RECALL FROM COMMITTEE

Representative Garcia, pursuant to House Rule 38.1, moved to recall H.B. No. 955 from committee to the Floor, seconded by Representative Ward.

At this time, the Chair recognized the Clerk who announced that the minimum 20 days have passed since the referral of H.B. No. 955, HD 2 to the Committee on Finance.

At this time, the Chair stated:

"All right, members, it has been moved and seconded that House Bill No. 955, HD 2 be recalled from the Committee on Finance. This is a procedural motion. The motion does not address the content or substance of this measure. Therefore, debate is limited to the propriety of the action in recalling this bill. Debate on the merits or substance of this measure is not in order at this time."

Representative Garcia rose to speak in support of the motion to recall, stating:

"Mr. Speaker, in support of the motion. Thank you. I think procedurally, this is the right thing to do to give people a voice after being shut down time and time again."

Representative Nakamura rose to speak in opposition to the motion to recall, stating:

"Thank you, Mr. Speaker. This motion to recall is highly unusual. And as you said, this is a procedural vote. No matter what members think about the substance of this bill, this vote today is limited to the process of recalling a measure out of a committee from last year, last session, and bringing it back onto this floor one year later, taking the vote out of the hands of the members of the Finance Committee and bringing it to the floor for a third reading vote, then sending it off to the Senate. By recalling it and bringing it to a third reading vote, we would bypass the Finance Committee, which is, in my eight years of being here, I have not witnessed. I think it would set a bad precedent, and I think we should be very cautious about moving this motion forward."

Representative Ward rose to speak in support of the motion to recall, stating:

"Thank you, Mr. Speaker. I rise in favor of the procedural motion. Mr. Speaker, I celebrate democracy. I celebrate procedural motions because democracy is a messy thing. There's a lot of moving parts, we're even compared to being sausage makers. Well, this is one of the ways that the machinery, as it goes along, you can interrupt and say, hey, by the way, maybe that sausage doesn't taste right, let's go back and see if the ingredients are there. And I think procedurally, Mr. Speaker, this is why democracy allows these kinds of things. We may have made a mistake. There's enough movement out in the public to say that we've made a mistake, there's enough people who've said that we've made a mistake.

"But remember, in a democracy, everybody has a say, and this gives them and us a say, say let's correct our course, let's retaste the sausage. Remember, in the beginning there was only the executives. They were either kings or princes or dictators. And now we've got from the executive, we also have a legislative body and a history of democracy, a third level of government called the judiciary. So, there's a lot of checks and balances. And when you say that this is not unprecedented, that's why the founding fathers of this constitution of this state said, hey, guys, you want to pull something to the floor, you've got to have 17 votes. You want to do a roll call, you've got to have 11 votes. So, this is not setting a precedent, it's exercising what they said. We love democracy. And Mr. Speaker, for those reasons. I think this is a very well made opportunity for us to speak for the people of Hawai'i. Thank you."

Representative Hussey-Burdick rose to speak in support of the motion to recall, stating:

"Thank you, Mr. Speaker. I rise in bipartisan support. While I understand that rule 38.1 is rarely utilized, making this a highly unusual and controversial motion, situations like this are exactly the reason why the provision for recall is enshrined in our constitution. There are times when our jobs require us to stand up against immense pressure, and this is one of those times. The gravity of the situation is this. The attorney general has confirmed that any traditional birth attendant, doula, lactation consultant, childbirth educator, grandparent, or *hanai* family member that gives advice and information regarding the progress of childbirth—"

Representative Ichiyama rose to a point of order, stating:

"Point of order, Mr. Speaker."

The Chair addressed Representative Hussey-Burdick, stating:

"Representative Hussey-Burdick, please confine your remarks to the procedural aspect of this motion."

Representative Hussey-Burdick: "Thank you, Mr. Speaker. I'm confining my remarks to the reason why the gravity of this situation calls for us to move for a procedure like this."

