Comments:

Support SCR 149 and SR115. There should be consequences when acts by a current or former law enforcement officer, military personnel, politician, or any other government leader are contrary to their oath to uphold the constitution of the United States and the constitution of Hawai'i.

Comments:

I strongly support this bill and believe that such legislation would bring greater accountability to those who's primary duty is to the principles embodied in the Constitution and not the political leanings of the times they are in.
