Representative B. Oshiro's written remarks are as follows:

"Mr. Speaker, the community bordering the unimproved segment of Kaimakani Street (Aiea) has been waiting for over five years for the City and County of Honolulu and the State Department of Land and Natural Resources (DLNR) to agree on who owns, and, thus, maintains the street in question.

"In 1993 the Honolulu City Council passed Resolution Number 93-287, which essentially conferred this roadway, and other disputed sections of highway, to the City and County of Honolulu.

"Mr. Speaker, since being elected, the maintenance of Kaimakani Street has been a reoccurring problem for those residents living alongside it. Resident concerns center on health and safety issues resulting from the condition of the street, which normally has deep ruts resulting from erosion and illegally dumped bulky trash items. Again, with nobody taking responsibility for this street, the monitoring ends up resting on the backs of residents who then have to negotiate between State and City departments – neither of which want to take responsibility for the street.

"In the absence of any plan to deal with Kaimakani Street, the State DLNR has stepped in, when possible, to assist the City with minimal maintenance of the area. However, this is not a sustainable relationship - we must have agreement on the ownership of Kaimakani.

"Mr. Speaker, this measure, I hope, will help to resolve the jurisdictional conflict that currently exists and allay the legitimate concerns of residents living along Kaimakani Street."

Representative Ward rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, may I rise with a few reservations on Stand. Com. No. 1791, Establishing Policies for the Legislative Broadcast Program's Cablecasts of House of Representatives' Proceedings?"

"Mr. Speaker, I have two reservations. The first one is, many of us had the vision or still have the vision that we're going to have C-Span here. And whenever America wants to look at its government, it just turns on C-Span and sees any and all of that. I think we've really fallen short of that.

"And the second reservation is that basically, for the last, I think 10 or 14 years that we've had this, we haven't moved the ball down the line. We haven't become, for example, like the Senate. The Senate lets the contractor choose where they're going to go and what they're going to see, with consultation, of course.

"But we have more of a content control. Not a censorship, *per se*, but we're just a little bit uptight about this. And I hope that as we move to next year and the year after, that we'll get a little bit closer to the vision of C-Span, a little bit closer to transparency. If people wanted to look at their government, they don't have to turn on *Olelo* all the time, but they can turn on this Body, these hearings. Sometimes we're very boring, and they may fall asleep, but at least they'll have it. And that's what democracy's all about. Openness and transparency. Thank you, Mr. Speaker."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.R. It should be noted that migrants from the Compact of Free Association of nations are currently proportionally over represented in the population of persons who receive various State social services in Hawaii.

"In order to more adequately provide funding for these migrants, I support HCR 158 which urges the passing of federal legislation to amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to allow the Compact of Free Association migrants to once again receive federally funded financial and medical assistance. It is my belief that the passing of federal legislation to provide federal funded social services and medical services for these migrants provides a more equitable and stable distribution of the financial responsibility for social services provided in the State of Hawaii.

"Thank you for this opportunity to offer my support for this measure."

ANNOUNCEMENTS

Representative Thielen: "I just want to wish everyone a very happy Earth, Hemp Aloha Friday. And, just to remind those who were here in this Chamber in 1999, that's when we passed the bill, which established the Hawaii Industrial Hemp Research Project. The project was done out in the Finance Chair's district. It had good support from some real important leaders out there.

"The project went on for about four years, and determined that the best variety of hemp for the islands comes from China. And the interesting thing is, we'd be able to produce building materials, fabric, cosmetics, nutritional items, all of those different things.

"Now there are other states that are certainly joining in to get the federal government to change its view of industrial hemp, which is non-hallucinogenic, and to change its view and allow farmers to grow that crop.

"With the tobacco being eliminated from Kentucky, Kentucky wants to go back to being the 'Hemp State,' which it was known as for many, many decades. And, if anyone wants to know more about this very green and good crop, come see me. It's an excellent agricultural crop for Hawaii's lands, and my hope is that it will be able to be grown here, without that federal problem in the future. Thank you."

Representative Ching: "Thank you, Mr. Speaker. Just wanted to announce that today is the 25th annual International Day at Hawaii Pacific University, here at Fort Street Mall, today from 10:00 to 4:00. It is their quarter of a century year-old anniversary on this heritage cultural day."

Representative Brower: "Thank you, Mr. Speaker. Prior to being in office, I ran my life. Now as a legislator, my Office Manager runs my life. I want to wish a big happy birthday to my Office Manager, Cynthia Nyross. If our office was the Millennium Falcon, I would be Han Solo and she would be my Chewbacca. Thank you, Mr. Speaker."

Representative Karamatsu: "The Sergeant at Arms would like to inform everyone that the private elevator is now working."

Vice Speaker Magaoay: "I just have one announcement. Make sure you rest this weekend, because the next two weeks can be very hectic weeks. We need all of you there at Conference meetings. Be on time. Respect your colleagues, as you respect yourself in the House."
