Representative Marten rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Lowen rose to speak in opposition to the measure, stating:

"Thank you, in opposition and brief comment. Again, as I said before, I'm just not clear what problem this bill is proposing to address. After the last CPC hearing, I reached out to the PUC to confirm whether they had ever received any complaints, either officially or to staff, that the proceeding was taking too long to review Hawaiian Telcom's merger application. They were the only entity to testify in favor of this bill, and they confirmed that there were never any complaints about the timeliness of the review. There was testimony both from the PUC and consumer advocate with concerns that this may not be in the consumer interest. And these reviews take as long as is needed to properly review them and ensure that the public interest is protected. And so those are the reasons for my opposition."

Representative Hussey-Burdick rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Perruso rose in opposition to the measure and asked that the remarks of Representative Lowen be entered into the Journal as her own, and the Chair "so ordered." (By reference only.)

Representative Ward rose to speak in opposition to the measure, stating:

"Mr. Speaker, no vote with a brief comment, please. I would vote for this bill if we were not 50,000 to 60,000 units short. But being that we are so short in housing, this to me is the equivalent of a poll tax for those who are not very well-heeled, and they are competing for space to live. It's hard enough to find it, but then you have to pay to get an application, I think is unfair. Sorry, that imputes motive."

Representative Mizuno rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. In support. Very important bill, this is a consumer protection bill. The problem with these unlicensed illegal care homes is that they pay no taxes for their illegal business. There is no criminal background checks for these people that run these illegal businesses. A murderer or a rapist could be running these illegal care homes. Their patients are *kūpuna* and disabled. They also do not have liability insurance, which is required by the state for all licensed community care homes. There are no annual or unannounced visits by either the Department of Health or the Department of Human Services, which is required for the legal certified and licensed care homes.

"These illegal care homes charge private pay clients between \$6,000 to \$15,000 a month. Once these *kūpuna* and disabled run out of money, they're kicked out of these illegal care homes. These patients then qualify for Medicaid and go to an approved Medicaid care home.

"This bill is the right thing to do. We need to close these illegal care homes, we need to tax them, we need to protect our *kūpuna* and our disabled. This bill will do it. Thank you, Mr. Speaker."

"No vote. This bill would make electricity more expensive. Hawai'i has some of the most expensive electricity in the nation, so I'll be voting no."

Representative Lowen rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. I'm trying to fathom in which way this bill would make electricity more expensive. This is an energy efficiency measure that establishes efficiency standards to add to our existing state level efficiency standards for certain appliances. One of them has some additional upfront costs. The other, I think, three on the list have no additional upfront costs, so it's immediate savings for the consumer. It reduces their electric bills by reducing electricity use, and it reduces that burden overall on the whole system, which is good for all ratepayers.

"It's a win-win that was broadly supported even by appliance producers. There's been a lot of work put in to figure out which appliances are the appropriate ones to tackle first. And yeah, it will not increase electricity bills in any way or rates. Thanks."

S.B. No. 1314, SD 2, HD 1:

Representative Nakamura moved that S.B. No. 1314, SD 2, HD 1 pass Third Reading, seconded by Representative Morikawa.

Representative Hussey-Burdick rose to speak in support of the measure with reservations, stating:

"Reservations, Mr. Speaker, brief comment. SB 1314 and 1315 are not the best way to reduce our unfunded liabilities. Government employees' benefits packages are one of the only things convincing people to get through what's often an arduous six-month hiring process. So, without these benefits, it'll become even more difficult for state and counties to hire qualified workers, and our already astronomical vacancy rates will only increase. Thank you."

Representative Perruso rose to speak in opposition to the measure, stating:

"In opposition. I very much appreciate the work of the respective chairs on this measure and on both of these measures, actually, I'm speaking on both 1314 and 1315 because they are connected. But I think that we do need to work with our congressional delegation to address this at the federal level. And I think that this is going to be a disincentive for people to enter the public workforce. Thank you."

The motion was put to vote by the Chair and carried, and S.B. No. 1314, SD 2, HD 1, entitled: "A BILL FOR AN ACT RELATING TO THE HAWAII EMPLOYER-UNION HEALTH BENEFITS TRUST FUND SPOUSAL MEDICARE PART B PREMIUM REIMBURSEMENT," passed Third Reading by a vote of 45 ayes to 5 noes, with Representative Hussey-Burdick voting aye with reservations, with Representatives Amato, Kapela, Perruso, Poepoe, and Tam voting no, and with Representative Nishimoto being excused.

"Reservations, please, and may I ask that my comments from the previous bill get inserted into the Journal under this bill," and the Chair "so ordered." (By reference only.)

Representative Perruso rose in opposition to the measure. [Note: See S.B. No. 1314, SD 2, HD 1 for remarks.]
