“On page 1: Section 1 is amended to read as follows:

SECTION 1. Legislative findings and declaration of purpose. Air pollution and congestion are serious problems confronting counties with populations of more than 100,000 people. These problems are urgent ones and unless they are expeditiously dealt with they may result in even larger, more serious problems that will require vast outlays of capital.

Even now vast sums are needed to remedy the problem. While the problem is local in nature, the Legislature finds it in the public interest to assist in the implementation of a system of mass public transportation to be developed in coordination with the total transportation system plans for these counties. With this in mind, the Legislature finds it desirable that such counties create mass transit authorities with sufficient power to plan, finance, and administer county-wide mass transit systems capable of providing rapid, comfortable, inexpensive and convenient means of transportation for the entire population in a manner which will alleviate traffic congestion by private users of the highways. The Legislature also finds it desirable that such counties immediately act to provide an interim solution to the intensive use of the highways during the period while mass transit systems are under construction through provisions which would induce the use of public transit systems utilizing buses rather than private means of transportation. Finally, the Legislature finds it desirable that such counties initiate planning activities directed at designing and then constructing permanent mass transit systems compatible with their long-term needs. In designing such permanent mass transit systems, such counties should consider all feasible modes of transport such as fixed rail, monorail, subway, and others, singly and in combination.;

On pages 1 and 2: Section 2 is amended to read as follows:

SECTION 2. There is hereby appropriated out of the general revenues of the State the sum of \$1,500,000, or so much thereof as may be necessary, to enable all counties with populations of more than 100,000 people to acquire by lease, purchase or contract existing public transit systems, to expand said systems into county-wide mass transit networks, to initiate planning and construction for permanent systems of mass transit, and to initiate studies directed at determining the most appropriate governing body for such a system.”

Representative Alcon stated that the original bill that was drafted for intermediate care facilities had directed the Department of Health to construct and run the facilities. However, the Attorney General ruled that this would

result in a conflict of interest since the Department of Health licenses the facilities; that in order to void the conflict of interest, the Office of the Attorney General had seen fit to delegate the authority to the Department of Social Services.

Representative Devereux further stated that if this was true, then this was the first time she had heard of it and reiterated her concern that the Department of Social Services was not adequately staffed to handle this responsibility.

The motion to adopt Stand. Com. Rep. No. 403-70 and to pass H. B. No. 1380-70, as amended, on Third Reading was put by the Chair and carried and H. B. No. 1380-70, as amended, having been read throughout, passed Third Reading by a vote of 50 ayes with Representative Wakatsuki being excused.

At this time, Representative Garcia inquired whether Representative Wakatsuki would yield to a question to which Representative Wakatsuki replied in the affirmative.

Representative Garcia inquired whether gasoline prices will be lowered by bringing in finished product from the mainland when there already is a refinery in Hawaii to which Representative Wakatsuki replied that the bill strictly refers to planning and construction of additional storage tanks and other facilities to be located in the vicinity of Sand Island and whether gasoline prices will be reduced, in fact, we make no predictions.

Representative Garcia then questioned whether reference to facilities means having a refinery on or near Sand Island itself to which Representative Wakatsuki stated that the bill appropriates funds to the Department of Transportation which will have under its jurisdiction the planning and construction of storage tanks and related facilities.

Representative Garcia further questioned whether the Committee took into account what will happen to the park facilities within Sand Island should the storage and related facilities materialize on Sand Island to which Representative Wakatsuki replied that the bill does not specifically say these tanks should be on Sand Island. On the contrary, the bill is quite explicit that they will be outside of Sand Island in the vicinity where the present storage tanks are and that the bill itself is governing. The Committee Report relates to Sand Island in terms of how to give direction to the reader of the bill as to what particular area we are speaking of.

Representatives Ho, R. Wong and Miyake then spoke in favor of the bill.

