# A BILL FOR AN ACT

---

RELATING TO THE PSYCHOLOGY INTERJURISDICTIONAL COMPACT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. The legislature finds that safeguarding,  
2       enhancing, and prioritizing the mental health of the people is  
3       essential not only for the well-being of individuals but also  
4       for the broader public interest. Protection of mental health  
5       contributes to a healthier, more resilient society, benefiting  
6       all members of the community.

7       The legislature recognizes that there is a growing demand  
8       for mental health care services, particularly on the neighbor  
9       islands and in rural and underserved areas. Despite this need,  
10      the current shortage of mental health professionals and services  
11      fails to meet the increasing demand, leaving countless  
12      individuals without the critical care they deserve. This lack  
13      of access disproportionately affects vulnerable populations,  
14      such as the elderly, those with mobility challenges, and youth  
15      who face identity-based harassment or rejection.

16      The legislature also finds reports of neighbor island  
17      communities experiencing a critical lack of access to care for

1 the mental and physical well-being of vulnerable members of the  
2 LGBTQ+ community, particularly youth, who face alarmingly high  
3 rates of suicide attempts. Accessing mental health care  
4 services provided by licensed psychologists is crucial to  
5 providing essential care and ultimately lowering the suicide  
6 rates within this vulnerable population.

7 The legislature further finds that over forty states have  
8 already joined the psychology interjurisdictional compact to  
9 address similar issues of access. Participating in this compact  
10 will enable vulnerable kamaaina to return home without risking  
11 the loss of critical relationships with long time therapists and  
12 counselors and help Hawaii meet the growing demand for mental  
13 health care needs by reducing barriers for mental health  
14 professionals to practice and providing residents with access to  
15 a broader pool of qualified mental health professionals through  
16 telepsychology and temporary in-person services.

17 Accordingly, the purpose of this Act is to adopt the  
18 Psychology Interjurisdictional Compact to:

- 19 (1) Regulate the day-to-day practice of telepsychology by  
20 psychologists across state boundaries in the

performance of their psychological practice as  
assigned by an appropriate authority;

- (2) Regulate the temporary in-person, face-to-face  
practice of psychology by psychologists across state  
boundaries for thirty days within a calendar year in  
the performance of their psychological practice as  
assigned by an appropriate authority; and
- (3) Require the department of commerce and consumer  
affairs to adopt rules to implement and administer the  
compact.

SECTION 2. The Hawaii Revised Statutes is amended by  
adding a new chapter to be appropriately designated and to read  
as follows:

**"CHAPTER**

**PSYCHOLOGY INTERJURISDICTIONAL COMPACT**

§ -1. **Short title.** This chapter may be cited as the  
Psychology Interjurisdictional Compact.

§ -2. **Terms and provisions of compact; authorization;  
governor.** The legislature hereby authorizes the governor to  
enter into a compact on behalf of the State of Hawaii with any

1 other state legally joining therein, in the form substantially  
2 as follows:

3 **PSYCHOLOGY INTERJURISDICTIONAL COMPACT (PSYPACT)**

4 **ARTICLE I**

5 **PURPOSE**

6 Whereas, states license psychologists, in order to protect  
7 the public through verification of education, training and  
8 experience and ensure accountability for professional practice;  
9 and

10 Whereas, this Compact is intended to regulate the day to  
11 day practice of telepsychology (i.e., the provision of  
12 psychological services using telecommunication technologies) by  
13 psychologists across state boundaries in the performance of  
14 their psychological practice as assigned by an appropriate  
15 authority; and

16 Whereas, this Compact is intended to regulate the temporary  
17 in-person, face-to-face practice of psychology by psychologists  
18 across state boundaries for 30 days within a calendar year in  
19 the performance of their psychological practice as assigned by  
20 an appropriate authority; and

Whereas, this Compact is intended to authorize State Psychology Regulatory Authorities to afford legal recognition, in a manner consistent with the terms of the Compact, to psychologists licensed in another state; and

Whereas, this Compact recognizes that states have a vested interest in protecting the public's health and safety through their licensing and regulation of psychologists and that such state regulation will best protect public health and safety; and

Whereas, this Compact does not apply when a psychologist is licensed in both the Home and Receiving States; and

Whereas, this Compact does not apply to permanent in-person, face-to-face practice, it does allow for authorization of temporary psychological practice.

Consistent with these principles, this Compact is designed to achieve the following purposes and objectives:

1. Increase public access to professional psychological services by allowing for telepsychological practice across state lines as well as temporary in-person, face-to-face services into a state which the psychologist is not licensed to practice psychology;

2. Enhance the states' ability to protect the public's health and safety, especially client/patient safety;
3. Encourage the cooperation of Compact States in the areas of psychology licensure and regulation;
4. Facilitate the exchange of information between Compact States regarding psychologist licensure, adverse actions and disciplinary history;
5. Promote compliance with the laws governing psychological practice in each Compact State; and
6. Invest all Compact States with the authority to hold licensed psychologists accountable through the mutual recognition of Compact State licenses.

