REPORTS OF STANDING COMMITTEES

Representative Aquino, for the Committee on Transportation, presented two reports:

(Stand. Com. Rep. No. 1086) recommending that H.R. No. 22 be referred to the Committee on Finance; and

(Stand. Com. Rep. No. 1087) recommending that H.C.R. No. 47 be referred to the Committee on Finance.

Representative Saiki moved that the reports of the Committee be adopted, and that H.R. No. 22; and H.C.R. No. 47 be referred to the Committee on Finance, seconded by Representative Evans.

Representative DeCoite rose to speak in support of both measures, stating:

"Thank you, Mr. Speaker. In strong support. Mr. Speaker, I just wanted to highlight the fact that a study such as this, after the Molokai ferry went down, was really to provide an opportunity and options for other sources of travel, with a limited amount of travel being done on Molokai.

"What I hope to gain from it, one, Mr. Speaker, is to make sure it is affordable, to make sure it does meet the needs of the people, not just on Molokai, but the people of also Lanai and of Maui.

"It had been directed that the existing ferry that was once there was just directed for the island of Molokai. Let's not be mistaken that this was also used for traveling for kids playing sports on the islands, on both islands, and hoping that having this study there would also look at making sure that handicap accessibility was there.

"With the only airline of Ohana Airlines and three flights a day to the island of Molokai, the ferry also held wheelchair accessibility. So, Mr. Speaker, in strong support of the study. Thank you."

Representative Ward rose to speak in support of both measures, stating:

"Mr. Speaker, in support. Mr. Speaker, Hawaii needs a ferry system. We're one of the rare, rare places in the whole world, an island nation, without a ferry system. And particularly it's needed, in the beginning, at Molokai to Maui, but I'm hoping that they will learn from that what we can do in the rest of the islands.

"And, Mr. Speaker, this resolution is reminiscent of those of us who loved the Superferry, which hopefully will rise again, someday, perhaps, but this is a good resolution as a beginning. Thank you."

Representative McKelvey rose to speak in support of both measures, stating:

"Just in strong support, Mr. Speaker. I'd like to adopt the words of the speaker from Molokai as if they were my own. And just to let everyone know, this is about an existing ferry service from Lahaina to Molokai, not the Superferry. Thank you," and the Chair "so ordered." (By reference only.)

The motion was put to vote by the Chair and carried, and the reports of the Committee were adopted and H.R. No. 22, entitled: "HOUSE RESOLUTION REQUESTING THAT THE DEPARTMENT OF TRANSPORTATION CONDUCT A STUDY ON THE NEED AND FEASIBILITY OF ESTABLISHING A GOVERNMENT-SUBSIDIZED FERRY SERVICE BETWEEN THE ISLANDS OF MAUI AND MOLOKAI," was referred to the Committee on Finance, with Representatives Har, Ichiyama, Lee, Lowen, McDermott, Say, Souki, Tupola and Woodson being excused; and