The motion to pass H. B. No. 1118 on Third Reading was put by the Chair and carried, and H. B. No. 1118 passed Third Reading by a vote of 39 ayes to 11 noes, which was not less than two-thirds of all the members to which the House is entitled, with Representatives Aduja, Ajifu, Fong, Garcia, Judd, Meyer, Miho, Oda, Poepoe, Saiki and Soares voting no and Representative Sakima being excused.

INTRODUCTION OF RESOLUTION

A resolution (H. R. No. 324) honoring Jack Lord for his outstanding contributions to the State of Hawaii was jointly offered by Representatives Beppu, Miyake, Lum, Ushijima, Kato, Miho, Wakatsuki, Minn, Nakama, Serizawa, Duponte, de la Cruz, Shigemura, Takamine, Kondo, Loo, Kimura, Kunimura, Taira, Morioka, F. Wong, Bicoy, Suwa, Oshiro, Pule, Takitani, Menor, Inaba, Uechi, Aduja, Meyer, Oda, Judd, Iha, Pacarro, R. Wong, Sakima, Baptiste, Alcon, Kawakami, Heen, Lee, Roehrig, Ho, Ajifu, Fong, Poepoe, Soares, Devereux and Garcia.

On motion by Representative Miyake, seconded by Representative Ushijima and carried, H. R. No. 324 was adopted.

Representative Miyake here introduced Mr. Jack Lord and Mrs. Marie Lord to the members of the House.

Representatives Pule and Ho then presented carnation leis to Mr. and Mrs. Lord, respectively.

Mr. Lord then addressed the members of the House as follows:

"Mr. Speaker, distinguished members of this honorable body, members of the clergy, ladies and gentlemen.

'I feel like I have come home' Jesus said, 'in my father's house of many mansions.'

When we first came down here, we didn't know the reception we were going to get. It was kind of a flight into the unknown. We were attempting to make a major motion picture in a state where there was no track record for motion picture continuity. But today, I feel like we have found one of those mansions that we were promised. As I said the other day in print, I take my hat off to these marvelous co-stars that we have here, your beautiful trades, your magnificent palms and mountains, and

especially the beautiful people, the golden people, that go with this state. Every place I go on the mainland, critics, television people say 'Ah! what lovely faces, what marvelous faces, how clean and pure and fresh and delightful!' And, I think that might be our answer, ladies and gentlemen—this happy blending of Polynesian, Oriental and Caucasian. I think that may solve some of the problems that beset us in the streets of the mainland.

I am terribly grateful for this honor. When I was a boy, growing up in a very tough Irish section of Brooklyn, my father and I used to walk down 4th Avenue where they had bookstores on both sides of the street and that's really where I got my, sort of, basic education. One day, we picked up a soiled and old green-covered book—'Book of Poems' by Don Blanding and near the front of it was a poem that I memorized because my father used to give me a penny a line to learn poetry.

We have always heard the word 'Aloha' but we did not know what it meant. And I opened the book and it said 'What Aloha Means' by Don Blanding and it started: It's more than just an easy word for casual goodbye; It's gayer than a greeting and it's sadder than a sigh; It's all the tender messages that words cannot convey; It's tears unshed and longing for a loved one gone away; It's welcome to Hawaii and its lingering farewell; It's all the dear and silent things that lovers' lips can tell; It's woven into flower leis and old Hawaiian songs; It's frailer than the spider webs and strong as leather thongs; It's fresh as dew and ginger blooms and older than the moon; It's in the little lullabies that's made of mother's croon; It's said a hundred different ways, in sadness and in joy; Aloha means 'I Love You.'

So, I say, Aloha Oe. Thank you very much for this great honor."

At 11:21 o'clock a.m., the Chair

declared a recess, subject to the call of the Chair for the purpose of presenting a certified copy of House Resolution No. 324 to Mr. Lord.

If we follow the Senate bill, there would have been only one state-wide commission. We added three more sub-committees—one each on the neighbor islands.
