.**

9 The child may be made a party to the action and may be  
10 represented by the child's general guardian or a guardian ad  
11 litem appointed by the court. The child's parent shall not  
12 represent the child as guardian or otherwise. Subject to  
13 section -203, each individual presumed to be a parent under  
14 section -303 and the child support enforcement agency, if  
15 public moneys are or have been paid for the support of the  
16 subject child, shall be made parties, or, if not subject to the  
17 jurisdiction of the court, shall be given notice of the action  
18 in a manner prescribed by the court and an opportunity to be  
19 heard.

20                   **PART III. PARENT-CHILD RELATIONSHIP**

1           §   -301   Establishment of parent-child relationship.   A  
2   parent-child relationship is established between an individual  
3   and a child if:

4           (1)   The individual gives birth to the child, except as  
5                 otherwise provided in part IX;

6           (2)   There is a presumption under section       -303 of the  
7                 individual's parentage of the child, unless the  
8                 presumption is overcome in a judicial proceeding or a  
9                 valid denial of parentage is made under part VI;

10          (3)   The individual is adjudicated as a parent of the child  
11                 under part V;

12          (4)   The individual adopts the child;

13          (5)   The individual acknowledges parentage of the child  
14                 under part IV, unless the acknowledgment is rescinded  
15                 under section       -403(f) or successfully challenged  
16                 under part IV or V;

17          (6)   The individual's parentage of the child is established  
18                 under part VIII; or

19          (7)   The individual's parentage of the child is established  
20                 under part IX.

1           §   -302   Relationship not dependent on marriage.   A  
2   parent-child relationship extends equally to every child and  
3   parent, regardless of the marital status of the parent.

4           §   -303   Presumption of parentage.   (a)   An individual is  
5   presumed to be a parent of a child if:

6           (1)   Except as otherwise provided under part IX or the law  
7               of this State other than this chapter:

8               (A)   The prospective presumed parent and the  
9                   individual who gave birth to the child are  
10                  married to each other and the child is born  
11                  during the marriage, regardless of whether the  
12                  marriage is or could be declared invalid and  
13                  regardless of the gender of the two individuals;

14              (B)   The prospective presumed parent and the  
15                   individual who gave birth to the child were  
16                  married to each other and the child is born no  
17                  later than three hundred days after the marriage  
18                  is terminated by death, divorce, or annulment, or  
19                  after a decree of separation, regardless of  
20                  whether the marriage is or could be declared  
21                  invalid; or

1 (C) The prospective presumed parent and the  
2 individual who gave birth to the child married  
3 each other after the birth of the child,  
4 regardless of whether the marriage is or could be  
5 declared invalid, the prospective presumed parent  
6 at any time asserted parentage of the child, and:

7 (i) The assertion is in an acknowledgment of  
8 parentage as defined in part IV that is  
9 filed with the department of health; or

10 (ii) The prospective presumed parent agreed to be  
11 and is named as a parent of the child on the  
12 birth certificate of the child;

13 (2) The individual resided in the same household with the  
14 child before the child reached the age of majority and  
15 openly held out the child as the individual's child;  
16 or

17 (3) Pursuant to section -702, the prospective presumed  
18 parent submits to court-ordered genetic testing and  
19 the results, as stated in a report prepared by the  
20 testing laboratory, do not exclude the possibility of  
21 the prospective presumed parent's parentage of the

1 child; provided that the results of the testing  
2 disclose:

3 (A) The individual has at least a ninety-nine per  
4 cent probability of parentage, using a prior  
5 probability of 0.50 as calculated by using the  
6 combined relationship index obtained in the  
7 testing; and

8 (B) A combined relationship index of at least one  
9 hundred to one.

10 (b) A presumption of parentage under this section may be  
11 overcome, and competing claims to parentage may be resolved,  
12 only by an adjudication under part V or VI or a valid denial of  
13 parentage under part VI.

14 **PART IV. VOLUNTARY ESTABLISHMENT OF PARENTAGE**

15 **§ -401 Acknowledgment of parentage.** An individual who  
16 gave birth to a child and an alleged genetic parent of the  
17 child, intended parent under part VIII, or presumed parent may  
18 sign an acknowledgment of parentage to establish the parentage  
19 of the child.

20 **§ -402 Execution of acknowledgment of parentage.** (a)  
21 An acknowledgment of parentage under section -401 shall:

1 (1) Be in a record signed by the individual who gave birth  
2 to the child and by the other individual seeking to  
3 establish a parent-child relationship; provided that  
4 the signatures shall be attested by a notarial officer  
5 or witnessed;

6 (2) State that the child whose parentage is being  
7 acknowledged does not have:

8 (A) A presumed parent other than the individual  
9 seeking to establish the parent-child  
10 relationship; and

11 (B) Another acknowledged parent or adjudicated  
12 parent, or individual who is a parent of the  
13 child under part VIII or IX other than the  
14 individual who gave birth to the child; and

15 (3) State that the signatories understand that the  
16 acknowledgment is the equivalent of an adjudication of  
17 parentage of the child and that a challenge to the  
18 acknowledgment is permitted only under limited  
19 circumstances and is barred two years after the  
20 effective date of the acknowledgment.

1 (b) An acknowledgment of parentage shall be void if, at  
2 the time of signing:

3 (1) An individual, other than the individual seeking to  
4 establish parentage, is a presumed parent; or

5 (2) An individual, other than the individual who gave  
6 birth to the child or the individual seeking to  
7 establish parentage, is an acknowledged parent or  
8 adjudicated parent or a parent under part VIII or IX.

9 § -403 **Expedited process of parentage.** (a) To expedite  
10 the establishment of parentage, each public or private birthing  
11 hospital or birthing center, the child support enforcement  
12 agency, midwives, and the department of health shall provide  
13 parents the opportunity to voluntarily acknowledge the parentage  
14 of a child during the period immediately before or following the  
15 child's birth; provided that an individual who is a presumed  
16 parent under section -303(a)(1)(C) or (2) may only submit  
17 that individual's voluntary acknowledgment directly to the  
18 department of health. The voluntary acknowledgment of parentage  
19 shall be in writing and shall consist of a single form signed  
20 under oath, by the individual who gave birth to the child, the  
21 individual seeking to establish a parent-child relationship, and

1 a witness. The voluntary acknowledgment of parentage form shall  
2 include the social security numbers, dates of birth, places of  
3 birth, and ethnic backgrounds of each signatory. An electronic  
4 version of the voluntary acknowledgment of parentage form may be  
5 used.

6 (b) Before the signing of the voluntary acknowledgment of  
7 parentage form, designated staff members of a facility at which  
8 a voluntary acknowledgment may be submitted shall provide to  
9 both the individual who gave birth to the child and the other  
10 signatory, if either are present at the facility:

- 11 (1) Written materials regarding parentage establishment;
- 12 (2) Forms necessary to voluntarily acknowledge parentage;
- 13 (3) Oral, video, audio, or written descriptions of the  
14 alternatives to, the legal consequences of, and the  
15 rights and responsibilities of acknowledging  
16 parentage, including, if one parent is a minor, any  
17 right afforded due to minority status; and
- 18 (4) The opportunity to speak with staff, either by  
19 telephone or in person, who are trained to clarify  
20 information and answer questions about parentage  
21 establishment.

1 (c) The completed voluntary acknowledgment forms shall  
2 clearly identify the name and position of the staff member who  
3 provides information to the parents regarding parentage  
4 establishment. The provision by designated staff members of the  
5 facility of the information required by this section shall not  
6 constitute the unauthorized practice of law. Birthing hospital  
7 and birthing center staff, midwives, child support enforcement  
8 agency staff, and department of health staff shall not be  
9 subject to civil, criminal, or administrative liability for a  
10 negligent act or omission relative to the accuracy of the  
11 information provided or for filing the declaration with the  
12 appropriate state or local agencies. Each facility shall send  
13 to the department of health the original acknowledgment of  
14 parentage form, or an electronic version, containing the social  
15 security numbers, dates of birth, places of birth, and ethnic  
16 backgrounds of both signatories, with any other information  
17 required by the department of health so that the birth  
18 certificate issued includes the names of the signatories. The  
19 birth certificate shall be promptly recorded by the department  
20 of health.

