"Strong support, Mr. Speaker. I believe that this resolution is of great importance to the Legislature and the State of Hawaii. Almost every capitol and government building across this great country have sufficient security to secure the elected officials and public from potential terror threats. As we've seen in Nice, Charlottesville, and New York City, evil men have used cars and trucks to brutally kill civilians in the name of their hateful ideologies. Further, the Capitol's open environment makes it quite easy for someone to open fire on members of the public, legislators and staff. We are incredibly grateful that such tragedies have not occurred in our islands, but in today's increasingly dangerous world, we must not test fate. I urge law

enforcement agencies mentioned in this resolution to take the Legislature's heed and implement its proposed changes. *Mahalo.*"

Representative Say rose and asked that the Clerk record an aye vote with reservations for him on both measures, and the Chair "so ordered."

Representative Choy rose to speak in opposition to both measures, stating:

"Thank you, Mr. Speaker. In opposition. I realize this is your resolution, but I think I'm closer to needing these facilities than you are, so have some consideration for the elderly, I would really appreciate that. This resolution calls for the closure of two state-run long-term care facilities, Leahi Hospital and Maluhia Long-Term Care Health Center. They're up for consideration for closing because they're losing money.

"Mr. Speaker, in the last few days, this Chamber has been very, very generous in funding different areas of government, and I think this is an area of government that we should fund. And it seems, because of our generosity, we do have the money to fund these two long-term care facilities, specifically built for our less fortunate. Mr. Speaker, we need to support facilities of this type, and of course, long-term care beds are very, very few and hard to find, and even harder to find for our less fortunate. That's why, Mr. Speaker, today I stand in opposition to this particular resolution. Thank you."

Representative Ohno rose and asked that the Clerk record a no vote for him on both measures, and the Chair "so ordered."

Representative Kobayashi rose to speak in support of both measures with reservations, stating:

"Mr. Speaker, I stand with grave reservations. Compared to the Representative from Manoa, by age I'm even closer to needing these long-term care beds. We have a crisis on our hands in that more and more citizens are becoming seniors, and these beds are in great need.

"As of the prior fiscal year, beginning in 2016, approximately one-fourth of the beds at Leahi Hospital and Maluhia Hospital were closed for lack of approximately \$10 million. Currently, the reimbursement for Medicare and Medicaid averages, kind of sort of, in the range of \$200 per day for these beds. However, the costs are in the range of double that, approximately \$400 per day. That gap is increasing because, as you know, the cost of medical care as a whole has been increasing faster than normal inflation. At the same time, the cost of government fringe benefits are increasing much faster than the so-called norm. And reimbursements for Medicare and Medicaid are not keeping up.

"So what we see as a gap will increase. When these beds closed a year and half, approximately, ago, HHSC, Hawaii Health Systems Corporation, said that they can expect either further cuts or privatization.

"For one, I would like to see more long-term care beds, not less. However, the fiscal reality is that the current funding model does not work, will cost the State more in the future, and unfortunately, when that future comes, we will be needing more long-term care beds. So for those reasons, I stand in with reservations. Thank you."

Representative LoPresti rose to speak in support of both measures with reservations, stating:

"With reservations. I'd like to adopt the words of the previous speaker as if they were my own, subtracting the age reference. Thank you," and the Chair "so ordered." (By reference only.)

Representative Morikawa rose to speak in support of both measures, stating:

"Mr. Speaker, in support. I know that we need more beds, but I think we need to look at what is quality, what can the State do as far as providing a quality facility, and I think this study might help us determine that, because both hospitals are not up to what I would want them to be, personally, and I think, is it better to beef up one and perhaps shut the other, where there is more competition in that area? I think this is something worth looking into, we can't continue to put money into the two facilities and not bring them up to the best standards. Thank you, Mr. Speaker."

Representative Cachola rose to speak in support of both measures with reservations, stating:

"Mr. Speaker, strong reservations, and I'd like to adopt the remarks made by the Representative of District 19 as if they were my own," and the Chair "so ordered." (By reference only.)

Representative Tokioka rose and asked that the Clerk record a no vote for him on both measures, and the Chair "so ordered."

Representative Ward rose and asked that the Clerk record an aye vote with reservations for him on both measures, and the Chair "so ordered."

Representative Belatti rose to speak in support of both measures, stating:

"Mr. Speaker, in support. Mr. Speaker, in support because as we look at the ecosystem for long-term care beds, aging in place, the multitude of facilities and situations where we're going to need taking care of our elderly. As we consider this measure and other measures that are looking to invest in caregiving, kupuna care, we really have to look at the entire ecosystem, and this resolution does that. This resolution looks at whether or not these long-term beds, on this island, are the best use of our monies. So, in support, Mr. Speaker. Thank you."

Representative Mizuno rose to speak in support of both measures, stating:

"Mr. Speaker, I can appreciate this is second reading. Nonetheless, the State of Hawaii is graying faster than any state in the nation. It's called the silver tsunami, Mr. Speaker. One in four of our residents by year 2020 will be age 60 or older. So I support the resolutions before us, and I'd like to adopt the words of the Vice Chair of Health & Human Services, as well as the words by both the Majority Floor Leader and the Majority Leader, and note that the study is worthy. We need to look at a solution, a long-term solution for our *kūpuna*. Thank you, Mr. Speaker."

No. 79, entitled: "HOUSE RESOLUTION REQUESTING THE HAWAII HEALTH SYSTEMS CORPORATION OAHU REGIONAL BOARD TO ASSESS THE AVAILABILITY OF LONG-TERM CARE BEDS ON OAHU AND TO DEVELOP RECOMMENDATIONS REGARDING THE CLOSURE OF LEAHI HOSPITAL AND MALUHIA LONG-TERM CARE HEALTH CENTER," was referred to the Committee on Finance, with Representatives Cachola, Har, Kobayashi, LoPresti, Say, Takayama, Thielen and Ward voting aye with reservations, with Representatives Choy, Hashem, Ohno, Tokioka and Tupola voting no, and with Representative Souki being excused; and

Representative Belatti moved that the reports of the Committee be adopted, and that H.R. No. 125; and H.C.R. No. 139 be referred to the Committee on Finance, seconded by Representative Morikawa.

Representative Evans rose to speak in support of both measures, stating:

"Thank you, Mr. Speaker. I rise in strong support, and just want to comment that our Executive Office of Aging with the agency on aging at the county level, that it's really critical that we make sure that they're processing the federal and state funds not only accurately, but that they pay service providers in a very timely manner. That seems to be an ongoing problem that we hear about as state legislators, and that is the payment to our providers. And it's very difficult for these small businesses to make payroll and keep the doors open when it takes many months to get paid. So I'm very glad that we're going to be taking a look at this. Thank you very much."

The motion was put to vote by the Chair and carried, and the reports of the Committee were adopted and H.R. "Mr. Speaker, no vote and brief comment. Mr. Speaker, everybody dreads April 15, we have to pay our taxes. This is adding a bit more dread than I think the data actually indicates. According to the Tax Foundation, the average resident of Hawaii will save \$800 on their tax form, according to the new legislation, and according to the DOTAX people, there are 600,000 people who file in the State of Hawaii every year. If you multiply 800 times 600,000, that's \$480 million. That is a huge chunk of change to get into the stream of Hawaii's economy, of which 70% of the economy is driven by consumer spending. Which means there will be a boost, rather than a negative. I think as we stay tuned to this particular federal legislation, this resolution may be turned on its head. Thank you, Mr. Speaker."
