Representative Tokioka rose to speak in opposition to the measure, stating:

"Mr. Speaker, I'd like to record a no vote to H.R. No. 9. I'm not going to prolong the debate or the discussion, but I would like to say that I served as the vice chair for the VMI Chair and I've been his friend for 12 years now. And this is a man of honor, this is a man that has served his country, and who else better to lead a committee like military and veteran affairs? And I feel so bad for the VMI Chair, and I'd like to ask to insert additional comments into the Journal. Thank you very much, Mr. Speaker."

Tourism:

Richard H.K. Onishi	Chair
Beth Fukumoto	Vice Chair
Romy M. Cachola	
Isaac W. Choy	
Ken Ito	
Matthew S. LoPresti	
Takashi Ohno	
Justin H. Woodson	
Gene Ward	

Representative Tokioka's written remarks are as follows:

"I am disappointed by the decision of the Representative from District 26 to remove the current VMI Chair. Throughout his 23 years in the House, the current Chair has set a high standard of leadership and service. It has been my honor to serve as his vice chair, and I believe that I have performed admirably in that capacity. Based on the current Chair's qualifications and performance, I believe that this resolution is unjustifiable.

"Removing the current VMI Chair is an insult to him and the years of his life that he has dedicated to his service both in the military and in the House. With all due respect to the Representative from District 41, the current Chair is the most qualified individual to lead this committee. This move does little to hurt the current Chair, but it is detrimental to the hundreds of veterans whom he represents.

"In my opinion, this resolution is uncalled for. I find the decision to remove the current Chair unfortunate. In the future, I hope for greater transparency regarding decisions of this nature."

Representative Souki rose to speak in opposition to the measure, stating:

"Mr. Speaker, I want to record a no vote. And I, for my good friend here who I've known over 30 years, and I wish him well, and I wish the members remember this. A reward for working for the State for 30 years. Thank you very much."

Representative DeCoite rose to speak in opposition to the measure, stating:

"Mr. Speaker, in light of the resolution and so forth, likewise I'd like to record a no vote, for all the years of service that the VMI Chair has served, and in light of the discussion that we just had. Thank you."

Representative Har rose to speak in opposition to the measure, stating:

"Thank you, Mr. Speaker. Please have the Clerk register a no vote for me, and just brief comments. First of all, I want to thank the VMI Chair for his service, not only to the people of the State of Hawaii, but to the people of the United States, as a veteran. I could think of nobody better to lead this committee, and it has been an honor for me to know the VMI Chair, as this is his last year with us in the House.

"I'm reminded of a saying, what's right is right, even if everybody's doing it, what's wrong is wrong, even if nobody's doing it.

"First and foremost, members, we have to remember to respect the institution. Personal differences aside, we should always put the institution first, besides personal differences and petty politics. Unfortunately, I don't think that this resolution embodies that, and for these reasons I will be voting no. Thank you."

Representative Creagan rose to speak in opposition to the measure, stating:

"Thank you, Mr. Speaker. When I came here, the VMI Chair came to me and supported me. He was my mentor, he was my friend. I am voting no, please record a no vote. And that's, I can't sit here in silence and disrespect my friend, a veteran, who served in this so honorably for how many years. I can't sit here in silence, so I have to record a no vote. Thank you."

Representative Belatti moved that H.R. No. 9 be adopted, seconded by Representative Morikawa.

Representative Say rose and asked that the Clerk record a no vote for him, and the Chair "so ordered."

Representative Choy rose to speak in opposition to the measure, stating:

"Thank you, Mr. Speaker. Please record a no vote for me. I do not believe this is the correct path for this body, I think we're just going down the wrong direction."

At 1:03 o'clock p.m., the Chair declared a recess subject to the call of the Chair.

The House of Representatives reconvened at 1:03 o'clock p.m.

Representative Belatti rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. In support. I too share and extend my thanks to the good Representative from Kaneohe. I do also, however, support this measure, as it will help this House move forward. We all can still contribute as members of the committee, as members of this body on this floor. But this leadership team that's represented by this resolution has the confidence and the support of this body, I believe a majority of this body. We have worked hard to be inclusive, we have worked hard to listen to the members. And while, as I said on the opening day, we are a body that has many differences, we can continue to move forward with this resolution. Thank you, Mr. Speaker."

Representative Ohno rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. In support. While I have the greatest respect for the former Chair of VML, I do think it's important to note out that the hopeful new Chair, the Representative from Ewa Beach, has been in front of many issues, most notably the issue that happened two weekends ago. I think he certainly has the experience and the interest in taking this committee even further. Thank you."

The motion was put to vote by the Chair and carried, and H.R. No. 9 was adopted, with Representatives Choy, Creagan, DeCoite, Har, Say, Souki and Tokioka voting no, and with Representatives Cachola, Hashem, Kong, Lee, McDermott, Tupola and Ward being excused.