21 (d) The child support enforcement agency shall:

- 1 (1) Provide to any individual or facility the necessary:
  - 2 (A) Materials and forms and a written description of
  - 3 the rights and responsibilities related to
  - 4 voluntary acknowledgment of parentage; and
  - 5 (B) Training, guidance, and written instructions
  - 6 regarding voluntary acknowledgment of parentage;
- 7 (2) Annually assess each facility's parentage
- 8 establishment program; and
- 9 (3) Determine if a voluntary acknowledgment has been filed
- 10 with the department of health whenever it receives an
- 11 application for parentage establishment services.
- 12 (e) Notwithstanding sections 338-17.7 and 338-18(b), the
- 13 department of health shall disclose to the child support
- 14 enforcement agency, upon request, all voluntary acknowledgment
- 15 of parentage forms on file with the department of health.
- 16 (f) The signed voluntary acknowledgment of parentage shall
- 17 constitute a legal finding of parentage, subject to the right of
- 18 any signatory to rescind the acknowledgment:
  - 19 (1) Within sixty days of signature; or
  - 20 (2) Before the date of an administrative or judicial
  - 21 proceeding relating to the child, including a

1 proceeding to establish a support order to which the  
2 signatory is a party,  
3 whichever is sooner.

4 (g) Following the sixty-day period pursuant to  
5 subsection (f), a signed voluntary acknowledgment of parentage  
6 may be challenged in court only on the basis of fraud, duress,  
7 or material mistake of fact, with the burden of proof on the  
8 challenger. The legal responsibilities of any signatory arising  
9 from the acknowledgment, including child support obligations,  
10 shall not be suspended during the challenge, except for good  
11 cause shown.

12 (h) The courts and office of child support hearings of  
13 this State shall give full faith and credit to affidavits for  
14 the voluntary acknowledgment of parentage signed in any other  
15 state and made in compliance with the law of that state, and  
16 these affidavits shall constitute legal findings of parentage  
17 subject to subsections (f) and (g).

18 (i) Judicial and administrative proceedings shall not be  
19 required or permitted to ratify an unchallenged acknowledgment  
20 of parentage. A voluntary acknowledgment of parentage signed by  
21 the individuals and filed with the department of health shall be

1 the basis for establishing and enforcing a support obligation  
2 through a judicial or administrative proceeding.

3 **PART V. PROCEEDING TO ADJUDICATE PARENTAGE**

4 **§ -501 Pretrial hearings.** (a) As soon as practicable  
5 after an action to declare the existence or nonexistence of a  
6 parent-child relationship has been brought, an informal hearing  
7 shall be held. The public shall be barred from the hearing. A  
8 record of the proceeding or any portion thereof shall be kept if  
9 any party requests, or the court orders. Rules of evidence need  
10 not be observed.

11 (b) The court, in its discretion, may waive a hearing on  
12 an uncontested parentage complaint submitted by an individual  
13 who gave birth to a child, an alleged genetic parent of the  
14 child, a presumed parent of the child, or a functional parent of  
15 the child with proof provided by affidavit.

16 **§ -502 Pretrial recommendations.** (a) On the basis of  
17 the information produced at the pretrial hearing held pursuant  
18 to section -501, the judge conducting the hearing shall  
19 evaluate the probability of determining the existence or  
20 nonexistence of the parent-child relationship in a trial and  
21 whether a judicial declaration of the relationship would be in

1 the best interest of the child pursuant to section 571-46(b) .  
2 On the basis of the evaluation, an appropriate recommendation  
3 for settlement shall be made to the parties, which may include  
4 any of the following:

- 5 (1) That the action be dismissed with or without  
6 prejudice;
- 7 (2) That the matter be compromised by an agreement among  
8 the birth parent and the individual who is seeking to  
9 have parentage adjudicated, and the child, in which  
10 the individual seeking to be adjudicated to be a  
11 parent is not adjudicated to be a parent but in which  
12 a defined economic obligation is undertaken in favor  
13 of the child and, if appropriate, in favor of the  
14 parent, subject to approval by the judge conducting  
15 the hearing. In reviewing the obligation undertaken  
16 by the individual whose parentage is to be adjudicated  
17 in a compromise agreement, the judge conducting the  
18 hearing shall consider the best interest of the child,  
19 in light of the factors enumerated in section  
20 576D-7(a), discounted by the improbability, as it  
21 appears to the judge, of establishing the parentage or

1 non-parentage of the individual whose parentage is to  
2 be adjudicated in a trial of the action; or

3 (3) That the individual whose parentage is to be  
4 adjudicated voluntarily acknowledges parentage of the  
5 child.

6 (b) If the parties accept a recommendation made in  
7 accordance with subsection (a), judgment shall be entered  
8 accordingly.

9 (c) If a party refuses to accept the final recommendation  
10 made under subsection (a) and genetic tests have not been taken,  
11 the court may order the parties to submit to genetic tests, if  
12 practicable. Thereafter the judge shall make an appropriate  
13 final recommendation. If a party refuses to accept the final  
14 recommendation, the action shall be set for trial.

15 (d) A guardian ad litem appointed for the child may accept  
16 or refuse to accept a recommendation under this section.

17 (e) The pretrial hearing may be terminated and the action  
18 set for trial if the judge conducting the hearing finds it  
19 unlikely that all parties would accept a recommendation the  
20 judge may make under subsection (a) or (c).

1           §   -503   **Civil action.**   (a)   An action under this chapter  
2 shall be a civil action governed by the Hawaii family court  
3 rules or the Hawaii rules of civil procedure. The individual  
4 who gave birth to the child and the individual whose parentage  
5 is to be adjudicated shall be competent to testify and may be  
6 compelled to testify; provided that no criminal prosecution,  
7 other than a prosecution for perjury, shall afterwards be  
8 commenced against the individual who gave birth to the child or  
9 the individual whose parentage is to be adjudicated on account  
10 of any transaction, matter, or thing concerning which they may  
11 testify or produce evidence under this chapter, documentary or  
12 otherwise. Part VII shall apply in any action brought under  
13 this chapter.

14           (b)   Testimony relating to sexual access to the individual  
15 who gave birth to the child by an unidentified person at any  
16 time or by an identified person at a time other than the  
17 probable time of conception of the child shall be inadmissible  
18 in evidence, unless offered by the individual who gave birth to  
19 the child.

20           (c)   Notwithstanding the limitation on the admission of  
21 evidence stated in subsection (b), evidence offered with respect

1 to an individual who is not subject to the jurisdiction of the  
2 court concerning sexual intercourse or assisted reproduction  
3 with the individual who gave birth to the child at or about the  
4 probable time of conception of the child shall be admissible in  
5 evidence only if the individual offering the evidence has  
6 undergone and made available to the court genetic tests,  
7 including genetic tests the results of which do not exclude the  
8 possibility of the individual's parentage of the child.

9       **§ -504 Judgment or order.** (a) The judgment or order of  
10 the court determining the existence or nonexistence of the  
11 parent-child relationship shall be determinative for all  
12 purposes.

13       (b) If the judgment or order of the court is at variance  
14 with the child's birth certificate, the court shall order that a  
15 new birth certificate be issued pursuant to section -510.

16       (c) The judgment or order may contain any other provision  
17 directed against the appropriate party to the proceeding,  
18 concerning the duty of support, the custody and guardianship of  
19 the child, visitation privileges with the child, the furnishing  
20 of bond or other security for the payment of the judgment, or  
21 any other matter in the best interest of the child. Upon

1 neglect or refusal to give this security, or upon default of a  
2 parent or a parent's surety in compliance with the terms of the  
3 judgment, the court may order the forfeiture of the security and  
4 the application of the proceeds thereof toward the payment of  
5 any sums due under the terms of the judgment and may also  
6 sequester a parent's personal estate, and the rents and profits  
7 of a parent's real estate, and may appoint a receiver thereof,  
8 and may cause a parent's personal estate, including any  
9 salaries, wages, commissions, or other moneys owed to the parent  
10 and the rents and profits of the parent's real estate, to be  
11 applied toward the meeting of the terms of the judgment, to the  
12 extent that the court, from time to time, deems just and  
13 reasonable. The judgment or order may direct a parent to pay  
14 the reasonable expenses of the pregnancy and childbirth,  
15 including but not limited to medical insurance premiums, such as  
16 for MedQuest, that cover the periods of pregnancy and  
17 childbirth. The court may further order the noncustodial parent  
18 to reimburse the custodial parent, the child, or any public  
19 agency for reasonable expenses incurred before entry of  
20 judgment, including support, maintenance, education, and funeral  
21 expenses expended for the benefit of the child.

1 (d) Support judgments or orders ordinarily shall be for  
2 periodic payments that may vary in amount. In the best interest  
3 of the child, a lump sum payment or the purchase of an annuity  
4 may be ordered in lieu of periodic payments of support. The  
5 court may limit the obligor parent's liability for past support  
6 of the child to the proportion of the expenses already incurred  
7 that the court deems just.

8 (e) In determining the amount to be paid by a parent for  
9 support of the child and the period during which the duty of  
10 support is owed, a court enforcing the obligation of support  
11 shall use the guidelines established under section 576D-7.  
12 Provision may be made for the support, maintenance, and  
13 education of an adult or minor child and an incompetent adult  
14 child, regardless of whether the petition is made before or  
15 after the child has attained the age of majority.