14 a Home State via telecommunications technologies with  
15 a client/patient in a Receiving State; and
- 16 2. Other conditions regarding telepsychology as  
17 determined by Rules promulgated by the Commission.

20 A. A Home State shall have the power to impose adverse  
21 action against a psychologist's license issued by the Home

1 State. A Distant State shall have the power to take adverse

4 B. A Receiving State may take adverse action on a  
5 psychologist's Authority to Practice Interjurisdictional  
6 Telepsychology within that Receiving State. A Home State may  
7 take adverse action against a psychologist based on an adverse  
8 action taken by a Distant State regarding temporary in-person,  
9 face-to-face practice.

10 C. If a Home State takes adverse action against a  
11 psychologist's license, that psychologist's Authority to  
12 Practice Interjurisdictional Telepsychology is terminated and  
13 the E.Passport is revoked. Furthermore, that psychologist's  
14 Temporary Authorization to Practice is terminated and the IPC is  
15 revoked.

16 1. All Home State disciplinary orders which impose  
17 adverse action shall be reported to the Commission in  
18 accordance with the Rules promulgated by the  
19 Commission. A Compact State shall report adverse  
20 actions in accordance with the Rules of the  
21 Commission;

1           2. In the event discipline is reported on a psychologist,  
2           the psychologist will not be eligible for  
3           telepsychology or temporary in-person, face-to-face  
4           practice in accordance with the Rules of the  
5           Commission; and

6           3. Other actions may be imposed as determined by the  
7           Rules promulgated by the Commission.

8           D. A Home State's Psychology Regulatory Authority shall  
9           investigate and take appropriate action with respect to reported  
10          inappropriate conduct engaged in by a licensee which occurred in  
11          a Receiving State as it would if such conduct had been engaged  
12          in by a licensee within the Home State. In such cases, the Home  
13          State's law shall control in determining any adverse action  
14          against a psychologist's license.

15          E. A Distant State's Psychology Regulatory Authority shall  
16          investigate and take appropriate action with respect to reported  
17          inappropriate conduct engaged in by a psychologist practicing  
18          under Temporary Authorization to Practice which occurred in that  
19          Distant State as it would if such conduct had been engaged in by  
20          a licensee within the Home State. In such cases, the Distant

1 State's law shall control in determining any adverse action  
2 against a psychologist's Temporary Authorization to Practice.

3 F. Nothing in this Compact shall override a Compact  
4 State's decision that a psychologist's participation in an  
5 alternative program may be used in lieu of adverse action and  
6 that such participation shall remain non-public if required by  
7 the Compact State's law. Compact States must require  
8 psychologists who enter any alternative programs to not provide

1           A. The Commission shall exercise its rulemaking powers  
2 pursuant to the criteria set forth in this Article and the Rules  
3 adopted thereunder. Rules and amendments shall become binding  
4 as of the date specified in each rule or amendment.

5           B. If a majority of the legislatures of the Compact States  
6 rejects a rule, by enactment of a statute or resolution in the  
7 same manner used to adopt the Compact, then such rule shall have  
8 no further force and effect in any Compact State.

9           C. Rules or amendments to the rules shall be adopted at a  
10 regular or special meeting of the Commission.

11           D. Prior to promulgation and adoption of a final rule or  
12 Rules by the Commission, and at least sixty (60) days in advance  
13 of the meeting at which the rule will be considered and voted  
14 upon, the Commission shall file a Notice of Proposed Rulemaking:

15           1. On the website of the Commission; and

16           2. On the website of each Compact State's Psychology  
17 Regulatory Authority or the publication in which each  
18 state would otherwise publish proposed rules.

19           E. The Notice of Proposed Rulemaking shall include:

20           1. The proposed time, date, and location of the meeting  
21 in which the rule will be considered and voted upon;

2. The text of the proposed rule or amendment and the reason for the proposed rule;

3. A request for comments on the proposed rule from any interested person; and

4. The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

F. Prior to adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

G. The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

1. At least twenty-five (25) persons who submit comments independently of each other;

2. A governmental subdivision or agency; or

3. A duly appointed person in an association that has at least twenty-five (25) members.

H. If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing.

- 1        1. All persons wishing to be heard at the hearing shall  
2        notify the Executive Director of the Commission or  
3        other designated member in writing of their desire to  
4        appear and testify at the hearing not less than five  
5        (5) business days before the scheduled date of the  
6        hearing;
- 7        2. Hearings shall be conducted in a manner providing each  
8        person who wishes to comment a fair and reasonable  
9        opportunity to comment orally or in writing;
- 10       3. No transcript of the hearing is required, unless a  
11       written request for a transcript is made, in which  
12       case the person requesting the transcript shall bear  
13       the cost of producing the transcript. A recording may  
14       be made in lieu of a transcript under the same terms  
15       and conditions as a transcript. This subsection shall  
16       not preclude the Commission from making a transcript  
17       or recording of the hearing if it so chooses; and
- 18       4. Nothing in this section shall be construed as  
19       requiring a separate hearing on each rule. Rules may  
20       be grouped for the convenience of the Commission at  
21       hearings required by this section.