Speaker Saiki: "Please proceed with the procedural discussion."

Representative Hussey-Burdick: "Shall be guilty of a misdemeanor."

Speaker Saiki: "Representative Hussey-Burdick, please confine your remarks to the procedural aspects of this motion."

Representative Hussey-Burdick continued, stating:

"Thank you, Mr. Speaker. I am confining my remarks to the reason why this procedure is necessary.

"The state is now being sued by the Center for Reproductive Rights and the Native Hawaiian Legal Corporation—"

Speaker Saiki: "Representative Hussey-Burdick."

Representative Quinlan rose to a point of order, stating:

"Point of order."

At 1:05 p.m., the Chair declared a recess subject to the call of the Chair.

The House of Representatives reconvened at 1:08 p.m.

Representative Hussey-Burdick continued, stating:

"Thank you. As I was saying, the state is now being sued by the Center for Reproductive Rights and the Native Hawaiian Legal Corporation because of our failure to act. There have been three bills introduced this year in an attempt to fix that, but this body has once again failed to act. Now, HB 955, which has already passed through two committees and three floor readings, is our only remaining chance to get the state out of what's sure to be an expensive and embarrassing lawsuit.

"Just so everybody understands the full consequences of their vote today, voting yes on this motion to recall legalizes grandmas, voting no ensures that grandparents, cultural practitioners, doulas, and hundreds of birth care professionals will continue to be liable for criminal penalties under HRS 457J."

Representative Quinlan rose to a point of order, stating:

"Point of order, Mr. Speaker. Is this debate on the process or the merits of the measure? I'm a little confused."

Speaker Saiki: "I believe that the discussion is over. Members, is there further discussion?"

Representative Pierick rose to speak in support of the motion to recall, stating:

"In support of the procedure. I believe that there have been four resolutions passed by each of the county councils that have been delivered to us, and they would be in support, from my understanding, of this procedure."

Representative Ganaden rose to a point of order, stating:

"Point of order, Mr. Speaker. I believe he's not actually discussing the procedure, he's discussing the merits in trying to use evidence of some other vote to discuss that."

The Chair addressed Representative Pierick, stating:

"Representative Pierick, please confine your remarks to the procedure aspect of this motion."

Representative Pierick continued, stating:

"I'm in support of this procedure, and I believe four other county councils are as well."

At this time, the Chair stated:

"Members, further discussion? If not, it's been moved and seconded that House Bill No. 955, HD 2 be recalled from the Committee on Finance. We will be taking a vote by hand. All those in favor of the recall, please raise your right hand. Mr. Clerk, do you have a count?"

The Clerk then stated:

"Mr. Speaker, only five members voted aye."

The Chair then stated:

"All right, the motion has failed."

The motion that H.B. No. 955, HD 2, entitled: "A BILL FOR AN ACT RELATING TO CHAPTER 457J, HAWAII REVISED STATUTES," be recalled from the Committee on Finance was put to vote by the Chair and upon a show of hands, the motion was defeated, with Representatives Alcos, Amato, Cochran, Chun, Gates, Holt, Marten, M. Mizuno, Poepoe, Takayama, Todd, and Woodson being excused.

ANNOUNCEMENTS

Representative Ward: "Mr. Speaker, it's 1:10, everybody's hungry. Thank you for feeding us yesterday. Today we have the fellowship luncheon and if someone didn't book their lunch, we still have plenty of opportunity to serve you. It's in room 423 immediately after session. Thank you."

Representative Matsumoto: "Thank you, Mr. Speaker. I want to make an announcement on behalf of the Women's Legislative Caucus. It's that time of year again for our Easter baskets. It's going to be on March 27th. Each of you will receive a flier in the email, as well as you'll get it in your office. And we will be having our Easter Bunny and Easter Chick again. And so, voting will be on Monday. When we come to session, you'll have the ballot, and you can turn it immediately to me or to our office in 302. Thank you."