16 (f) Whenever a parent of a child is a minor, unmarried,  
17 and not able to provide full support, the court may order one or  
18 both parents of the minor to support the child until the minor  
19 reaches the age of majority, is otherwise emancipated, or is  
20 financially able to fully support the child, whichever occurs  
21 first. For the purposes of this subsection:

1 (1) The judgment or order for support shall be made  
2 against the parent or parents of the minor to the  
3 extent that the minor is unable to support the child;

4 (2) The resources, standard of living, and earning ability  
5 of the parent or parents of the minor shall be  
6 considered under subsection (d) in determining the  
7 amount of support; and

8 (3) The parent or parents of the minor shall be an obligor  
9 under this chapter and chapter 571 and any action  
10 against the obligor to collect support may be pursued  
11 against the parent or parents of the minor.

12 § -505 **Costs.** The court may order reasonable fees of  
13 counsel, experts, and the child's guardian ad litem, and other  
14 costs of the action and pretrial proceedings, including genetic  
15 tests, subject to section -703, to be paid by the parties in  
16 proportions and at times determined by the court.

17 § -506 **Enforcement of judgment or order.** (a) If  
18 existence of the parent-child relationship is declared, or  
19 parentage or a duty of support has been acknowledged or  
20 adjudicated under this chapter or under prior law, the  
21 obligation of a parent may be enforced in the same or other

1 proceedings by the other parent, the child, the public authority  
2 that has furnished or may furnish the reasonable expenses of  
3 pregnancy, childbirth, education, support, or funeral, or by any  
4 other individual, including a private agency, to the extent the  
5 individual has furnished or is furnishing these expenses.

6 (b) The court may order support payments to be made to a  
7 parent or an adult child, or through the child support  
8 enforcement agency as its rules permit, or through an  
9 individual, corporation, or agency designated to administer  
10 support payments for the benefit of the child under the  
11 supervision of the court.

12 (c) Wilful failure to obey the judgment or order of the  
13 court shall be a civil contempt of the court. All remedies for  
14 the enforcement of judgments shall apply to this chapter. When  
15 a court of competent jurisdiction issues an order compelling a  
16 parent to furnish support, including child support, medical  
17 support, or other remedial care, for the parent's child, it  
18 shall constitute prima facie evidence of a civil contempt of  
19 court upon proof that:

1           (1) The order was made, filed, and served on the parent or  
2           proof that the parent was present in court at the time  
3           the order was pronounced; and

4           (2) The parent did not comply with the order.

5           An order of civil contempt of court based on prima facie  
6           evidence under this subsection shall clearly state that the  
7           failure to comply with the order of civil contempt of court may  
8           subject the parent to a penalty that may include imprisonment  
9           or, if imprisonment is immediately ordered, the conditions that  
10          must be met for release from imprisonment. A party may also  
11          prove civil contempt of court by means other than prima facie  
12          evidence under this subsection.

13          §    -507   **Modification of judgment or order.**   (a) The  
14          court shall have continuing jurisdiction to modify or revoke a  
15          judgment or order:

16          (1) For future education and support; and

17          (2) With respect to matters listed in section   -504(c)  
18               and (d) and   -506(b); provided that a court entering  
19               a judgment or order for the payment of a lump sum or  
20               the purchase of an annuity under section   -504(d) may

1 specify that the judgment or order may not be modified  
2 or revoked.

3 (b) In those cases where child support payments are to  
4 continue due to the adult child's pursuance of education, the  
5 child support enforcement agency, at least three months before  
6 the adult child's nineteenth birthday, shall send notice by  
7 regular mail to the adult child and the custodial parent that  
8 prospective child support will be suspended unless proof is  
9 provided by the custodial parent or adult child, to the child  
10 support enforcement agency, before the child's nineteenth  
11 birthday, that the child is presently enrolled as a full-time  
12 student in school or has been accepted into and plans to attend  
13 a post-high school university, college, or vocational school as  
14 a full-time student for the next semester. If the custodial  
15 parent or adult child fails to do so, prospective child support  
16 payments may be automatically suspended by the child support  
17 enforcement agency, hearings officer, or court. In addition, if  
18 applicable, the child support enforcement agency, hearings  
19 officer, or court may issue an order terminating existing  
20 assignments against the responsible parent's income and income  
21 assignment orders.

1 (c) The need to provide for the child's health care needs  
2 through health insurance or other means shall be a basis for  
3 petitioning for a modification of the support order.

4 **§ -508 Hearings and records; confidentiality. (a)**

5 Notwithstanding any other law concerning public hearings and  
6 records, unless the court orders otherwise, any hearing or trial  
7 in a case filed on or before January 1, 2021, under chapter 584,  
8 before its repeal, and any hearing or trial held to establish  
9 parentage under part VIII or IX shall be held in closed court  
10 without admittance of any individual other than those  
11 individuals necessary to the action or proceeding. All papers  
12 and records pertaining to the action or proceeding, whether part  
13 of the permanent record of the court or of a file of the  
14 department of health or elsewhere shall not be open to  
15 inspection by any individual other than the parties to the  
16 proceeding, the child who is the subject of the proceeding,  
17 their attorneys, and the department of health, unless consent is  
18 given by the court and all interested persons, or inspection is  
19 authorized by an order of the court for good cause shown. The  
20 individual seeking to inspect the document may be required to

1 pay the expense of preparing a copy of the document to be  
2 inspected.

3 (b) Upon parentage being established, the confidentiality  
4 requirement shall not extend to the judgment and all  
5 subsequently filed documents that are used in good faith for  
6 support and medical expenses, insurance, or enforcement  
7 purposes; provided that the confidentiality requirement shall  
8 continue to apply to any references to a non-adjudicated alleged  
9 or presumed parent.

10 § -509 Court filings; minutes of proceedings; posting  
11 requirement. The judiciary shall post on its website the titles  
12 of all court filings and the minutes of court proceedings in  
13 cases brought under this chapter except for actions filed  
14 pursuant to part VIII or IX; provided that the judiciary shall  
15 redact information that has been made confidential by any  
16 statute, rule of court, or court order; provided further that,  
17 on request of a party and for good cause, the court may close a  
18 proceeding and records to the public; provided further that the  
19 titles of all court filings for the case and the contents of a  
20 final order shall be available for public inspection, with other

1 papers and records available for public inspection, only with  
2 the consent of the parties or by court order.

3       §   -510   **Birth records.**   (a)   Upon order of a court of  
4 this State or upon request or order of a court of another state,  
5 or following acknowledgment as provided in section       -401, the  
6 department of health shall prepare a new birth certificate  
7 consistent with the findings of the court or in cases of  
8 acknowledgment under section       -401, consistent with the  
9 acknowledgment, and shall substitute the new birth certificate  
10 for the original birth certificate.

11       (b)   The fact that a parent-child relationship was declared  
12 or acknowledged after the child's birth shall not be  
13 ascertainable from the new birth certificate, but the actual  
14 place and date of birth shall be shown.

15       (c)   Unless the court orders otherwise, the evidence upon  
16 which the new birth certificate was made and the original birth  
17 certificate shall not be open to inspection by any individual  
18 other than the parties to the proceeding, the child who is the  
19 subject of the birth certificate, their attorneys, and the  
20 department of health. A court shall only authorize an  
21 individual to inspect the evidence upon which the new birth

1 certificate was made for good cause shown. The individual  
2 seeking to inspect the document may be required to pay the  
3 expense of preparing a copy of the document to be inspected.

4       **§ -511 Parentage judgment, acknowledgment, support**  
5 **order; social security number.** The social security number of  
6 any individual who is subject to a parentage judgment or  
7 acknowledgment, or a support order issued under this chapter,  
8 shall be placed in the records relating to the matter in  
9 compliance with any other court rule or law.

10       **§ -512 Filing of acknowledgments and adjudications with**  
11 **department of health.** All voluntary acknowledgments and  
12 adjudications of parentage by judicial process shall be filed  
13 with the department of health for comparison with information in  
14 the state case registry established pursuant to section  
15 576D-6(a)(12). Filing of the adjudications of parentage shall  
16 be the responsibility of the natural parent or individual or  
17 agency as the court shall direct.

18                   **PART VI. SPECIAL RULES FOR PROCEEDINGS**

19       **§ -601 Adjudicating parentage of child with alleged**  
20 **genetic parent.** (a) A proceeding to determine whether an

1 alleged genetic parent who is not a presumed parent is a parent  
2 of a child may be commenced:

3 (1) Before the child becomes an adult; or

4 (2) After the child becomes an adult, but only if the  
5 child initiates the proceeding.