1 I. Following the scheduled hearing date, or by the close  
2 of business on the scheduled hearing date if the hearing was not  
3 held, the Commission shall consider all written and oral  
4 comments received.

5 J. The Commission shall, by majority vote of all members,  
6 take final action on the proposed rule and shall determine the  
7 effective date of the rule, if any, based on the rulemaking  
8 record and the full text of the rule.

9 K. If no written notice of intent to attend the public  
10 hearing by interested parties is received, the Commission may  
11 proceed with promulgation of the proposed rule without a public  
12 hearing.

13 L. Upon determination that an emergency exists, the  
14 Commission may consider and adopt an emergency rule without  
15 prior notice, opportunity for comment, or hearing, provided that  
16 the usual rulemaking procedures provided in the Compact and in  
17 this section shall be retroactively applied to the rule as soon  
18 as reasonably possible, in no event later than ninety (90) days  
19 after the effective date of the rule. For the purposes of this  
20 provision, an emergency rule is one that must be adopted  
21 immediately in order to:

- 2           welfare;
- 3           2. Prevent a loss of Commission or Compact State funds;
- 4           3. Meet a deadline for the promulgation of an
- 5           administrative rule that is established by federal law
- 6           or rule; or
- 7           4. Protect public health and safety.

8           M. The Commission or an authorized committee of the  
9 Commission may direct revisions to a previously adopted rule or  
10 amendment for purposes of correcting typographical errors,  
11 errors in format, errors in consistency, or grammatical errors.  
12 Public notice of any revisions shall be posted on the website of  
13 the Commission. The revision shall be subject to challenge by  
14 any person for a period of thirty (30) days after posting. The  
15 revision may be challenged only on grounds that the revision  
16 results in a material change to a rule. A challenge shall be  
17 made in writing, and delivered to the Chair of the Commission  
18 prior to the end of the notice period. If no challenge is made,  
19 the revision will take effect without further action. If the  
20 revision is challenged, the revision may not take effect without  
21 the approval of the Commission.

12 the Commission; and

13 b. Provide remedial training and specific technical  
14 assistance regarding the default;

16 defaulting state may be terminated from the Compact  
17 upon an affirmative vote of a majority of the Compact  
18 States, and all rights, privileges and benefits  
19 conferred by this Compact shall be terminated on the  
20 effective date of termination. A remedy of the  
21 default does not relieve the offending state of

1 obligations or liabilities incurred during the period  
2 of default;

3 3. Termination of membership in the Compact shall be  
4 imposed only after all other means of securing  
5 compliance have been exhausted. Notice of intent to  
6 suspend or terminate shall be submitted by the  
7 Commission to the Governor, the majority and minority  
8 leaders of the defaulting state's legislature, and  
9 each of the Compact States;

10 4. A Compact State which has been terminated is  
11 responsible for all assessments, obligations and  
12 liabilities incurred through the effective date of  
13 termination, including obligations which extend beyond  
14 the effective date of termination;

15 5. The Commission shall not bear any costs incurred by  
16 the state which is found to be in default or which has  
17 been terminated from the Compact, unless agreed upon  
18 in writing between the Commission and the defaulting  
19 state; and

20 6. The defaulting state may appeal the action of the  
21 Commission by petitioning the U.S. District Court for

1 the state of Georgia or the federal district where the  
2 Compact has its principal offices. The prevailing  
3 member shall be awarded all costs of such litigation,  
4 including reasonable attorney's fees.

5 C. Dispute Resolution:

- 6 1. Upon request by a Compact State, the Commission shall  
7 attempt to resolve disputes related to the Compact  
8 which arise among Compact States and between Compact  
9 and Non-Compact States; and  
10 2. The Commission shall promulgate a rule providing for  
11 both mediation and binding dispute resolution for  
12 disputes that arise before the Commission.

13 D. Enforcement:

- 14 1. The Commission, in the reasonable exercise of its  
15 discretion, shall enforce the provisions and Rules of  
16 this Compact;  
17 2. By majority vote, the Commission may initiate legal  
18 action in the United States District Court for the  
19 State of Georgia or the federal district where the  
20 Compact has its principal offices against a Compact  
21 State in default to enforce compliance with the

1 provisions of the Compact and its promulgated Rules  
2 and Bylaws. The relief sought may include both  
3 injunctive relief and damages. In the event judicial  
4 enforcement is necessary, the prevailing member shall  
5 be awarded all costs of such litigation, including  
6 reasonable attorney's fees; and

7 3. The remedies herein shall not be the exclusive  
8 remedies of the Commission. The Commission may pursue  
9 any other remedies available under federal or state  
10 law.

21 this Compact.

1       E. This Compact may be amended by the Compact States. No

10 remain in full force and effect as to the remaining Compact  
11 States.
