Representative McDermott rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, I have reservations on this matter. While I support the intent of the measure, I believe it's certainly an unfunded mandate that will cost businesses money and add a burden onto these contractors who do business with the government, and thereby increase the cost of these contracts. One item alone is not going to tip the scale, but it's the myriad of these things we do year after year and the balances of reports, at some point it becomes untenable.

"The second issue was, I would have an issue with the privacy concerns of putting all my employee's wages and what I'm paying them into another government agency. We already do that with reporting their income tax, well now here's another government agency that's going to have access to what my employees are being paid.

"I haven't read the bill yet, but is there any measures in there that require the company to set up certain procedures so that data cannot be shared with other employees? For instance, if I'm a bricklayer and Bill's a bricklayer, but I'm making \$3 more an hour than Bill, by the way, my name's Frank, and Bill finds out that Frank's making \$3 an hour more, you're going to have morale problems in that organization.

"So for those reasons, I have reservations. That said, I certainly support the intent, and being in the private sector I don't know anybody who doesn't pay for talent. At least that's the universe I travel in. Perhaps there are some disreputable people out there, but good people get found and snatched up and get paid top dollar. Thank you."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.B. No. 536, HD 1, entitled: "A BILL FOR AN ACT RELATING TO GOVERNMENT CONTRACTS," passed Second Reading and was referred to the Committee on Judiciary, with Representative McDermott voting aye with reservations, and with Representatives Ing, LoPresti, San Buenaventura and Tokioka being excused.

Representative Ward rose to speak in support of the measure, stating:

"Mr. Speaker, I rise in support with a brief caveat. Mr. Speaker, this is a good bill, we show how frugal we are compared to the Senate, *et cetera*, except it shows where we're really frugal in terms of transparency and openness for the public to see what we do. I'm specifically pointing to the line item where we have a contractor to show the public what we're doing, what we're saying, and we're still rather *picayune* about our broadcasting funds.

"The vision of some of us is to have a C-SPAN, where everything we say in every committee is broadcast, whether you want it or not, it's there. Now it's only select committees like 'the Right to Farm' was in the Agriculture Committee today. It was a very important one to film, but some of these other things that people find out surprisingly late, if we had more coverage and more money to cover them, they could get more man

power, they could get more equipment. So the vision lives, but the budget does not allow for that. So C-SPAN is the ideal, this gives us still a rather select hearing with the public. Thank you, Mr. Speaker."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.B. No. 1465, entitled: "A BILL FOR AN ACT MAKING APPROPRIATIONS TO PROVIDE FOR THE EXPENSES OF THE LEGISLATURE, THE AUDITOR, THE LEGISLATIVE REFERENCE BUREAU, THE OMBUDSMAN, AND THE ETHICS COMMISSION," passed Second Reading and was placed on the calendar for Third Reading, with Representatives Ing, LoPresti, San Buenaventura and Tokioka being excused.

Representative Saiki moved that the report of the Committee be adopted, and that H.B. No. 930 pass Second Reading and be placed on the calendar for Third Reading, seconded by Representative Evans.

Representative Rhoads rose to disclose a potential conflict of interest, stating:

"Mr. Speaker, in an abundance of caution, I'd like to ask for a ruling on a potential conflict. My wife works for the Governor," and the Chair ruled, "no conflict."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.B. No. 930, entitled: "A BILL FOR AN ACT MAKING AN EMERGENCY APPROPRIATION FOR THE OFFICE OF THE GOVERNOR," passed Second Reading and was placed on the calendar for Third Reading, and with Representatives Ing, LoPresti, San Buenaventura and Tokioka being excused.