6 (b) Except as otherwise provided by law, this subsection  
7 shall apply in a proceeding described in subsection (a) if the  
8 individual who gave birth to the child is the only other  
9 individual with a claim to parentage of the child. The court  
10 shall adjudicate an alleged genetic parent to be a parent of the  
11 child if the alleged genetic parent:

12 (1) Is identified under section -705 as a genetic  
13 parent of the child and the identification is not  
14 successfully challenged under section -705;

15 (2) Admits parentage in a pleading, when making an  
16 appearance, or during a hearing; the court accepts the  
17 admission; and the court determines the alleged  
18 genetic parent to be a parent of the child;

19 (3) Declines to submit to genetic testing ordered by the  
20 court or the child support enforcement agency, in  
21 which case the court may adjudicate the alleged

1 genetic parent to be a parent of the child even if the  
2 alleged genetic parent denies a genetic relationship  
3 with the child;

4 (4) Is in default after service of process and the court  
5 determines the alleged genetic parent to be a parent  
6 of the child; or

7 (5) Is neither identified nor excluded as a genetic parent  
8 by genetic testing and, based on other evidence, the  
9 court determines the alleged genetic parent to be a  
10 parent of the child.

11 (c) If in a proceeding involving an alleged genetic parent  
12 at least one other individual in addition to the individual who  
13 gave birth to the child has a claim to parentage of the child,  
14 the court shall adjudicate parentage under section -607,  
15 unless a valid denial of parentage is filed in accordance with  
16 section -608.

17 **§ -602 Adjudicating parentage of child with presumed**

18 **parent.** (a) A proceeding to determine whether a presumed  
19 parent is a parent of a child may be commenced:

20 (1) Before the child becomes an adult; or

1           (2) After the child becomes an adult, but only if the  
2           child initiates the proceeding.

3           (b) A presumption of parentage under section       -303  
4 cannot be overcome after the child attains two years of age  
5 unless the court determines:

6           (1) The presumed parent is not a genetic parent, never  
7           resided with the child, and never held out the child  
8           as the presumed parent's child; or

9           (2) The child has more than one presumed parent.

10          (c) Except as otherwise provided by law, the following  
11 rules shall apply in a proceeding to adjudicate a presumed  
12 parent's parentage of a child if the individual who gave birth  
13 to the child is the only other individual with a claim to  
14 parentage of the child:

15          (1) If no party to the proceeding challenges the presumed  
16 parent's parentage of the child, the court shall  
17 adjudicate the presumed parent to be a parent of the  
18 child;

19          (2) If the presumed parent is identified under  
20 section       -705 as a genetic parent of the child and  
21 that identification is not successfully challenged

1 under section -705, the court shall adjudicate the  
2 presumed parent to be a parent of the child; and

3 (3) If the presumed parent is not identified under  
4 section -705 as a genetic parent of the child and  
5 the presumed parent or the individual who gave birth  
6 to the child challenges the presumed parent's  
7 parentage of the child, the court shall adjudicate the  
8 parentage of the child in the best interest of the  
9 child based on the factors under sections -607(a)  
10 and -607(b).

11 (d) If in a proceeding to adjudicate a presumed parent's  
12 parentage of a child, another individual in addition to the  
13 individual who gave birth to the child asserts a claim to  
14 parentage of the child, the court shall adjudicate parentage  
15 under section -607, unless a valid denial of parentage is  
16 filed in accordance with section -608.

17 **§ -603 Adjudicating claim of functional parentage of a**  
18 **child.** (a) A proceeding to establish parentage of a child  
19 under this section may be commenced only by an individual who:

20 (1) Is alive when the proceeding is commenced; and

21 (2) Claims to be a functional parent of the child.

1 (b) An individual who claims to be a functional parent of  
2 a child shall commence a proceeding to establish parentage of a  
3 child under this section:

4 (1) Before the child attains eighteen years of age; and

5 (2) While the child is alive.

6 (c) The following rules shall govern standing of an  
7 individual who claims to be a functional parent of a child to  
8 maintain a proceeding under this section:

9 (1) The individual shall file an initial verified pleading  
10 alleging specific facts that support the claim to  
11 parentage of the child asserted under this section.

12 The verified pleading shall be served on all parents  
13 and legal guardians of the child and any other party  
14 to the proceeding;

15 (2) An adverse party, parent, or legal guardian may file a  
16 pleading in response to the pleading filed under  
17 paragraph (1). A responsive pleading shall be  
18 verified and must be served on parties to the  
19 proceeding; and

20 (3) Unless the court finds a hearing is necessary to  
21 determine disputed facts material to the issue of

1 standing, the court shall determine, based on the  
2 pleadings under paragraphs (1) and (2), whether the  
3 individual has alleged facts sufficient to satisfy by  
4 a preponderance of the evidence the requirements of  
5 subsection (d). If the court holds a hearing under  
6 this subsection, the hearing shall be held on an  
7 expedited basis.

8 (d) In a proceeding to adjudicate parentage of an  
9 individual who claims to be a functional parent of the child, if  
10 there is only one other individual who is a parent or has a  
11 claim to parentage of the child, the court shall adjudicate the  
12 individual who claims to be a functional parent to be a parent  
13 of the child if the individual demonstrates by clear and  
14 convincing evidence that:

15 (1) The individual resided with the child as a regular  
16 member of the child's household for a significant  
17 period;

18 (2) The individual engaged in consistent caretaking of the  
19 child;

1           (3) The individual undertook full and permanent  
2           responsibilities of a parent of the child without  
3           expectation of financial compensation;

4           (4) The individual held out the child as the individual's  
5           child;

6           (5) The individual established a bonded and dependent  
7           relationship with the child that is parental in  
8           nature;

9           (6) Another parent of the child fostered or supported the  
10          bonded and dependent relationship required under  
11          paragraph (5); and

12          (7) Continuing the relationship between the individual and  
13          the child is in the best interest of the child.

14          (e) Subject to other limitations in this part, if in a  
15          proceeding to adjudicate parentage of an individual who claims  
16          to be a functional parent of the child, there is more than one  
17          other individual who is a parent or has a claim to parentage of  
18          the child and the court determines that the requirements of  
19          subsection (d) are satisfied, the court shall adjudicate  
20          parentage under section       -607, unless a valid denial of  
21          parentage is filed in accordance with section       -608.

1       §   -604   Adjudicating parentage of child with acknowledged  
2   parent.   (a)   If a child has an acknowledged parent, a  
3   proceeding to challenge the acknowledgment of parentage, brought  
4   by a signatory to the acknowledgment, shall be governed by  
5   section     -403(g).

6       (b)   If a child has an acknowledged parent, the following  
7   rules shall apply in a proceeding to challenge the  
8   acknowledgment of parentage brought by an individual, other than  
9   the child, who has standing under section     -203 and was not a  
10   signatory to the acknowledgment:

11       (1)   The individual shall commence the proceeding no later  
12             than two years after the effective date of the  
13             acknowledgment, unless good cause is shown;

14       (2)   The court may permit the proceeding only if the court  
15             finds permitting the proceeding is in the best  
16             interest of the child pursuant to section 571-46(b);  
17             and

18       (3)   If the court permits the proceeding, the court shall  
19             adjudicate parentage under section     -607.

20       §   -605   Adjudicating parentage of child with adjudicated  
21   parent.   (a)   If a child has an adjudicated parent, a proceeding

1 to challenge the adjudication, brought by an individual who was  
2 a party to the adjudication or received notice under  
3 section -201, shall be governed by the rules governing a  
4 collateral attack on a judgment.

5 (b) If a child has an adjudicated parent, the following  
6 rules shall apply to a proceeding to challenge the adjudication  
7 of parentage brought by an individual, other than the child, who  
8 has standing under section -203 and was not a party to the  
9 adjudication and did not receive notice under section -201:

10 (1) The individual shall commence the proceeding no later  
11 than two years after the effective date of the  
12 adjudication, unless good cause is shown;

13 (2) The court may permit the proceeding only if the court  
14 finds permitting the proceeding is in the best  
15 interest of the child pursuant to section 571-46(b);  
16 and

17 (3) If the court permits the proceeding, the court shall  
18 adjudicate parentage under section -607.

19 § -606 **Adjudicating parentage of a child of assisted**  
20 **reproduction.** (a) An individual who is a parent under part  
21 VIII or the individual who gave birth to the child may bring a

1 proceeding to adjudicate parentage. If the court determines the  
2 individual is a parent under part VIII, the court shall  
3 adjudicate the individual to be a parent of the child.

4 (b) In a proceeding to adjudicate an individual's  
5 parentage of a child under this section, if another individual  
6 other than the individual who gave birth to the child is a  
7 parent under part VIII, the court shall adjudicate the  
8 individual's parentage of the child under section -607.

9 § -607 Adjudicating competing claims of parentage. (a)

10 Except as otherwise provided by law, in a proceeding to  
11 adjudicate competing claims of, or challenges under  
12 section -601, -602, -603, -604, -605, or -606  
13 to, parentage of a child by two or more individuals, the court  
14 shall adjudicate parentage in the best interest of the child,  
15 based on:

- 16 (1) The age of the child;  
17 (2) The length of time during which each individual  
18 assumed the role of parent of the child;  
19 (3) The nature of the relationship between the child and  
20 each individual;

1 (4) The harm to the child if the relationship between the  
2 child and each individual is not recognized;

3 (5) The basis for each individual's claim to parentage of  
4 the child; and

5 (6) Other equitable factors arising from the disruption of  
6 the relationship between the child and each individual  
7 or the likelihood of other harm to the child.

8 (b) If an individual challenges parentage based on the  
9 results of genetic testing, in addition to the factors listed in  
10 subsection (a), the court shall consider:

11 (1) The facts surrounding the discovery that the  
12 individual might not be a genetic parent of the child;  
13 and

14 (2) The length of time between the time that the  
15 individual was placed on notice that the individual  
16 might not be a genetic parent and the commencement of  
17 the proceeding.

18 (c) The court may adjudicate a child to have more than two  
19 parents under this chapter if the court finds that failure to  
20 recognize more than two parents would be detrimental to the  
21 child. A finding of detriment to the child shall not require a

1 finding of unfitness of any parent or individual seeking an  
2 adjudication of parentage. In determining detriment to the  
3 child, the court shall consider all relevant factors, including  
4 the harm if the child is removed from a stable placement with an  
5 individual who has fulfilled the child's physical needs and  
6 psychological needs for care and affection and has assumed the  
7 role for a substantial period.

8       **§ -608 Denial of parentage.** An alleged genetic parent  
9 or presumed parent may sign a denial of parentage in a record  
10 filed with the court. The denial of parentage shall be valid  
11 only if:

12       (1) Another individual other than the individual who gave  
13 birth to the child agrees to have that other  
14 individual's parentage of the child established under  
15 this part, and the agreement is in an affidavit filed  
16 with the court;

17       (2) The signature of the alleged genetic parent or  
18 presumed parent is attested by a notarial officer or  
19 witnesses; and

20       (3) The alleged genetic parent or presumed parent has not  
21 previously:

- 1 (A) Completed a valid acknowledgment of parentage,  
2 unless the previous acknowledgment was rescinded  
3 under section -403(f) or challenged  
4 successfully under section -403(g); or  
5 (B) Been adjudicated to be a parent of the child.

6 **PART VII. GENETIC TESTING**

7 **§ -701 Scope of part; limitation on use of genetic**  
8 **testing.** (a) This part shall govern genetic testing of an  
9 individual in a proceeding to adjudicate parentage, whether the  
10 individual:

- 11 (1) Voluntarily submits to testing; or  
12 (2) Is tested under an order of the court or the child  
13 support enforcement agency.  
14 (b) Genetic testing shall not be used to:  
15 (1) Challenge the parentage of an individual who is a  
16 parent under part VIII or IX; or  
17 (2) Establish the parentage of an individual who is a  
18 donor.

19 **§ -702 Authority to order or deny genetic testing.** (a)  
20 Except as otherwise provided in this part or part V, in a  
21 proceeding under this chapter to determine parentage, the court

1 shall order the child and any other individual to submit to  
2 genetic testing if a request for testing is supported by the  
3 sworn statement of a party:

4 (1) Alleging a reasonable possibility that the individual  
5 is the child's genetic parent; or

6 (2) Denying genetic parentage of the child and stating  
7 facts establishing a reasonable possibility that the  
8 individual is not a genetic parent.

9 (b) The child support enforcement agency may order genetic  
10 testing only if there is no presumed parent, acknowledged  
11 parent, or adjudicated parent of a child other than the  
12 individual who gave birth to the child.

13 (c) The court or the child support enforcement agency  
14 shall not order in utero genetic testing.

15 (d) If two or more individuals are subject to  
16 court-ordered genetic testing, the court may order that testing  
17 be completed concurrently or sequentially.

18 (e) Genetic testing of an individual who gave birth to a  
19 child shall not be a condition precedent to testing of the child  
20 and an individual whose genetic parentage of the child is being  
21 determined. If the individual who gave birth to the child is

1 unavailable or declines to submit to genetic testing, the court  
2 may order genetic testing of the child and each individual whose  
3 genetic parentage of the child is being adjudicated.

4 (f) In a proceeding to adjudicate the parentage of a child  
5 having a presumed parent or an individual who claims to be a  
6 parent under section -602, or to challenge an acknowledgment  
7 of parentage, the court may deny a motion for genetic testing of  
8 the child and any other individual after considering the factors  
9 in section -607(a) and (b).

10 (g) If an individual requesting genetic testing is barred  
11 under section -402(a), -403(g), -604(b), or -605(b)  
12 from establishing the individual's parentage, the court shall  
13 deny the request for genetic testing.

14 (h) An order under this section for genetic testing shall  
15 be enforceable by contempt.

16 **§ -703 Requirements for genetic testing.** (a) Genetic  
17 testing shall be of a type reasonably relied on by experts in  
18 the field of genetic testing and performed in a testing  
19 laboratory accredited by:

20 (1) The AABB, formerly known as the American Association  
21 of Blood Banks, or a successor to its functions; or

1           (2)   An accrediting body designated by the Secretary of the  
2                   United States Department of Health and Human Services.

3           (b)   A specimen used in genetic testing may consist of a  
4   sample or a combination of samples of blood, buccal cells, bone,  
5   hair, or other body tissue or fluid. The specimen used in the  
6   testing need not be of the same kind for each individual  
7   undergoing genetic testing.

8           (c)   Based on the ethnic or racial group of an individual  
9   undergoing genetic testing, a testing laboratory shall determine  
10   the databases from which to select frequencies for use in  
11   calculating a relationship index. If an individual or the child  
12   support enforcement agency objects to the laboratory's choice,  
13   the following rules shall apply:

14           (1)   No later than thirty days after receipt of the report  
15                   of the test, the objecting individual or the child  
16                   support enforcement agency may request the court to  
17                   require the laboratory to recalculate the relationship  
18                   index using an ethnic or racial group different from  
19                   that used by the laboratory;

1           (2) The individual or the child support enforcement agency  
2           objecting to the laboratory's choice under this  
3           subsection shall:

4           (A) If the requested frequencies are not available to  
5           the laboratory for the ethnic or racial group  
6           requested, provide the requested frequencies  
7           compiled in a manner recognized by accrediting  
8           bodies; or

9           (B) Engage another laboratory to perform the  
10          calculations; and

11          (3) The laboratory may use its own statistical estimate if  
12          there is a question as to which ethnic or racial group  
13          is appropriate. The laboratory shall calculate the  
14          frequencies using statistics, if available, for any  
15          other ethnic or racial group requested.

16          (d) If, after recalculation of the relationship index  
17          under subsection (c) using a different ethnic or racial group,  
18          genetic testing under section       -705 does not identify an  
19          individual as a genetic parent of a child, the court may require  
20          an individual who has been tested to submit to additional  
21          genetic testing to identify a genetic parent.

1       §   -704   **Report of genetic testing.**   (a)   In any hearing  
2   or trial brought under this chapter, a report of the facts and  
3   results of genetic tests ordered by the court under this chapter  
4   shall be admissible in evidence by affidavit of the person whose  
5   name is signed to the report, attesting to the procedures  
6   followed in obtaining the report. A report of the facts and  
7   results of genetic tests shall be admissible as evidence of  
8   parentage without the need for foundation testimony or other  
9   proof of authenticity or accuracy, unless objection is made.

10       (b)   Documentation from a testing laboratory of the  
11   following information shall be sufficient to establish a  
12   reliable chain of custody and allow the results of genetic  
13   testing to be admissible without testimony:

- 14       (1)   The name and photograph of each individual whose  
15               specimen has been taken;  
16       (2)   The name of the individual who collected each  
17               specimen;  
18       (3)   The place and date each specimen was collected;  
19       (4)   The name of the individual who received each specimen  
20               in the testing laboratory; and  
21       (5)   The date each specimen was received.

(c) An alleged genetic parent or party to the parentage action who objects to the admission of the report concerning the genetic test results shall file a motion no later than twenty days after receiving a copy of the report and shall show good cause as to why a witness is necessary to lay the foundation for the admission of the report as evidence. The court may, sua sponte or at a hearing on the motion, determine whether a witness shall be required to lay the foundation for the admission of the report as evidence. The right to call witnesses to rebut the report shall be reserved to all parties.

**§ -705 Report of genetic testing.** (a) Subject to a challenge under subsection (b), an individual is identified under this chapter as a genetic parent of a child if genetic testing complies with this part and the results of the testing disclose:

(1) The individual has at least a ninety-nine per cent probability of parentage, using a prior probability of 0.50, as calculated by using the combined relationship index obtained in the testing; and

(2) A combined relationship index of at least one hundred to one.

1 (b) An individual identified under subsection (a) as a  
2 genetic parent of the child may challenge the genetic testing  
3 results only by other genetic testing satisfying the  
4 requirements of this part that:

5 (1) Excludes the individual as a genetic parent of the  
6 child; or

7 (2) Identifies another individual as a possible genetic  
8 parent of the child other than the individual:

9 (A) Who gave birth to the child; or

10 (B) Identified under subsection (a).

11 (c) If more than one individual other than the individual  
12 who gave birth is identified by genetic testing as a possible  
13 genetic parent of the child, the court shall order each  
14 individual to submit to further genetic testing to identify a  
15 genetic parent.

16 (d) If an original test result is contested, the court  
17 shall order further genetic testing with payment of the testing  
18 to be advanced and paid for by the contesting party.

19 **§ -706 Genetic testing when specimen not available. (a)**  
20 Subject to subsection (b), if a genetic-testing specimen is not  
21 available from an alleged genetic parent of a child, an

1 individual seeking genetic testing demonstrates good cause, and  
2 the court finds that the circumstances are just, the court may  
3 order any of the following individuals to submit specimens for  
4 genetic testing:

- 5 (1) A parent of the alleged genetic parent;
- 6 (2) A sibling of the alleged genetic parent;
- 7 (3) Another child of the alleged genetic parent and the  
8 individual who gave birth to the other child; and
- 9 (4) Another relative of the alleged genetic parent  
10 necessary to complete genetic testing.

11 (b) To issue an order under this section, the court shall  
12 find that a need for genetic testing outweighs the legitimate  
13 interests of the individual sought to be tested.

14 § -707 **Deceased individual.** If an individual seeking  
15 genetic testing demonstrates good cause, the court may order  
16 genetic testing of a deceased individual.

17 **PART VIII. ASSISTED REPRODUCTION**

18 § -801 **Scope of part.** This part shall not apply to the  
19 birth of a child conceived by sexual intercourse or assisted  
20 reproduction under a surrogacy agreement under part IX.

1           §    **-802 Parental status of donor.** A donor is not a  
2 parent of a child conceived by assisted reproduction.

3           §    **-803 Parentage of child of assisted reproduction.** An  
4 individual who consents under section       -804 to assisted  
5 reproduction by another individual with the intent to be a  
6 parent of a child conceived by the assisted reproduction is a  
7 parent of the child.

8           §    **-804 Consent to assisted reproduction.** (a) Except as  
9 otherwise provided in subsection (b), the consent described in  
10 section       -803 shall be in a record signed by an individual  
11 giving birth to a child conceived by assisted reproduction and  
12 the other individual who intends to be a parent of the child.

13           (b) Failure to consent in a record as required by  
14 subsection (a), before, on, or after the birth of the child  
15 shall not preclude the court from finding consent to parentage  
16 if:

17           (1) The individual giving birth to a child or the other  
18 individual proves by clear and convincing evidence the  
19 existence of an express agreement entered into before  
20 conception that the individual giving birth and the

1 other individual intended they both would be parents  
2 of the child; or

3 (2) The individual giving birth to the child and the other  
4 individual for the first two years of the child's  
5 life, including any period of temporary absence,  
6 resided together in the same household with the child  
7 and both openly held out the child as the individual's  
8 child; provided that if an individual dies or becomes  
9 incapacitated before the child attains two years of  
10 age or the child dies before the child attains two  
11 years of age, the court may find consent under this  
12 subsection to parentage if a party proves by clear and  
13 convincing evidence that the individual giving birth  
14 to the child and the other individual intended to  
15 reside together in the same household with the child  
16 and both intended the individual would openly hold out  
17 the child as the individual's child, but the  
18 individual was prevented from carrying out that intent  
19 by death or incapacity.

20 § -805 Limitation on spouse's dispute of parentage. (a)

21 Except as otherwise provided in subsection (b), an individual

1 who, at the time of the child's birth, is the spouse of an  
2 individual who gave birth to the child by assisted reproduction  
3 may not challenge the individual's own parentage of the child  
4 unless:

5 (1) No later than two years after the birth of the child  
6 or the date of which the individual first learns of  
7 the birth of the child, whichever is later, the  
8 individual commences a proceeding to adjudicate the  
9 individual's parentage of the child; and

10 (2) The court finds the individual did not consent to the  
11 assisted reproduction, before, on, or after the birth  
12 of the child, or withdrew consent under  
13 section -807.

14 (b) A proceeding to adjudicate a spouse's parentage of a  
15 child born by assisted reproduction may be commenced at any time  
16 if the court determines:

17 (1) The spouse neither provided a gamete for, nor  
18 consented to, the assisted reproduction;

19 (2) The spouse and the individual who gave birth to the  
20 child have not cohabited since the probable time of  
21 assisted reproduction; and

1           (3) The spouse never openly held out the child as the  
2                spouse's child.

3           (c) This section shall apply to a spouse's dispute of  
4   parentage even if the spouse's marriage is declared invalid  
5   after assisted reproduction occurs.

6           §   -806   **Effect of certain legal proceedings regarding**  
7   **marriage.** If a marriage of an individual who gives birth to a  
8   child conceived by assisted reproduction is terminated through  
9   divorce or dissolution, subject to legal separation or separate  
10   maintenance, declared invalid, or annulled before transfer of  
11   gametes or embryos to said individual, a former spouse of said  
12   individual is not a parent of the child unless the former spouse  
13   consented in a record that the former spouse would be a parent  
14   of the child if assisted reproduction were to occur after a  
15   divorce, dissolution, legal separation, separate maintenance,  
16   declaration of invalidity, or annulment, and the former spouse  
17   did not withdraw consent under section       -807.

18          §   -807   **Withdrawal of consent.** (a) An individual who  
19   consents under section       -804 to assisted reproduction may  
20   withdraw consent any time before a transfer by giving notice in  
21   a record of the withdrawal of consent to the individual who

1 agreed to give birth to a child conceived by assisted  
2 reproduction and to any fertility clinic or health care provider  
3 facilitating the assisted reproduction. Failure to give notice  
4 to the fertility clinic or health care provider shall not affect  
5 a determination of parentage under this part.

6 (b) An individual who withdraws consent under subsection  
7 (a) is not a parent of the child under this part.

8 § -808 Parental status of deceased individual. (a) If  
9 an individual who intends to be a parent of a child conceived by  
10 assisted reproduction dies during the period between the  
11 transfer of a gamete or embryo and the birth of the child, the  
12 individual's death shall not preclude the establishment of the  
13 individual's parentage of the child if the individual otherwise  
14 would be a parent of the child under this chapter.

15 (b) If an individual who consented in a record to assisted  
16 reproduction by an individual who agreed to give birth to a  
17 child dies before a transfer of gametes or embryos, the deceased  
18 individual is a parent of a child conceived by the assisted  
19 reproduction only if:

20 (1) Either:

- 1           (A) The individual consented in a record that if  
2           assisted reproduction were to occur after the  
3           death of the individual, the individual would be  
4           a parent of the child; or
- 5           (B) The individual's intent to be a parent of a child  
6           conceived by assisted reproduction after the  
7           individual's death is established by clear and  
8           convincing evidence; and
- 9       (2) Either:
- 10          (A) The embryo is in utero no later than thirty-six  
11          months after the individual's death; or
- 12          (B) The child is born no later than forty-five months  
13          after the individual's death.

14                   **PART IX. SURROGACY AGREEMENT**

15                   A. General Provisions

16       §   -901   **Definitions.** As used in this part:

17       "Genetic surrogate" means an individual who is capable of  
18 carrying a pregnancy to term and giving birth to a child, who is

4 § -905 Surrogacy agreement; effect of subsequent change  
5 of marital status. (a) Unless a surrogacy agreement expressly  
6 provides otherwise:

7 (1) The marriage of a surrogate after the surrogacy  
8 agreement is signed by all parties shall not affect  
9 the validity of the surrogacy agreement, the

17 the surrogacy agreement is signed by all parties shall  
18 not affect the validity of the surrogacy agreement.

19 (b) Unless a surrogacy agreement expressly provides  
20 otherwise:

1           (1) The marriage of an intended parent after the surrogacy  
2           agreement is signed by all parties shall not affect

7           conceived by assisted reproduction under the surrogacy  
8           agreement; and

9           (2) The divorce, dissolution, annulment, declaration of  
10          invalidity, or legal separation of an intended parent  
11          after the surrogacy agreement is signed by all parties  
12          shall not affect the validity of the surrogacy  
13          agreement and, except as otherwise provided in  
14          section     -913, the intended parents are the parents  
15          of the child.

16          §    -906 **Exclusive, continuing jurisdiction.** During the  
17          period after the execution of a surrogacy agreement until ninety  
18          days after the birth of a child conceived by assisted  
19          reproduction under the surrogacy agreement, a court of the State  
20          conducting a proceeding under this chapter shall have exclusive,  
21          continuing jurisdiction over all matters arising out of the

1 agreement. This section shall not give the court jurisdiction  
2 over a child custody or child support proceeding if jurisdiction  
3 is not otherwise authorized by a law of this State other than  
4 this chapter.

5 B. Special Rules of Gestational Surrogacy Agreement

6 § -907 Termination of gestational surrogacy agreement.

7 (a) A party to a gestational surrogacy agreement may terminate  
8 the surrogacy agreement, at any time before an embryo transfer,  
9 by giving notice of termination in a record to all other  
10 parties. If an embryo transfer does not result in a pregnancy,  
11 a party may terminate the surrogacy agreement at any time before  
12 a subsequent embryo transfer.

13 (b) Unless a gestational surrogacy agreement provides  
14 otherwise, on termination of the surrogacy agreement under  
15 subsection (a), the parties shall be released from the surrogacy  
16 agreement, except that each intended parent shall remain  
17 responsible for expenses that are reimbursable under the  
18 surrogacy agreement and incurred by the gestational surrogate  
19 through the date of termination.

20 (c) Except in a case involving fraud, neither a  
21 gestational surrogate nor the surrogate's spouse or former

1 spouse, if any, shall be liable to the intended parent or  
2 parents for a penalty or liquidated damages for terminating a  
3 gestational surrogacy agreement under this section.

4       **§   -908   Parentage under gestational surrogacy agreement.**

5       (a) Except as otherwise provided in subsection (c),  
6 section       -909(b), or section       -911, upon birth of a child  
7 conceived by assisted reproduction under a gestational surrogacy  
8 agreement, each intended parent shall be, by operation of law, a  
9 parent of the child.

10       (b) Except as otherwise provided in subsection (c) or  
11 section       -911, neither a gestational surrogate nor the  
12 surrogate's spouse or former spouse, if any, is a parent of the  
13 child.

14       (c) If a child is alleged to be a genetic child of the  
15 individual who agreed to be a gestational surrogate, the court  
16 shall order genetic testing of the child. If the child is a  
17 genetic child of said individual who agreed to be a gestational  
18 surrogate, parentage shall be determined based on parts I  
19 through VII.

20       (d) Except as otherwise provided in subsection (c),  
21 section       -909(b), or section       -911, if, due to a clinical or

1 laboratory error, a child conceived by assisted reproduction  
2 under a gestational surrogacy agreement is not genetically  
3 related to either intended parent or to a donor who donated  
4 gametes to the intended parent or parents, each intended parent,  
5 and not the gestational surrogate and the surrogate's spouse or  
6 former spouse, if any, is a parent of the child, subject to any  
7 other claim of parentage.

8       **§ -909 Gestational surrogacy agreement; parentage of**  
9 **deceased intended parent.** (a) Section -908 shall apply to  
10 an intended parent even if the intended parent dies during the  
11 period between the transfer of a gamete or embryo and the birth  
12 of the child.

13       (b) Except as otherwise provided in section -911, an  
14 intended parent is not a parent of a child conceived by assisted  
15 reproduction under a gestational surrogacy agreement if the  
16 intended parent dies before the transfer of a gamete or embryo  
17 unless:

- 18       (1) The agreement provides otherwise; and  
19       (2) The transfer of a gamete or embryo occurs no later  
20           than thirty-six months after the death of the intended  
21           parent, or the birth of the child occurs no later than

1           forty-five months after the death of the intended  
2           parent.

3           §   -910   **Gestational surrogacy agreement; order of**

4   **parentage.**   (a)   Except as otherwise provided in

5   section   -908(c) or   -911, before, on, or after the birth of  
6   a child conceived by assisted reproduction under a gestational  
7   surrogacy agreement, a party to the agreement may commence a  
8   proceeding in the appropriate court for an order or judgment:

9           (1)   Declaring that each intended parent is a parent of the  
10           child and ordering that parental rights and duties  
11           vest immediately on the birth of the child exclusively  
12           in each intended parent;

13           (2)   Declaring that the gestational surrogate and the  
14           surrogate's spouse or former spouse, if any, are not  
15           the parents of the child;

16           (3)   Designating the content of the birth record in  
17           accordance with chapter 338, and directing the  
18           department of health to designate each intended parent  
19           as a parent of the child;

20           (4)   To protect the privacy of the child and the parties,  
21           declaring that unless the court orders otherwise, the

1 court record, including a petition and any other  
2 document related to a surrogacy agreement filed with  
3 the court under this chapter shall be sealed and shall  
4 not be open to inspection by any individual other than  
5 the parties to the proceeding, a child conceived by  
6 assisted reproduction under the agreement, their  
7 attorneys, and the department of health; provided that  
8 the court shall only authorize an individual to  
9 inspect the sealed records for good cause shown;  
10 provided further that the individual seeking to  
11 inspect the document may be required to pay the  
12 expense of preparing a copy of the document to be  
13 inspected;

14 (5) If necessary, that the child be surrendered to the  
15 intended parent or parents; and

16 (6) For other relief the court determines necessary and  
17 proper.

18 (b) The court may issue an order or judgment under  
19 subsection (a) before the birth of the child. The court shall  
20 stay enforcement of the order or judgment until the birth of the  
21 child.

1 (c) Neither the State nor the department of health shall  
2 be a necessary party to a proceeding under subsection (a).

3 **§ -911 Effect of gestational surrogacy agreement. (a)**

4 A gestational surrogacy agreement that complies with  
5 sections -902, -903, and -904 shall be enforceable.

6 (b) If a child was conceived by assisted reproduction  
7 under a gestational surrogacy agreement that does not comply  
8 with sections -902, -903, and -904, the court shall  
9 determine the rights and duties of the parties to the surrogacy  
10 agreement consistent with the intent of the parties at the time  
11 of execution of the surrogacy agreement. Each party to the  
12 surrogacy agreement and any individual who at the time of the  
13 execution of the surrogacy agreement was a spouse of a party to  
14 the surrogacy agreement shall have standing to maintain a  
15 proceeding to adjudicate an issue related to the enforcement of  
16 the surrogacy agreement.

17 (c) Except as expressly provided in a gestational  
18 surrogacy agreement or subsection (d) or (e), if the surrogacy  
19 agreement is breached by the gestational surrogate or one or  
20 more intended parents, the non-breaching party is entitled to  
21 the remedies available at law or in equity.

1 (d) Specific performance is not a remedy available for  
2 breach by a gestational surrogate of a provision in the  
3 surrogacy agreement that the gestational surrogate undergo an  
4 embryo transfer, terminate or not terminate a pregnancy, or  
5 submit to medical procedures.

6 (e) Except as otherwise provided in subsection (d), if an  
7 intended parent is determined to be a parent of the child,  
8 specific performance is a remedy available for breach:

- 9 (1) Of the surrogacy agreement by a gestational surrogate  
10 or gestational surrogate's spouse that prevents the  
11 intended parent from exercising immediately on the  
12 birth of the child the full rights of parentage; or  
13 (2) By the intended parent that prevents the intended  
14 parent's acceptance, immediately on the birth of the  
15 child conceived by assisted reproduction under the  
16 agreement, of the duties of parentage.

17 C. Special Rules for Genetic Surrogacy Agreement

18 § -912 Requirements to validate a genetic surrogacy  
19 agreement. (a) Except as otherwise provided in section -915,  
20 to be enforceable, a genetic surrogacy agreement shall be  
21 validated by the family court. A proceeding to validate the

1 surrogacy agreement shall be commenced before assisted  
2 reproduction related to the surrogacy agreement is initiated.

3 (b) The court shall issue an order validating a genetic  
4 surrogacy agreement if the court finds that:

5 (1) Sections -902, -903, and -904 are satisfied;  
6 and

7 (2) All parties entered into the surrogacy agreement  
8 voluntarily and understand its terms.

9 (c) An individual who terminates a genetic surrogacy  
10 agreement under section -913 shall file notice of the  
11 termination with the court. On receipt of the notice, the court  
12 shall vacate any order issued under subsection (b). An  
13 individual who terminates a genetic surrogacy agreement under  
14 this section but does not notify the court of the termination of  
15 the agreement shall be subject to sanctions.

16 **§ -913 Termination of genetic surrogacy agreement.** (a)

17 A party to a genetic surrogacy agreement may terminate the  
18 surrogacy agreement as follows:

19 (1) An intended parent who is a party to the surrogacy  
20 agreement may terminate the surrogacy agreement at any  
21 time before a gamete or embryo transfer by giving

1 notice of termination in a record to all other  
2 parties. If a gamete or embryo transfer does not  
3 result in a pregnancy, a party may terminate the  
4 surrogacy agreement at any time before a subsequent  
5 gamete or embryo transfer. The notice of termination  
6 shall be attested by a notarial officer or witnessed;  
7 and

8 (2) A genetic surrogate who is a party to the agreement  
9 may withdraw consent to the surrogacy agreement any  
10 time before seventy-two hours after the birth of a  
11 child conceived by assisted reproduction under the  
12 surrogacy agreement. To withdraw consent, the genetic  
13 surrogate shall execute a notice of termination in a  
14 record stating the surrogate's intent to terminate the  
15 surrogacy agreement. The notice of termination shall  
16 be attested by a notarial officer or witnessed and be  
17 delivered to each intended parent any time before  
18 seventy-two hours after the birth of the child.

19 (b) On termination of the genetic surrogacy agreement  
20 under subsection (a), the parties shall be released from all  
21 obligations under the surrogacy agreement except that each

1 intended parent shall remain responsible for all expenses  
2 incurred by the surrogate through the date of termination that  
3 are reimbursable under the surrogacy agreement. Unless the  
4 surrogacy agreement provides otherwise, the surrogate shall not  
5 be entitled to and shall refund to intended parents within ten  
6 days after withdrawal of consent any non-expense-related  
7 compensation paid for serving as a surrogate.

8 (c) Except in a case involving fraud, neither a genetic  
9 surrogate nor the surrogate's spouse or former spouse, if any,  
10 shall be liable to the intended parent or parents for a penalty  
11 or liquidated damages for terminating a genetic surrogacy  
12 agreement under this section.

13 **§ -914 Parentage under validated genetic surrogacy**

14 **agreement.** (a) Unless a genetic surrogate exercises the right  
15 under section -913 to terminate a genetic surrogacy  
16 agreement, each intended parent is a parent of a child conceived  
17 by assisted reproduction under a surrogacy agreement validated  
18 under section -912.

19 (b) Unless a genetic surrogate exercises the right under  
20 section -913 to terminate the genetic surrogacy agreement, on

1 proof of a court order issued under section -912 validating  
2 the surrogacy agreement, the court shall make an order:

3 (1) Declaring that each intended parent is a parent of a  
4 child conceived by assisted reproduction under the  
5 surrogacy agreement and ordering that parental rights  
6 and duties vest exclusively in each intended parent;

7 (2) Declaring that the gestational surrogate and the  
8 surrogate's spouse or former spouse, if any, are not  
9 parents of the child;

10 (3) Designating the contents of the birth certificate in  
11 accordance with chapter 338 and directing the  
12 department of health to designate each intended parent  
13 as a parent of the child;

14 (4) To protect the privacy of the child and the parties,  
15 declaring that unless the court orders otherwise, the  
16 court record, including a petition and any other  
17 document related to a surrogacy agreement filed with  
18 the court under this chapter shall be sealed and shall  
19 not be open to inspection by any individual other than  
20 the parties to the proceeding, a child conceived by  
21 assisted reproduction under the agreement, their

1 attorneys, and the department of health; provided that  
2 the court shall only authorize an individual to  
3 inspect the sealed records for good cause shown;  
4 provided further that the individual seeking to  
5 inspect the document may be required to pay the  
6 expense of preparing a copy of the document to be  
7 inspected;

8 (5) If necessary, that the child be surrendered to the  
9 intended parent or parents; and

10 (6) For other relief the court determines necessary and  
11 proper.

12 (c) If a genetic surrogate terminates a genetic surrogacy  
13 agreement under section -913(a)(2), parentage of the child  
14 conceived by assisted reproduction under the surrogacy agreement  
15 shall be determined under parts I through VII.

16 (d) If a child born to a genetic surrogate is alleged not  
17 to have been conceived by assisted reproduction, the court shall  
18 order genetic testing to determine the genetic parentage of the  
19 child. If the child was not conceived by assisted reproduction,  
20 parentage shall be determined under parts I through VII. Unless  
21 the genetic surrogacy agreement provides otherwise, if the child

1 was not conceived by assisted reproduction, the surrogate is not  
2 entitled to any non-expense-related compensation paid for  
3 serving as a surrogate.

4 (e) Unless a genetic surrogate exercises the right under  
5 section -913 to terminate the genetic surrogacy agreement, if  
6 an intended parent fails to file notice required under  
7 section -913(a), the genetic surrogate or the department of  
8 health may file with the court, no later than sixty days after  
9 the birth of a child conceived by assisted reproduction under  
10 the surrogacy agreement, notice that the child has been born to  
11 the genetic surrogate. Unless the genetic surrogate has  
12 properly exercised the right under section -913 to withdraw  
13 consent to the surrogacy agreement, on proof of a court order  
14 issued under section -912 validating the surrogacy agreement,  
15 the court shall order that each intended parent is a parent of  
16 the child.

17 **§ -915 Effect of non-validated genetic surrogacy**  
18 **agreement.** (a) A genetic surrogacy agreement, whether or not  
19 in a record, that is not validated under section -912 shall  
20 be enforceable only to the extent provided in this section and  
21 section -917.

1 (b) If all parties agree, a court may validate a genetic  
2 surrogacy agreement after assisted reproduction has occurred but  
3 before the birth of a child conceived by assisted reproduction  
4 under the agreement.

5 (c) If a child conceived by assisted reproduction under a  
6 genetic surrogacy agreement that is not validated under  
7 section -912 is born and the genetic surrogate, consistent  
8 with section -913(a)(2), withdraws their consent to the  
9 surrogacy agreement before seventy-two hours after the birth of  
10 the child, the court shall adjudicate the parentage of the child  
11 under parts I through VII.

13 genetic surrogacy agreement that is not validated under  
14 section -912 is born and a genetic surrogate does not  
15 withdraw their consent to the surrogacy agreement, consistent  
16 with section -913(a)(2), before seventy-two hours after the  
17 birth of the child, the genetic surrogate is not automatically a  
18 parent and the court shall adjudicate parentage of the child  
19 based on the best interest of the child, taking into account the  
20 factors in section -607(a) and the intent of the parties at  
21 the time of the execution of the surrogacy agreement.

1 (e) The parties to a genetic surrogacy agreement shall  
2 have standing to maintain a proceeding to adjudicate parentage  
3 under this section.

4 § -916 Genetic surrogacy agreement; parentage of  
5 deceased intended parent. (a) Except as otherwise provided in  
6 section -914 or -915, on birth of a child conceived by  
7 assisted reproduction under a genetic surrogacy agreement, each  
8 intended parent is, by operation of law, a parent of the child,  
9 notwithstanding the death of an intended parent during the  
10 period between the transfer of a gamete or embryo and the birth  
11 of the child.

12 (b) Except as otherwise provided in section -914  
13 or -915, an intended parent is not a parent of a child  
14 conceived by assisted reproduction under a genetic surrogacy  
15 agreement if the intended parent dies before the transfer of a  
16 gamete or embryo unless:

- 17 (1) The surrogacy agreement provides otherwise; and  
18 (2) The transfer of the gamete or embryo occurs no later  
19 than thirty-six months after the death of the intended

2           parent.

3           **§   -917   Breach of genetic surrogacy agreement.   (a)**

4   Subject to section    -913(b), if a genetic surrogacy agreement  
5   is breached by a genetic surrogate or one or more intended  
6   parents, the non-breaching party shall be entitled to the  
7   remedies available at law or in equity.

8           (b)   Specific performance is not a remedy available for  
9   breach by a genetic surrogate of a requirement of a validated or  
10   non-validated genetic surrogacy agreement that the surrogate  
11   undergo insemination or embryo transfer, terminate or not  
12   terminate a pregnancy, or submit to medical procedures.

13          (c)   Except as otherwise provided in subsection (b),  
14   specific performance is a remedy available for breach:

15          (1)   Of a validated genetic surrogacy agreement by a  
16                 genetic surrogate of a requirement that prevents an  
17                 intended parent from exercising the full rights of

19                 child; or

1           (2) By an intended parent that prevents the intended

4 custodial parent that prospective child support will be  
5 suspended unless proof is provided by the custodial parent or

- 15 the needs of the party seeking support and
- 16 maintenance;
- 17 (12) Other factors that measure the financial condition in
- 18 which the parties will be left as the result of the
- 19 action under which the determination of maintenance is
- 20 made; and

1       (13) Probable duration of the need of the party seeking  
2       support and maintenance.

3           The court may order support and maintenance to a party for  
4   an indefinite period or until further order of the court;  
5   provided that in the event the court determines that support and  
6   maintenance shall be ordered for a specific duration wholly or  
7   partly based on competent evidence as to the amount of time that  
8   will be required for the party seeking support and maintenance  
9   to secure adequate training, education, skills, or other  
10   qualifications necessary to qualify for appropriate employment,  
11   whether intended to qualify the party for a new occupation,
